Features

• Rave Guardian is comprised of 3 major features to help promote community safety.

Here are 3 big things you can do in this app that can really help improve your safety.

Set a Safety Timer. Set your timer and status to alert those you trust if you are alone or in an unfamiliar place.

Connect with Guardians. Quickly and easily connect with those you trust to help you out when you need them.

Make Emergency Calls and Send Text Tips. Call emergency officials if you are in trouble, and send text tips – including photos – if you see something suspicious.
Safety Timer

• Setting a Safety Timer allows your designated Guardians to be notified if your timer expires.

• You may want to set a Safety Timer if you plan to be out late, visit an unfamiliar area, meet with someone you don’t know, etc.
Guardians

• You can invite anyone with the Rave Guardian app to be your Guardian.
• Guardians can text, group chat, and call each other through the app.
• Guardians can be designated to receive notifications when someone sets a Safety Timer.
Emergencies & Tips

• The app allows the user to make direct calls to District Police as well as City Police.

• Users are able to text tips and photos related to campus safety to District Police.
