I. INTRODUCTION

A. Philosophy

It is the philosophy of the San Jose/Evergreen Community College District that hiring procedures and guidelines be established which provide for the hiring of highly qualified people who are knowledgeable and skilled in their professional areas, in managing and directing administrative functions or academic programs, and who can successfully serve our students.

To that end, it is our philosophy that San Jose Evergreen Community College District follows an effective hiring process that ensures equal opportunity in employment.

Together it is a collective responsibility to ensure that equal employment opportunity procedures are central to all recruitment and hiring processes. Our entire District community shares the commitment and it is demonstrated by the participation of the Governing Board, District administration, faculty, staff, students and community members who commit time, energy and conviction to the search and selection of those who best meet the needs of our diverse student population, our community and our institution.

B. General Principles

The following principles shall guide all activities related to the screening and hiring of new employees:

1. The District actively seeks applicants who demonstrate the required technical expertise, preparedness, competence, respect, knowledge, and sensitivity that will enable them to effectively work in a multi-cultural, multi-lingual educational environment. The Board of Trustees, managers, faculty, and classified staff share the responsibility for assuring equal opportunity practices throughout the screening and selection process.
2. Hiring decisions shall comply with Federal and State laws, State administrative regulations, and the District commitment to equal opportunity, fairness, inclusion, respect of all candidates, and objectivity throughout the selection process.
3. Between the announcement of a vacant position and the hiring of the candidate, there is sufficient time to allow for a thorough, complete and thoughtful search.
4. All participants in the screening process receive the District's Title 5 compliant screening/selection committee training.
5. Screening committee membership shall be diverse, in order to broaden perspectives and to better represent the District commitment to equal opportunity.
6. After hiring decisions are made the decision will be communicated to the screening committee by the hiring manager (or designee).
7. The screening committees and hiring administrators shall maintain confidentiality throughout, and following completion of, the screening and hiring process.

II. IDENTIFICATION OF VACANT POSITIONS

Once a position has been identified, the Hiring Manager will initiate the Personnel Action Form (PAF) and circulate it for appropriate signatures. Once all relevant signatures are obtained, the PAF is sent to Employment Services to start recruitment.

III. DEVELOPMENT OF THE JOB ANNOUNCEMENT

To ensure equal employment opportunity and the integrity of the screening and hiring process, the job announcements will be developed through the participation of the appropriate personnel.

Employment Services will review the job announcement to assure overall compliance with legal standards and Board approved language, and will then prepare a final job announcement. The final document will be forwarded to the hiring administrator for a final review, and any substantive changes will be noted. The hiring administrator will notify Employment Services of its agreement with the final job announcement and the document will be prepared for publication.

Employment Services will provide a range of technical services, training and consultation, as appropriate, to assure that the job announcement, recruitment activities and screening/selection process, criteria, forms and documentation comply with applicable current laws and regulations, as well as District policies and procedures.

A. Elements of the Job Announcement

The job announcement shall include the following information:

- a. Minimum qualifications.
- b. Essential duties and responsibilities.
- c. Knowledge, skills and abilities.
- d. Desired qualifications.

- e. Standard (template) job announcement text that includes:
1. The Position (job title, department, location)
 2. Salary (special funding information)
 3. Assignment (time base, desired starting date)
 4. Legally-Mandated Statement (within the MQ section) if applicable
 5. Address Inquires and Applications Submission Section (closing date)
-
6. The Application Process (list of required application materials, which shall include the official district application form, cover letter, resume, transcripts-unofficial copies at the time of submission only, completed Equal Opportunity Employment Questionnaire-optional)
 7. Summary of Benefits
 8. Salary Placement Information
 9. District Statement of Commitment to Equal Employment Opportunity

IV. RECRUITMENT

Positions will be advertised as listed:

- Classified positions for a minimum of 14 days
- Management, Supervisor & Confidential positions for a minimum period of 21 days
- Academic positions for a minimum of 21 days

All job announcements shall indicate a “First Review Date” and then will be moved to an ”Open Until Filled” status. This posting language will allow committees to review applications while recruitment may continue.

Employment Services will generally recruit based on a Standard Recruitment Plan which provides for:

- a. The posting of the job announcement on the District’s web site and District email to all employees within the District and if applicable, on the California Community Colleges Job Registry; and posted in appropriate on-line or print media that ensure diversity is a priority, as well as target professional experts sources to support a rigorous recruitment effort.

b. Requests for expanded job announcement distribution through professional organizations, targeting mailing lists, or listing provided by the department/division.

c. Requests for additional advertising resources for specific outreach in a professional area and to ensure that all persons are provided the opportunity to seek employment with the district.

The ultimate goal is to develop a comprehensive recruitment plan which will ensure a diverse pool of well-qualified applicants.

V. APPLICATION PROCESS

A. District Application Form

All applicants, internal or external, must submit the current District Application Form as prescribed by Employment Services, to be considered for an opening.

B. Transcripts

One unofficial copy of transcripts must be submitted with the District application form and resume, showing minimum qualifications are met (for educational administrator positions, it must be in accordance with the publication titled "*Minimum Qualifications for Faculty and Administrators for the California Community Colleges*"). Transcripts may also be used by the screening committee for the purpose of determining whether a candidate meets the District minimum educational requirements that are beyond the State requirements (in the case of educational administrator positions). All applicants-internal and external are required to comply with the transcript requirement.

C. Open Until Filled

The First Review Date is considered the Closing Date for the committee's review of completed applications.

Employment Services will continue to accept applications which will be reviewed ~~only~~ under the following circumstances:

- If an insufficient number of applications are received by Employment Services.

- At the discretion of the screening committee, if the screening committee determines that additional applicants are necessary to continue with the selection process, Employment Services will be notified. Employment Services will forward all completed applications received since the First Review Date.

Re-opened searches are those that have proceeded to the point of screening committee deliberations. Under unusual circumstances, the decision to re-open a search signifies that the committee found no one in the applicant pool meeting established screening criteria for an interview, or meeting established criteria for recommendation for final interview.

VI. CLOSE OF THE RECRUITMENT PROCESS

A. Application and Minimum Qualification Review

At the close of the recruitment process, Employment Services will review for completed application and minimum qualifications of the application packets received. Employment Services reviews for minimum qualifications before submitting the applications to the screening committee. A notice will be issued to those applicants with incomplete packets. The remaining application packets will be prepared and released to the hiring administrator. If the screening committee is uncertain about the minimum qualifications of an applicant, the subject matter expert(s) on the committee shall make the determination.

B. Equivalency Determination

If an applicant requests equivalency, the hiring administrator is notified to contact the appropriate faculty members and consult with the Academic Senate.
