

New Automated Parking Pay Stations.

The new parking pay stations implemented by San Jose Evergreen Community College District will be available for use on January 22, 2018.

All Pay Stations will provide a permit that must be displayed on your dash at all times. The Cost is \$3.00.

Paid parking is enforced Monday through Saturday from 7:00 AM to 11:00 PM, on all District Properties. **Except holidays.**

The machines will accept, one dollar bills, Coins, Credit Cards (Master Card, Visa and Discover.) **Please note that change will not be provided.**

The first screen you see will ask you to choose your language. Once you choose your language, the next screen will ask you to insert \$3.00 payment. At this point you can either pay by cash, credit card or Coupon Code (if you have one).

After payment is received and validated (less than 15 sec) a ticket will print and can be obtained from the lower receipt tray. Please display this ticket face up on the left side (driver's side) of you dash board.

If you previously obtained a coupon code enter the space key and then you will be asked to enter your coupon code. Once this 7 digit code is validated you will receive a ticket to display on your dash.

You may also pay using your smart phone. In this case you will not have a permit, but your license plate will be registered as a valid plate in our enforcement products. (Full instructions provided in additional documentation.)
