WHEREAS, San Jose-Evergreen Community College District (the “District”) is devoted to providing an affordable, quality, well-rounded public education which provides workforce training and four-year college and university transfer opportunities to all students; and

WHEREAS, since the annual cost of attending the CSU system has risen to at least five times that of a community college and the cost of attending the UC system to at least ten times that of a community college, more students and their families rely on their local community college to save tens of thousands of dollars for a quality education; and

WHEREAS, despite the strength of the South Bay economy, many students are experiencing homelessness and food insecurity, which impedes their ability to receive the job training and career guidance required to access good-paying jobs in high demand industries; and

WHEREAS, great teaching and class offerings are the core of strong academic performance need for university transfer and career training; and

WHEREAS, in addition to supporting a high-quality faculty the District is committed to supporting its students to succeed in being trained for good-paying jobs and for transfer to a four-year university; and

WHEREAS, the South Bay Area is facing an unprecedented housing and affordability crisis, and many of our students are being forced to delay their education because they face food insecurity and hunger issues as well as experiencing homelessness; and

WHEREAS, the State does not provide the District with sufficient funds for the District to provide adequate financial aid to low-income students or students who are the first in their family to attend college; and

WHEREAS, continued stable local funding is needed to maintain our core transfer and job-training programs and provide an affordable alternative for working class students and their families to pursue their education; and

WHEREAS, Article XIII A, Section 4 of the California Constitution and Sections 50075 et seq., of the Government Code permit a community college district to impose a
parcel tax for specified purposes and to levy such tax following approval by at least two-thirds of the voters voting upon the proposition; and

WHEREAS, the Board of Trustees (the “Board”) of the District proposes to place a measure on the November 3, 2020 ballot to levy a local student support parcel tax upon parcels of land within the District for the purposes set forth in this Resolution; and

WHEREAS, the Board will apply all the proceeds of the parcel tax to support the students and faculty of both San Jose City College and Evergreen Valley College, for maintenance of academic programs essential to transfer to a four-year university and a good-paying career, and for uses as set forth in this Resolution, and will not use any of said proceeds for administrator’s salaries, benefits or pensions; and

WHEREAS, the parcel tax revenues will be controlled locally benefitting only San Jose City College and Evergreen Valley College and cannot be taken by the State or by other districts; and

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of the San Jose-Evergreen Community College District as follows:

Section 1. This Board finds and determines that the foregoing recitals are true and correct.

Section 2. This Board hereby proposes to levy a local control student support parcel tax to provide stable local funding the State cannot take away to:

• **Provide assistance to students to keep college affordable.**

• Better prepare students and workers for transfer to four-year colleges and universities;

• Maintain programs that prepare students for the good-paying jobs;

• **Provide financial aid to low-income students and students who are the first in their family to attend college;**

• **Provide affordable programs to students facing food insecurity and hunger;**

• **Support students experiencing homelessness;**

• Attract and retain a high-quality faculty;

• Provide assistance with the cost of student fees and books to help students graduate on time.

UNDER NO CIRCUMSTANCES SHALL ANY OF THE PROCEEDS OF THE STUDENT SUPPORT PARCEL TAX BE USED FOR ADMINISTRATORS’ SALARIES, BENEFITS OR PENSIONS.

Pursuant to Government Code Section 50075.1 the Board determines that the proceeds of the student support parcel tax shall only be applied for the purposes stated above.

Section 3. Subject to voter approval, a new $18 per parcel tax shall be levied, which will commence on July 1, 2021 shall be continued for nine (9) years from that date.

As used herein, the term “Parcel” means any parcel of land which lies wholly or partially within the boundaries of the District, for which the Santa Clara County Assessor Office (“Assessor”), issues a separate tax bill for ad valorem property taxes; provided, however, that any such parcels which are (i) contiguous, and (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership, may, by submitting an application of the owners thereof by June 15 of any year to the District be treated as a single parcel for purposes of the levy of this student support parcel tax.

Section 4. Subject to voter approval as set forth below, the parcel tax shall be levied commencing with the 2021-2022 (starting on July 1, 2021) fiscal year of the District, and shall be collected with, and in the same manner and subject to the same interest and penalties as, general ad valorem property taxes collected by the Santa Clara County Tax Collector (the “Tax Collector”). In accordance with the requirements of Government Code Section 50075.1(c), the District shall create a separate account into which the proceeds of the special tax shall be deposited.

Section 5. The levy and collection of the parcel tax is not intended to decrease or offset any increase in local, state or federal government funding sources that would otherwise be available to the District at any time during which the parcel tax may be levied. In the event that the levy and collection of the parcel tax does have such an effect, the District shall reduce the parcel tax levy to the extent of any such decrease or offset.

Section 6. The Board shall provide in each year (pursuant to Section 7902.1 of the Government Code) for any increase in the District’s appropriation limit as shall be necessary to ensure that proceeds of the parcel tax may be spent for the authorized purposes set forth in Section 2 above and Section 7 below.

Section 7. The Board hereby requests that the Santa Clara County Registrar of Voters submit the measure attached hereto as Exhibit B to the voters of the District and to print the entire Full Ballot Text in the ballot pamphlet to be published and mailed for the election scheduled for Tuesday, November 3, 2020.

The abbreviated text of the ballot proposition with respect to the foregoing measure shall read as shown in Exhibit A hereto.
The District's Chancellor, or designee, is hereby authorized and directed to make any changes to the text of the measure, or to the abbreviated form of the measure, as may be convenient or necessary to comply with the intent of this Resolution, the requirements of elections officials, and requirements of law.

