

**San Jose/Evergreen Community College District
Classified Management Job Description**

Position: Chief of Police

Department: Police

Location: District Office

Date: July 9, 2014

POSITION PURPOSE

As a sworn Peace Officer, and under direction of the Vice Chancellor for Administrative Services, the Chief of Police plans, organizes, coordinates and directs a District-wide police, safety and parking enforcement/management program. The Chief is also responsible for planning and coordinating Emergency Preparedness and Emergency Response district-wide, which include earthquakes, other natural disasters, Active Shooter, threats of violence, and crowd control.

NATURE AND SCOPE

The Chief of Police shall direct program objectives to protect the lives and property of students, faculty, staff, visitors, and the District through the efficient and effective delivery of public safety services; to maximize the protection of District personnel and facilities in accordance with Federal, State and local laws, codes and regulations as well as District public safety policies and procedures. The Chief of Police trains, manages, and evaluates the performance of assigned personnel.

KEY DUTIES and RESPONSIBILITIES

1. Plan, organize, coordinate and direct the District's police, safety and parking enforcement - management program compatible with the needs of the College campus communities and established District mission, goals and objectives; responds to public safety issues and concerns of District students and personnel.
2. Develop, direct and evaluate public safety program activities and operations consistent with federal, State and local laws, codes and regulations as well as District policies and procedures; plan and implement work processes which facilitate attainment of established program goals and objectives.
3. Direct the enforcement of all applicable laws to preserve the peace and protect lives, personal property and District facilities; in cooperation with college Presidents and other administrators, develop departmental policies, protocols and procedures; issue directives to meet public safety needs efficiently and effectively.
4. Provide for training opportunities consistent with State Peace Officer Standards and Training (P.O.S.T) requirements for assigned law enforcement, safety and support personnel. Provide continuous department training updates for CPR/First Aid/AED, sexual assault/Clery/SaVE Act, firearms training, SEMS/NIMS, and other necessary skills as required to maintain proficiency.
5. Coordinate District public safety activities with local and regional law enforcement agencies, District personnel and college staff; assure effective interface between dispatch personnel and implement backup policies to preserve the peace and protect lives and property.
6. Oversee the investigation of suspected criminal activities and major incidents which occur on District property; assure appropriate surveillance, collection and preservation of evidence, interrogation of suspects, victims and witnesses, and protection of the constitutional rights of all concerned.
7. Prepare and submit a variety of statistical and narrative reports, proposals, and other materials; assure the organization, preparation, maintenance and retention of public safety records and reports in accordance with legal requirements and District policies.

8. In coordination with the Facilities department, organize and direct District public safety and emergency procedures; confer with District administrators and custodial supervisors to develop comprehensive plans and procedures to assure that all District offices, classrooms, laboratories and other facilities are secured and locked to prevent property damage or loss.
9. Participate in planning and developing District parking enforcement regulations; plan and implement patrol schedules and citation procedures; plan and direct traffic control for special events and other peak traffic periods.
10. Prepare and administer annual program budgets; prepare recommendations and justifications regarding budget requests; authorize expenditures according to District policies.
11. Maintain current knowledge in the field of law enforcement and criminal justice; implement best practices of campus constituency-based policing protocols; participate in professional organizations, regional meetings and conferences and related activities.
12. Recommend and implement techniques to improve department procedures and practices, take advantage of opportunities to maintain state-of-the-art practices and technological equipment, keeping abreast of current trends and practices law enforcement, especially those applicable to educational institutions and community colleges.
13. Assess and determine department equipment needs, and able to prioritize those needs according to budget, safety, operational need, and mission.
14. Know and understand the dynamics of the community-at-large; maintains an effective community outreach and develop good public relations with the community.
15. Select, assign, orient, train, supervise, counsel, discipline and evaluate the performance of direct subordinates; delegate the responsibility for supervision of direct subordinates to the Police Lieutenant to assure efficient and effective performance; establish and monitor performance standards, priorities and expectations for assigned staff.
16. Provide leadership and demonstrate by example a community policing model for this District, including participation in committees, shared governance, crime prevention and other problem solving approaches to law enforcement in education.
17. Participate in preparation of state and federal grant applications. May be assigned to lead or participate in District-wide or college committees, initiatives, teams or ad hoc groups.
18. Perform related duties as assigned.
