## **INTRODUCTION**

### Purpose

The provisions of this San Jose – Evergreen Community College District Traffic and Parking Code, hereinafter referred to as Code, are adopted for the purpose of promoting safe and orderly movement of traffic and the safe and orderly parking of vehicles, bicycles and other wheeled devices within the properties of the District.

### Applications

The provisions of the California Vehicle Code or CVC are applicable within the boundaries of the San Jose – Evergreen Community College District properties, which include San Jose City College, Evergreen Valley College and the SJECCD Milpitas Extension.

### Restrictions, Fines and Fees

Parking of motor vehicles and motorcycles on District properties is limited to specially designated areas as set forth in this Code. Fee permits are required as adopted and posted. Use of vehicles or other wheeled devices around District properties are subject to the permission of the San Jose – Evergreen Community College District in accordance with this Code. Faculty, staff, students and visitors to District properties agree to be bound by this Code in exchange for permission to park on District properties. Vehicles or other wheeled devices parked in violation of the provisions of this guide are subject to fines, towing and/or impounding.

### Knowledge of Requirements and Restrictions

All persons who enter onto District properties are expected to have knowledge of the provisions of the San Jose – Evergreen Community College District Traffic and Parking Code and are subject to penalties for violations of such provisions. Participation in the parking program is at the discretion of the San Jose - Evergreen Community College District. Suspension of parking privileges may result if circumstances are warranted.

### Records and Public Inspection

All current provisions of the San Jose – Evergreen Community College Traffic and Parking Code shall be maintained for public inspection at all times at Police Services.

Questions regarding provisions of the Code can be directed to:

- Police Services 408-270-6468

## **Chapter 1: GENERAL PROVISIONS**

### ***Section 1.1 Authorities for Conditions and Regulations***

The San Jose – Evergreen Community College District Traffic and Parking Code are promulgated by the Chancellor of the District and in accordance with the Board of Trustees. The Chancellor of the District, in accordance with the Board of Trustees, may change this Code or adopt such additional conditions and regulations as he or she may deem necessary or appropriate, pursuant to Section 21113 CVC.

### ***Section 1.2 Applicability of the Vehicle Code***

Provisions of the CVC are applicable on District properties pursuant to Section 21113.

### ***Section 1.3 Authority of Campus Safety Officers and Traffic Campus Safety Officers***

Campus Safety Officers (CSO's) and Traffic Campus Safety Officers (TCSO's) employed by the San Jose – Evergreen Community College District Police Department shall have the authority to enforce on District properties the provisions relating to stopping, standing and parking of vehicles, bicycles and wheeled devices contained in this Code and the CVC.

### ***Section 1.4 Enforcement of Vehicle Regulations – Citations***

These parking and traffic regulations are enforced through action of the San Jose/Evergreen Community College District Police Department and the Santa Clara County Courts. The District forwards all parking citations to the Office of Parking Citations, P.O. Box 11113, San Jose, California 95103-1113. Bail may be posted and forfeited by placing a check or money order, payable to the San Jose/Evergreen CCD, in the envelope provided with parking citations and depositing it in the mail. Hearings regarding contested parking citations may be arranged through the Office of Parking Citations at (800)818-1832. You can also check on the status of your ticket online at [www.pticket.com/sjeccd](http://www.pticket.com/sjeccd). A citation may be contested by filling out a Request for Initial Review of a Parking Citation form, available at the Police Departments on each college. Copies of all documentation must be included with the form. Results of the review will be mailed.

Failure to appear or deposit bail on a criminal citation within the time designated on the citation may cause a warrant to be issued for a violator's arrest and/or a hold placed on a violating vehicle's registration by the State Department of Motor Vehicles. District police officers are authorized to cite for all violations of the CVC. Bail for Vehicle Code violations, other than parking, is posted at the Office of the Clerk of the Court at the Traffic Facility, 1095 Homestead Road, Santa Clara, California, 95050

### ***Section 1.5 Exemption of Certain Vehicles from Regulations***

(1.5.1) The conditions and regulations regarding driving, operating, stopping, standing and parking shall not apply to any authorized emergency vehicle when such vehicle is operated in response to an emergency.