Section 8. The measure set forth in Exhibits A and B shall be submitted to the voters of the District at an election to be held on November 3, 2020. If approved by at least two-thirds of the voters voting on the measure, the measure shall take effect on July 1, 2021.

Section 9. This Resolution shall stand as the order to the Santa Clara County Registrar of Voters to call an election within the boundaries of the District on November 3, 2020. This Board requests that the District election be consolidated with any and all elections to be held within the boundaries of the District on November 3, 2020. As provided in Elections Code Section 10403, the District acknowledges that the consolidation election will be conducted in the manner described in Elections Code Section 10418.

The Board hereby requests that the Santa Clara County Registrar of Voters or other appropriate election officials, take all actions which are necessary or appropriate in connection with the election, including, but not limited to, printing and mailing sample ballots, arguments and applications for absentee ballots, canvassing election returns and certifying the results of the election to the Board. The Board hereby agrees to reimburse Santa Clara County in full for any services performed by it for the District upon presentation of an invoice to the District.

Section 11. The Secretary of the Board is hereby authorized and directed to deliver a copy of this Resolution to the Santa Clara County Registrar of Voters, as well as the Clerk of the Santa Clara County Board of Supervisors, not later than August 7, 2020, and to give notice of the election by causing the Santa Clara County Registrar of Voters to publish the text of the measure and other items, not later than 15 days before the date of the election. The Secretary of the Board is hereby further authorized and directed to post a copy of this Resolution on or near the doors of the District Office and in three public places within the District for at least two weeks before the date of the election.

Section 12. If any section, subsection, phrase or clause of this Resolution is for any reason found to be invalid, such section, subsection, phrase or clause shall be severed from, and shall not affect the validity of, all remaining portions of this Resolution which can be given effect without the severed portion.

Section 13. The members of the Board are hereby authorized, but not directed, to prepare and file with the Santa Clara County Registrar of Voters a ballot argument in favor of the proposition contained in Section 7 hereof, within the time established by the Registrar.

Section 14. Subject to two-thirds approval of the District's voters, the parcel tax shall be collected by the Tax Collector, at the same time and manner and shall be subject to the
same penalties as *ad valorem* property taxes collected by the Tax Collector. The parcel tax shall bear interest at the same rate for unpaid *ad valorem* property taxes until paid.

**Section 15.** The chief fiscal officer of the District shall, pursuant to Government Code Section 50075.3, file an annual report to the Board of Trustees as provided herein accounting for the local control tax revenues collected and the manner in which they have been spent.

SAN JOSE-EVERGREEN COMMUNITY COLLEGE DISTRICT

To provide funding for programs which prepare students for transfer to four-year colleges and universities, provide local reliable funding that cannot be taken by the State, attract and retain high quality faculty, ensure an affordable education to local students and families, support homeless, hungry students, maintain programs to prepare students for good-paying jobs, provide counselors, provide financial aid to low-income students, with no proceeds used for administrators’ salaries, benefits and pensions, the San Jose-Evergreen Community College District (“District”) proposes a voter approved student support parcel tax for a period of nine years from starting date of July 1, 2021 at a rate of $18 per parcel per year, and to implement accountability measures, to ensure the funds are used to help:

- **Provide assistance to students to keep college affordable.**
- Better prepare students and workers for transfer to four-year colleges and universities;
- Maintain programs that prepare students for the good-paying jobs;
- **Provide financial aid to low-income students and students who are the first in their family to attend college;**
- **Provide affordable programs to students facing food insecurity and hunger;**
- **Support students experiencing homelessness;**
- Offer classes to all students to ensure that they are aware of the biases about different ethnic and racial communities and are trained to be part of a culturally competent workforce.

- Provide assistance with the cost of student fees and books to help students graduate on time.

The proceeds of the parcel tax shall be deposited into a separate account created by the District.
DEFINITION OF “PARCEL”

For purposes of the student support parcel tax, the term “Parcel” means any parcel of land which lies wholly or partially within the boundaries of the San Jose-Evergreen Community College District, that receives a separate tax bill for ad valorem property taxes from the Santa Clara County Assessor. All property that is otherwise exempt from or upon which are levied no ad valorem property taxes in any year shall be exempt from the educational and teacher excellence parcel tax in such year.

For purposes of this education parcel tax, any such “Parcels” which are (i) contiguous, and (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership may, by submitting to the District an application of the owners thereof by June 15 of any year, be treated as a single “parcel” for purposes of the levy of the educational and teacher excellence parcel tax.

REDUCTION IN TAX IF RESULT IS LESS OTHER GOVERNMENT SUPPORT

The collection of the student support parcel tax is not intended to decrease or offset any increase in local, state or federal government revenue sources that would otherwise be available to the District during the period of the parcel tax. In the event that the levy and collection does have such an effect, the District may cease the levy or shall reduce the parcel tax to the extent that such action would restore the amount of the decrease or offset in other revenues.

ACCOUNTABILITY MEASURES

In accordance with the requirements of Government Code Sections 50075.1 and 50075.3, the following accountability measures, among others, shall apply to the parcel tax levied in accordance with this Measure: (a) the specific purposes of the parcel tax shall be those purposes identified above; (b) the proceeds of the parcel tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the local control parcel tax must be deposited; and (d) an annual written report shall be made to the Board of Trustees of the District showing (i) the amount of funds collected and expended from the proceeds of the local control parcel tax and (ii) the status of any projects or programs required or authorized to be funded from the proceeds of the parcel tax, as identified above.
