AP 4227 REPEATABLE COURSES

Reference:

Title 5 Sections 55040, 55041, and 56029

Only the following types of courses may be designated as repeatable:

- Courses for which repetition is necessary to meet the major requirements of CSU or UC for completion of a bachelor's degree;
- Intercollegiate athletics courses; and
- Intercollegiate academic or vocational competition courses. Such courses may be repeated no more than four times for semester courses or six times for quarter courses.

The District must identify and designate such repeatable courses in its catalog.

Under special circumstances, students may repeat courses in which a C or better grade was earned.

Students are allowed to repeat a course without petition when repetition is necessary to enable that student to meet a legally mandated training requirement as a condition of volunteer or continued paid employment. Students can repeat such courses any number of times, even if they received a grade of C or better; however, the grade received by the student each time will be included in calculations of the student's grade point average. Students must provide the necessary documentation.

Students may enroll in activity courses in physical education, visual arts, or performing arts. Such courses may not be repeated for more than four semesters. This limit applies even if the student receives a substandard grade or "W" during one or more enrollment or if a student petitions for repetition for repetition due to extenuating circumstances.

Students with disabilities can repeat a special class for students with disabilities any number of times when an individualized determination verifies that such repetition is required as a disability-related accommodation for the student for one of the reasons specified in Title 5 Section 56029.

Students are allowed to repeat an occupational work experience course if a college only offers one course in occupational work experience in a given field and that course is not offered as a variable unit open-entry/open-exit course. Where only one occupational work experience course is offered subject to the above conditions, students may be permitted to repeat this course any number of times as long as they do not exceed the limit on the number of units of cooperative work experience set forth in Title 5 Section 55253(a).

The District shall develop and implement a mechanism to allow it to properly monitor course repetition.