(1.5.2) The Chief of Police or their designee may adopt regulations temporarily exempting vehicles bearing special permits from certain conditions and regulations regarding driving, operating, stopping, standing and parking.

### ***Section 1.6 Definitions***

Definitions and terms used in this Code are set forth in Appendix "A".

## **Chapter 2: VEHICLE OPERATION**

### ***Section 2.1 Violations of the California Vehicle Code or CVC***

Any violation of this chapter may be cited pursuant to the appropriate California Vehicle Code (also referred to as the CVC) section and, if cited, shall be subject to all appropriate penalties. Violations involving District vehicles will be reported to the respective department supervisor responsible for use of the vehicle or subject to court action, depending on the severity.

### ***Section 2.2 Speed Limits***

Unless otherwise provided in this Code, the speed limit on any roadway within the District is fifteen (15) miles per hour.

### ***Section 2.3 Reporting of Accidents***

The driver of any vehicle involved in an accident on District property which results in death or injury to any person, damage to the property of any person or any damage to District owned property shall report such accident to Police Services immediately as well as the District's Administrative Services Office. There may also be additional reports required by the CVC.

## **Chapter 3: VEHICLE PARKING**

### ***Section 3.1 Parking Prohibited Except in Conformance with this Code***

No vehicle shall be stopped, left standing or parked on District property except in conformance with the CVC and with this Code.

### ***Chapter 3.2 Parking Areas – Designation***

- (3.2.1) The Chief of Police or their designee shall designate from time to time the various kinds of parking areas and shall place and maintain, or cause to be placed a maintained, such traffic control devices as they may deem necessary or appropriate to give notice of such parking areas. Such designations are subject to change.
- (3.2.2) No other person or entity may designate or restrict parking areas without the express consent of the Chief of Police or their designee.
- (3.2.3) Any person driving, operating, stopping, standing or parking any vehicle shall obey the instructions of any traffic control device applicable thereto, unless otherwise directed by an authorized officer, subject to the exceptions granted to an authorized emergency vehicle and those granted to vehicles bearing a special permit.

### ***Section 3.3 Parking within Marked Space***

- (3.3.1) In parking areas where individual parking spaces are designated, every vehicle must be stopped, left standing or parked entirely within the traffic control devices marking a single parking space.
- (3.3.2) Oversized Vehicles that cannot fit within a single parking space may not park on the campus without permission from the Chief of Police or their designee.

### ***Section 3.4 Fire Lanes and Landscaped Areas***

- On any landscaped area. For the purpose of this Section, a landscaped area shall be defined as any unpaved area that has been planted with grass, trees, or shrubbery or which has been graded or improved for purposes other than use by vehicular traffic including undeveloped fields and agricultural areas.
- Inside any campus building.

## Appendix "A"

### Section 1.6 Definitions

*Unless the provision or context otherwise requires, these definitions shall govern the construction and application of this code:*

(1.6.1) **Acrobatic Skating.** Acrobatic skating occurs when all wheels of a skateboard, or of both skates, are simultaneously out of contact with the ground during skating and skateboarding.

(1.6.2) **Bicycle.** A bicycle is a device upon which any person may ride, propelled exclusively by human power through a belt, chain, or gears, and having one or more wheels.

(1.6.3) **Blue Zone.** A "Blue Zone" is a parking area restricted for use by vehicles displaying a valid Disabled Person's placard or license plate.

(1.6.4) **Campus Safety Officer (CSO).** "Campus Safety Officers" are non-sworn personnel who perform security, parking enforcement and traffic control functions for Police Services on the grounds of the San Jose – Evergreen Community College District.

