## **AP 3501 CAMPUS SECURITY AND ACCESS**

### **References:**

34 Code of Federal Regulations Section 668.46(b)(3);  
WASC/ACCJC Accreditation Standard III.B.1

During business hours, the District will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all District facilities is by key, if issued, or by admittance via the Campus Police. In the case of periods of extended closing, the District will admit only those with prior written approval to all facilities.

Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic will have regular periodic security surveys. Administrators from Campus Police, and other concerned areas review these results. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications. Additionally, during the academic year, the Campus Police and the college's respective Administrative Services personnel in conjunction with the maintenance staff shall meet to discuss campus security and access issues of pressing concern.
