- 2) From the start menu, launch the Outlook Desktop Client - **All Programs** -> **Outlook**.
Hint: You can pin the Outlook program to your taskbar by right-clicking on the icon and selecting "Pin to Taskbar".

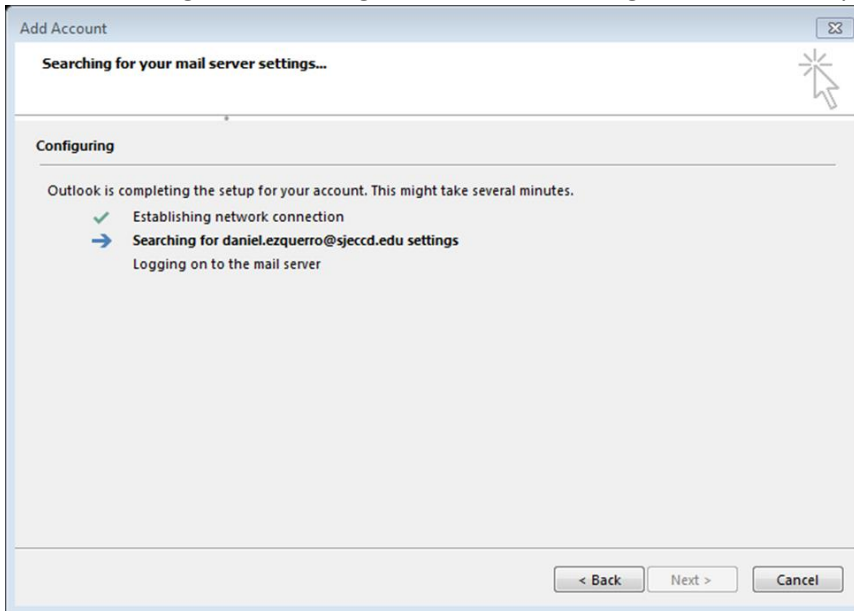

- 3) Click **Next >**

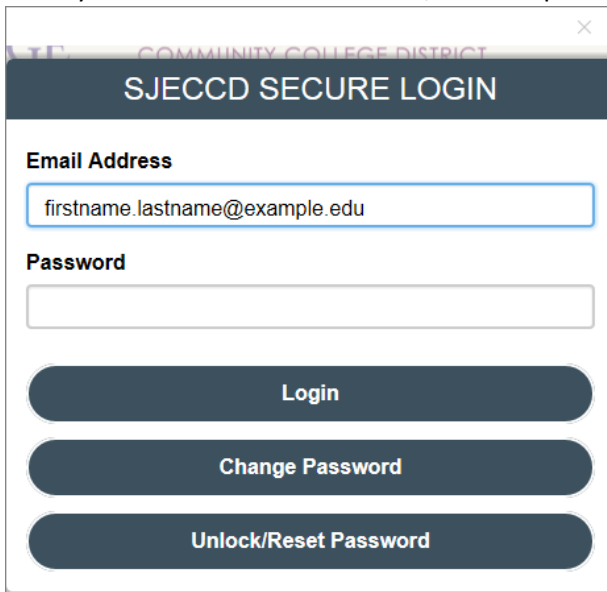

4) Select **Yes**; then click **Next >**5) If your name and email address are not already listed, enter your email address and password and then click **Next >**

Hint: The password is your email/network password that you use to login to the computer. Email format examples: `Firstname.Lastname@sjeccd.edu`, `Firstname.Lastname@evc.edu`, `Firstname.Lastname@sjcc.edu`

- 6) While searching for the settings, a SJECCD Secure Login screen should pop-up.

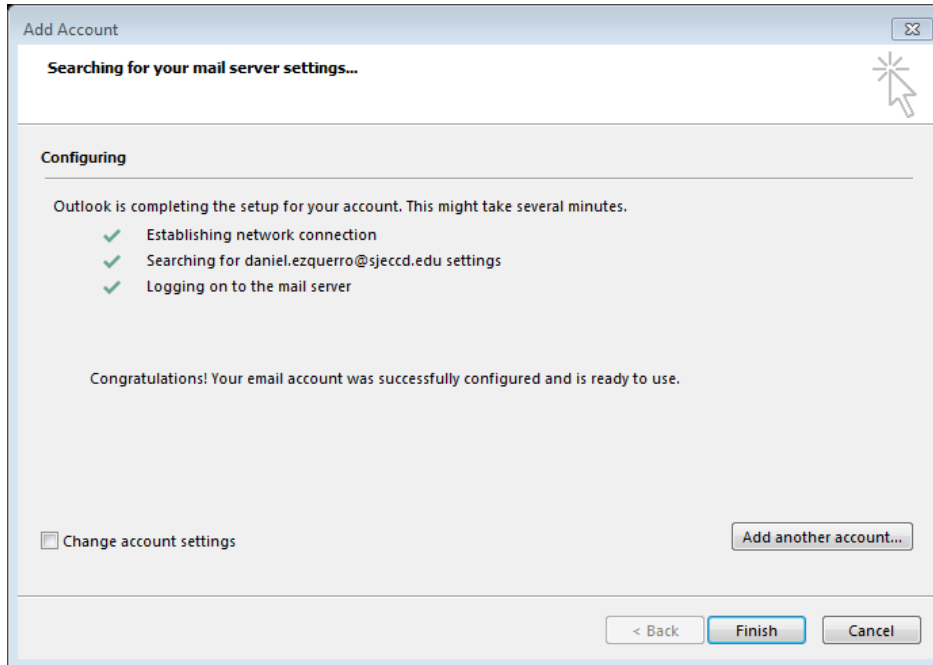

Enter your email address and email/network password and select **Login**.

A screenshot of the 'SJECCD SECURE LOGIN' form. The form has a dark header with the text 'SJECCD SECURE LOGIN'. Below the header, there are three input fields: 'Email Address' with the placeholder text 'firstname.lastname@example.edu', 'Password', and a third empty field. Below the input fields are three dark buttons with white text: 'Login', 'Change Password', and 'Unlock/Reset Password'. The form is enclosed in a light gray border with a close button (X) in the top right corner.

Hint: Email format examples: Firstname.Lastname@sjeccd.edu, Firstname.Lastname@evc.edu, Firstname.Lastname@sjcc.edu. The password is your email/network password that you use to login to the computer.

- 7) Congratulations, your email account should now be configured and ready to use.
Select **Finish**.

- 8) Outlook will open and your emails will start to sync/download. At the end of that process you should see status messages on the bottom stating: "All folders are up to date" and "Connected".