(1.6.5) **Designated Parking Areas.** Areas which may be identified by the presence of signs, curb markings, parking space markings, or other similar devices commonly used to indicate motor vehicle parking spaces or bicycle parking areas.

(1.6.6) **District Parking Permit.** A "District Parking Permit" is any parking permit issued by Campus Police to faculty, staff, students and others.

(1.6.7) **Emergency Zone.** A curbside required for use by emergency vehicles only and designated by red paint, stenciling and/or signage.

(1.6.8) **Electric Vehicles.** Electric Vehicles (also known as plug electric vehicles) derive all or part of their power from electricity supplied by the electric grid. They also include AEVs and PHEVs. AEVs (all-electric vehicles) are powered by one or more electric motors. They receive electricity by plugging into the grid and store it in batteries. They consume no petroleum-based fuel and produce no tailpipe emissions. PHEV's (plug-in hybrid electric vehicles) use batteries to power an electric motor, plug into the electric grid to charge, and use a petroleum based or alternative fuel to power the internal combustion engine. Some types of PHEV's are also called extended-range electric vehicles (EREVs).

(1.6.9) **Fire Lane.** An access roadway for Fire Department vehicles, not less than 20 feet wide, marked with a red curb and/or bounded by an 8" wide red line, marked as "No Parking at Anytime" or posted with "Fire Lane – No Parking" signs.

(1.6.10) **Green Zone.** Green curbing indicates time-limit parking.

(1.6.11) **Impound.** The confiscation and storage of a motor vehicle or a bicycle in a location designated by the Chief of Police

(1.6.12) **Landscaped Areas.** Any unpaved area that has been planted with grass, or ornamental trees or shrubbery or which has been graded or improved for purposes other than vehicle parking including undeveloped fields and agricultural areas, bark covered and decomposed granite areas, or any paved or brick patio area.

(1.6.13) **Loading Zone.** A "Loading Zone" is an area designated by yellow curbing or signage, where stopping is allowed only for the purpose of loading or unloading passengers or freight for the time specified. "Loading Zones" may be restricted to "Commercial Plates Only".

(1.6.14) **Motor-Driven Cycle.** A "motor-driven cycle" is any motorcycle with a motor that displaces less than 150 cubic centimeters. A motor-driven cycle does not include a motorized bicycle, as defined in the following definition.

(1.6.15) **Motorized Bicycle.** A "motorized bicycle" or "moped" is any two-wheeled or three-wheeled device having fully operative pedals for propulsion by human power, or having no pedals if powered solely by electrical energy, and an automatic transmission and a motor which produces less than two (2) gross brake horsepower and is capable of propelling the device a maximum speed of not more than 30 miles per hour on level ground.

(1.6.16) **Motorized Electric Bicycle.** A "motorized electric bicycle" is a device that has fully operative pedals for propulsion by human power and has an electric motor that meets all of the following requirements: a) Has a power output of not more than 1000 watts. b) Is incapable of propelling the device at a speed of more than 20 miles per hour on level ground. c) Is incapable of further increasing the speed of the device when human power is used to propel the motorized bicycle faster than 20 miles per hour.

(1.6.17) **Motor Vehicle.** A "Motor Vehicle" is a vehicle which is self-propelled, including a motorcycle, motor scooter, moped, low speed vehicle (LSV), or golf cart. "Motor Vehicle" does not include a self-propelled wheelchair, invalid tricycle, motorized quadricycle or golf cart when operated by or on behalf of a person who, by reason of physical disability, is otherwise unable to move about as a pedestrian.

(1.6.18) **Motorcycle Parking Area.** A "Motorcycle Parking Area" is an area for parking motorcycles, motor scooters, or mopeds.

(1.6.19) **Motorized Wheeled Device.** A "motorized wheeled device" is a device with two or more wheels designed to be ridden upon or attached to a person and may be propelled with a motor. This definition includes but is not limited to gasoline and electrically powered scooters, skateboards, inline skates, Segways, and similar devices. It does not include licensed motor vehicles, motorized bicycles, motor driven cycles, motorized electric bicycles, motorized scooters, and devices designed for use by persons with physical disabilities.

