SJECCD BUSINESS OPPORTUNITY WORKSHOP

Each year, San José · Evergreen Community College District spends millions of dollars in construction and non-construction goods and services to meet the education and career needs of our students and the community.

We want you to consider growing your business with us. We want our small and locally owned businesses to know more about our District's business opportunities so that you can be our vendors and contractors.

Thanks to SJECCD voters for passing Measure X to build new state-of-the-art facilities at Evergreen Valley College and San Jose City College, and to upgrade / renovate the Colleges and District's infrastructure and technology to improve student success.

For better preparations, please confirm your attendance date at sam.ho@sjcccd.edu or 408-375-2768. Contact: Sam Ho, MBA, Director of Community Relations, Communications, and Diversity/Business Outreach.
