

**San Jose · Evergreen Community College District
Academic Management Job Description**

Position: Associate Dean, Career and Technical Education

Department: Business & Workforce
Development

College: San Jose City College

Date: Dec. 10, 2014

POSITION PURPOSE

Under the direction of the Dean of Business and Workforce Development or assigned administrator, the Associate Dean of Career and Technical Education assists the Dean by providing overall supervision and administrative oversight for selected instructional programs and services focused on the delivery of career and technical education. The incumbent assists in administering the district's Carl D. Perkins Career and Technical Education (CTE) Improvement Act grant and other grants as assigned; manages use of funds and services; monitors programs for effectiveness; and ensures adherence to federal and state regulations in the use of funds. Emphasis will be placed on the growth potential of occupational/vocational programs, apprenticeships, articulation agreements and dual enrollment with area high schools as well as establishing partnerships with business and industry, and securing additional grants.

NATURE and SCOPE

The Associate Dean of Career and Technical Education will represent the college in state and regional occupational administrative groups and direct the development and coordination of potential partnerships with appropriate industries, high schools, community organizations and universities as they relate to career programs. The incumbent will assist in the interface of the college with state and federal agencies in efforts to be an educational force in economic and workforce development and to further student success.

KEY DUTIES and RESPONSIBILITIES

1. Provide coordination for the advancement of the Career and Technical Education (CTE) and apprenticeship programs, systematic assessment of student progress and learning outcomes, review and recommend changes to maintain relevance of programs to meet student and community needs.
2. Monitor assigned programs, file reports, and ensure compliance to regulations of federal and state agencies for the receipt and expenditure of funds.
3. Assist the Dean with the preparation of a schedule of classes to meet the needs of students and work with staff to produce accurate schedules, catalog information, program information and multi-year instructional plans.
4. Manage the Carl D. Perkins Career and Technical Education (CTE) Improvement Act grant and other state, federal and/or private grants consistent with District policy and sound financial management principles.
5. Recommend instructional and general policies, conduct meetings to facilitate planning and collegial decision-making, and keep staff informed about issues and projects for the overall College instructional program.
6. Maintain current knowledge of new trends and innovations in Career and Technical Education in community colleges and higher education.

7. Work with faculty, staff, and students to facilitate consensus and action on issues pertaining to instructional programs, including support services and technology utilization.
8. Initiate and oversee the development of career ladders and programs by working with college faculty, business and industry, advisory groups, and other appropriate organizations.
9. Facilitate maintenance of relevant curriculum appropriate to the college mission and promote/market the occupational programs.
10. Work with faculty and staff to assess students and continuously monitor their progress for success using appropriate data and research tools.
11. Provide administrative and technical support to the instructional service operations that may include curriculum, program approval, instructional facilities usage, and well-equipped facilities/labs for student practice.
12. Identify and prioritize program needs, secure available funding, and strategically allocate and reallocate resources.
13. Supervise and evaluate the performance of assigned support staff; interview and participate in selecting employees.
14. Assist the Dean in communicating with occupational administrative groups and partnerships with external agencies including business and industry.
15. Assist the dean to facilitate academic partnerships between division faculty, faculty in feeder high schools, and four-year transfer institutions; assure maximum course articulation for students.
16. Participate in strategic and long-range instructional planning for the College and the District.
17. Perform other related duties as assigned.
