## **BP 2515 PARTICIPATION OF RECOGNIZED EMPLOYEE/STUDENT REPRESENTATIVE GROUPS IN POLICY DEVELOPMENT**

**Note:** All of the rights granted in this section are subject to the special requirements of BP 2510 titled Participation in Local Decision-Making, BP 2511 titled Academic Senates, BP 2512 titled Academic and Professional Matters, and BP 2513 titled Collective Bargaining Matters

The following officially recognized District employee/student representative groups shall be given the opportunity to participate in the development of Board policies and Board adopted procedures: Academic Senates, Classified Senates, Management, Supervisory and Confidential Employee Council, Associated Student Councils, FA-AFT 6157, CSEA 363 and Executive Management. The opinions and recommendations of these groups will be given every reasonable consideration

Except for unforeseeable emergency situations the Board shall not take action on new Board policies and procedures without giving the above-mentioned representative groups reasonable time to meet with their members and discuss those proposals.

All of the representative groups mentioned herein may initiate and participate effectively in the formulation and development of proposals for new policies or Board adopted procedures. The representatives initiating such proposals shall first consult with the chief executive or President as appropriate or her/his representative. Proposals initiated by the representative groups are subject to all the requirements of the Board Policies contained in BP 2510 titled Participation in Local Decision-Making.
