BID OPPORTUNITIES!

REQUESTING SUBCONTRACTOR BIDS

Clark/Sullivan Construction is requesting bids from **Design Assist Mechanical and Plumbing, Furnish and Install Controls, Test and Balance, Electrical and Low Voltage** subcontractors and suppliers for the Evergreen Community College – Language Arts Building Project in San Jose, CA.

The project is a new 47,235 square foot ground-up classroom building and funded through San José-Evergreen Community College District Measure X-2016.

Clark/Sullivan Construction and JK Architecture Engineering have formed a Design-Build Entity (DBE) under Clark/Sullivan Construction. Clark/Sullivan was approved by the SJECCD Board of Trustees on August 25, 2020 and awarded a contract for preconstruction services through the development of the Guaranteed Maximum Price (GMP.)

Small and Local Disadvantaged Businesses are encouraged to propose. This includes women owned (WBE), minority owned (MBE), veteran, religious minorities, disabled individuals, members of the LGBTQIA community or other underrepresented groups.

- Prevailing wages ARE required.
- Skilled & Trained Workforce Requirements ARE enforced on project.

Unscheduled site visits are not allowed. Interested subcontractors / suppliers must submit sealed bids on the Clark/Sullivan Bid Form **on or before THURSDAY, November 12, 2020 at 2:00PM**, to Clark/Sullivan Construction, 1340 Blue Oaks Blvd. Suite 150 Roseville, CA 95678.

Bids will also be accepted electronically by sending them to bids@clarksullivan.com. To access the project documents please go to <https://clarksullivan.com/pursuits-bids>.

Subcontractors are responsible to ensure that the bid is received by Clark/Sullivan Construction prior to the above time and date. You are also required to submit the Clark/Sullivan Subcontractor Prequalification Form.

Late proposals will not be accepted for any reason.