(1.6.20) **Motorized Quadricycle and Motorized Tricycle.** A "motorized quadricycle" is a four-wheeled device, and a "motorized tricycle" is a three-wheeled device, designed to carry not more than two persons, including the driver, and having either an electric motor or a motor with an automatic transmission developing less than two gross brake horsepower and capable of propelling the device a maximum speed of not more than 30 miles per hour on level ground. The device shall be utilized only by a person who by reason of physical disability is otherwise unable to move about as a pedestrian.

(1.6.21) **Motorized Scooter.** A "motorized scooter" is any two-wheeled device that has handlebars, is designed to be stood or sat upon by the operator, and is powered by an electric motor that is capable of propelling the device with or without human propulsion. For purposes of this section, a motor driven cycle, motorized bicycle, motorized electric bicycle, or a motorized wheeled device as defined in this section is not a motorized scooter.

(1.6.22) **Oversized Vehicle.** An oversized vehicle is a vehicle that cannot fit within a single marked parking space.

(1.6.23) **Park or Parking.** To stop or allow to stand, any vehicle including a bicycle, whether occupied or not.

(1.6.24) **Pedestrian.** A "pedestrian" is any person who is afoot or who is using a means of conveyance propelled by human power other than a bicycle. A "Pedestrian" includes any person who is operating a self-propelled wheelchair, invalid tricycle, or motorized quadricycle and, by reason of physical disability, is otherwise unable to move about as a pedestrian.

(1.6.25) **Police Services Department.** Police Services is the "Police Department" for the San Jose – Evergreen Community College District. Police Services provides law enforcement, security, safety, crime prevention, and emergency services on District properties during the following hours: Monday thru Saturday 7:00 AM to 11:00 PM, Sunday 7:00 AM to 3:00 PM and District observed holidays 8:00 AM to 4:00 PM.

(1.6.26) **Prohibited Parking.** Restriction which may be designated and identified by the presence of signs prohibiting any vehicle, including a bicycle, whether occupied or not, to stop or park.

(1.6.27) **Reckless Skateboarding/Skating.** Reckless skateboarding/skating occurs when such activity may pose a significant risk of injury to another person, damage to District facilities, or damage to another person's property.

(1.6.28) **Red Zone.** Red curbing indicates that no stopping, standing or parking is permitted.

(1.6.29) **Registered Permit Holder(s).** A "Registered Permit Holder" is a person to whom a parking permit has been issued by Police Services.

(1.6.30) **Restricted Space.** Spaces which may be designated and identified by the presence of posted signs, curb markings, parking space markings or other similar devices commonly used to indicate motor vehicle parking spaces.

(1.6.31) **Roadway.** That portion of a highway improved, designed, or ordinarily used for vehicular travel. A highway is a way or place of whatever nature, publicly maintained and open to the use of the public for purposes of vehicular or bicycle travel. Roadway includes streets and parking facilities.

(1.6.32) **Segway.** A two-wheeled, self-balancing electrical device used for personal transport. These devices may be used on campus by persons with mobility related disabilities after securing a permit from Police Services.

(1.6.33) **Sidewalk.** Is that portion of a highway, other than the roadway, set apart by curbs, barriers, markings or other delineation for pedestrian travel (CVC 555).

(1.6.34) **Skating.** To propel one's self along on roller skates, inline skates, a skateboard or any similar device.

(1.6.35) **Space Markings.** Lines designating the boundaries of a parking stall or space within which vehicles are required to park.

(1.6.36) **Service Vehicle.** A "Service Vehicle" is any Motor Vehicle owned by the District or any other entity used for service, delivery or other business on District Properties.

(1.6.37) **Traffic.** Pedestrians, ridden animals, vehicles, bicycles and other conveyances either singularly or together, while using any highway or roadway for the purpose of travel.
