## San José City College Metas

---

### What is Metas?

Metas is the SJCC program established through a Title V grant.

### What is Title V?

The Developing Hispanic-Serving Institutions (HSI) Program Title V assists eligible Hispanic-serving institutions of higher education to expand their capacity to serve Hispanic and low-income students.

The goal is to realize **institutional change** for the increased success of our Latina/o student population.

---

### Metas

Building student community and empowerment through shared experiences.
