Government Code Sections 54953.5 and 54953.6

Any audio or video recording of an open and public Board meeting made by or at the direction of the Board of Trustees shall be subject to inspection by members of the public in accordance with the California Public Records Act, Government Code Sections 6250 et seq. The District Chancellor is directed to enact administrative procedures to ensure that any such recordings are maintained for at least 30 days following the taping or recording.

Persons attending an open and public meeting of the Board may, at their own expense, record the proceedings with an audio or video tape recording or a still or motion picture camera or may broadcast the proceedings. However, if the Board finds by a majority vote that the recording or broadcast cannot continue without noise, illumination, or obstruction of view that constitutes or would constitute a persistent disruption of the proceedings, any such person shall be directed by the President of the Board to stop.
