SJECCD BUSINESS OPPORTUNITY WORKSHOP

Each year, San José · Evergreen Community College District spends millions of dollars in construction and non-construction goods and services to meet the education and career needs of our students and the community.

We want you to consider growing your business with us. We want our small and locally owned businesses to know more about our District's business opportunities so that you can be our vendors and contractors.

Voters have consistently voted to support our District through bond measures. We want to thank our voters for passing Measure X in November 2016, which yields \$748 million to build new state-of-the-art facilities at Evergreen Valley College and San Jose City College, and upgrade and renovate our infrastructure and technology to improve student success.

For better preparations, please confirm your attendance date at sam.ho@sjeccd.edu or 408-375-2768. Contact: Sam Ho, MBA, Director of Community Relations, Communications, and Diversity/Business Outreach.
