Students with disabilities shall be reasonably accommodated pursuant to federal and state requirements in all applicable programs in the District.

The Disabled Students Programs and Services (DSPS) program shall be the primary provider for support programs and services that facilitate equal educational opportunities for students with disabilities who can profit from instruction as required by federal and state laws.

DSPS services shall be available to students with verified disabilities. The services to be provided include, but are not limited to, reasonable accommodations, academic adjustments and accessible facilities.

Participation in the Disabled Students Program is elective. In addition, students with disabilities shall not be precluded from participating in other college programs and services.
