Comments Regarding Redistricting Plan D4

Good evening.

I would recommend the following changes to Redistricting Plan D4:

Of the two areas of Trustee Area 5 which are east of Monterey Road, place the northern area into Trustee Area 4 and the southern area into Trustee Area 3.

Place the area of Trustee Area 4 which is west of Monterey Road into Trustee Area 5.

If any area of the Milpitas Unified School District is not in Trustee Area 1, it should be added to Trustee Area 1.

If any area of the Mount Pleasant Elementary School District is not in Trustee Area 2, it should be added to Trustee Area 2.

In regards to the boundary between Trustee Areas 5 and 6, it could be improved.

I do not necessarily agree with Plan D4’s Trustee Area 4 or Trustee Area 7.

Please see the next page for a demographic map of San Jose’s Little Saigon area.

Thank you.
Based on the 2020 Census, in the below map of San Jose’s Little Saigon area\(^1\) Hispanic majority or plurality areas are in navy while Asian majority or plurality areas are in green.\(^2\) Areas with no population are in gray. Demographic information for the areas in white is not presented.
