Date:  Wednesday, June 16, 2021
Time:  10:00 AM – 11:00 AM (PST)
Location:  Virtual - Please Register

https://flintbuilders.zoom.us/webinar/register/WN_VbZXNAsR6qA0qOEmtO

Description
The Career Education Complex is the flagship project of the San José Evergreen Community College District’s Measure X Bond Program. The project is divided into 2 phases.

• **Phase 1:** Modernization of Building 200, which is a 35,000 SF rectangular shaped building with high-bay industrial labs facing north and classrooms facing south.

• **Phase 2:** New Career Education Building around 91,000 SF. This project will unify the two structures to feel like a single complex.

BID OPPORTUNITIES!
REQUESTING SUBCONTRACTOR BIDS
