## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
San Jose/Evergreen Community College District  
San Jose, California

We have audited the accompanying financial statements of the San Jose/Evergreen Community College District (the District) as of and for the years ended June 30, 2005 and 2004, and its discretely presented component unit, San Jose/Evergreen Community College District Foundation (the Foundation), as listed in the table of contents. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the San Jose/Evergreen Community College District and its discretely presented component unit, San Jose/Evergreen Community College District Foundation, as of June 30, 2005 and 2004, and the respective changes in financial position and cash flows, for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The Management's Discussion and Analysis on pages 4 through 13 is not a required part of the basic financial statements, but is supplementary information required by the accounting principles generally accepted in the United States of America. This supplementary information is the responsibility of the District's management. We have applied certain limited procedures, consisting principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 21, 2005, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of or testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The supplementary information listed in the table of contents, including the Schedule of Expenditures of Federal Awards, which is required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The Additional Supplementary Information on pages 70 through 77 has been presented at the request of District management for purposes of additional analysis. We have applied certain limited procedures consisting primarily of analysis and inquiry regarding presentation; however, we did not audit the information. Accordingly, we express no opinion on them.
