From: Jorge L. Escobar, Vice Chancellor of Administrative Services, Interim
Subject: Proposed Adopted Budget for Fiscal Year 2019-2020

## Introduction

Enclosed for your information and approval please find the proposed Adopted Budget for Fiscal Year July 1, 2019 through June 30, 2020 (FY19-20.) The budget development process adheres to Education Code Section 70901 and Title 5 Section 58301 which require the submission of a Board approved budget to the State Chancellor's Office before September 15. The San Jose-Evergreen Community College District Adopted Budget reflects the Final State Budget as it is projected to apply to the District and the initial property tax figure provided by the Santa Clara County Tax Collector.

Aligned with our practice of transparency and inclusion of all members of the District community, on August 29, 2019, the District Budget Committee (DBC) reviewed this document at length, including the District's Audited actuals for FY2017-2018 and Unaudited Actuals for the General Fund 10 for FY2018-2019, the Adopted Budget for FY2019-2020, and Estimated Budgets for FY2020-2021 and FY20212022. It is important to highlight the high degree of collaboration from the DBC, which demonstrates experience and knowledge in the subject and promotes open dialogue to understand the complex information and the overall budget and expense management details. The Adopted Budget was discussed in context of key initiatives that we are pursuing, including: AB705; AB19; Dual Enrollment; Guided Pathways; Vision for Success; Promise Program; Resource Allocation Model; Strategic Planning, and the ACCJC accreditation efforts.

## The District

The San Jose-Evergreen Community College District (the "District") was established on July 1, 1964 and is located in Santa Clara County (the "County"), south of the San Jose International Airport. The District encompasses approximately 303 square miles in the heart of Silicon Valley, including a portion of the City of San Jose and all of the City of Milpitas. The District operates San Jose City College and Evergreen Valley College (together, the "Colleges"), each of which is fully accredited by the Accrediting Commission for Community and Junior Colleges (the "ACCJC").

## Key revenue source: County of Santa Clara Property Taxes

District property taxes are assessed and collected by the County at the same time and on the same tax rolls as county, city and special district property taxes. For fiscal year 2018-19, taxable property within the District showed an assessed valuation of \$150,932,460,635. Assessed valuations are the same for both District and county taxing purposes. (See table below: Assessed Valuations.)

Taxes are levied for each fiscal year on taxable real and personal property which is located in the District as of the preceding January 1. For assessment and collection purposes, property is classified either as "secured" or "unsecured" and is listed accordingly on separate parts of the assessment roll. The "secured roll" is that part of the assessment roll containing State assessed public utilities property and real property having a tax lien which is sufficient, in the opinion of the assessor, to secure payment of the taxes. Unsecured property is assessed on the "unsecured roll." Unsecured property comprises all property not attached to land, such as personal property or business property. Boats and airplanes are examples of unsecured property. A supplemental roll is developed when property changes hands or new construction is completed. The County levies and collects all property taxes for property falling within the respective county's taxing boundaries.

The valuation of secured property is established as of January 1 and is subsequently equalized in August. Property taxes on the secured roll are payable in two installments, due November 1 and February 1 of the calendar year. If unpaid, such taxes become delinquent after December 10 and April 10, respectively, and a 10\% penalty attaches to any delinquent installment plus any additional amount determined by the tax-collecting authority of the County.

## Student Centered Funding Formula

Assembly Bill 1809 ("AB 1809"), the higher education trailer bill passed as part of the State budget for fiscal year 2018-19, implemented a new funding mechanism for community college districts referred to as the "Student Centered Funding Formula," (the "SCFF"). The SCFF includes three components: (1) a base allocation (the "Base Allocation") driven primarily by enrollment, (2) a supplemental allocation (the "Supplemental Allocation") based on the number of certain types of low-income students, and (3) a student success allocation (the "Student Success Allocation") calculated using various performance-based metrics.

Our District will take into consideration as part of the Resource Allocation Model (RAM) different benchmarks, including the SCFF to measure the financial allocations to each of the District's entities.

## 2018-2019 Fiscal Year

The District finished FY2018-2019 with an unaudited ending fund balance of $\$ 22,772,576$ representing $18.09 \%$ of total expenditures. Total revenues for the fiscal year were $\$ 133,324,216$ and total expenditures were $\$ 125,858,746$. Major changes in revenue were based primarily on the ongoing property tax change of $5.87 \%$ representing increases in base property taxes, and a one-time allocation of $\$ 5,004,461$ generated by RDA Asset Liquidations. As a Community Funded College District, based on the final property tax figures and the calculation of what the District's state apportionment would have been, we received revenues in excess of the State apportionment entitlement in the amount of $\$ 39,934,871$.

Of the total expenditures for FY2018-2019, over $\$ 109$ million represents total personnel costs representing $87.11 \%$ of expenditures. The personnel figures were adjusted this year to include an average 3.5\% COLA for all employee groups, new costs of health and welfare insurance premiums, changes in staffing, step and column advancement, and additional costs associated with changes to statutory benefit rates including significant changes to STRS and PERS along with recognition of State contributions thereto.

## 2019-2020 Adopted Budget

For fiscal year 2019-20, the State Budget projects total general fund revenues and transfers of $\$ 138$ billion and total expenditures of $\$ 142.7$ billion. The State is projected to end the 2018-19 fiscal year with total available general fund reserves of $\$ 20.7$ billion, including $\$ 5.4$ billion in the traditional general fund reserve, $\$ 14.4$ billion in the BSA and $\$ 900$ million in the Safety Net Reserve Fund for the CalWORKs and Medi-Cal programs. For fiscal year 2019-20, the 2019-20 Budget projects total general fund revenues and transfers of $\$ 143.8$ billion and authorizes expenditures of $\$ 147.8$ billion. The State is projected to end the 2019-20 fiscal year with total available general fund reserves of $\$ 18.8$ billion, including $\$ 1.4$ billion in the traditional general fund reserve, $\$ 16.5$ billion in the BSA and $\$ 900$ million in the Safety Net Reserve Fund.

Revenues for the District are projected to be $\$ 129,460,486$ and expenditures (net of discount factor) are projected to be $\$ 129,744,605$ with an ending fund balance projected to be $\$ 22,488,458$ representing $17.33 \%$ of expenditures.

The projected decrease in revenues in this Adopted Budget from the prior year actuals are $\$(3,863,730)$. The revenues included in the adopted budget recognize the first property tax update from the Santa Clara County Tax Collector's Office representing an increase over the prior year base totaling $\$ 4,275,094$ or $4.25 \%$. Throughout the year, the District receives three additional updates to these numbers
plus a final true up figure when the books close. The past three years have seen ongoing property tax increases of $6.18 \%, 8.86 \%$ and $5.87 \%$ in FY2018-2019. Property tax revenue now represents approximately $80 \%$ of the Unrestricted General Fund 10 total revenue.

The projected increased expenditures in this Adopted Budget compared to the prior year actuals total $\$ 5,875,038$ and $\$ 3,885,858$ net of the $1.51 \%$ discount factor totaling $\$ 1,989,180$; the Adopted Budget for FY2019-2020 anticipates a net change in fund balance of (\$284,118).

## Future year's outlook

While at this time the District's fiscal outlook remains relatively strong, the District must continue to be cautious in its commitments and make long-term stabilization set-asides, while staying prudently and carefully managed. The District is now heavily, almost exclusively, property tax dependent. On the expenditure side, retirement costs for STRS and PERS continue to escalate and are closely monitored. The District experienced an increase of $8.84 \%$ in Blue Cross premiums in this budget year and an increase of $15.50 \%$ in Kaiser medical rates. With the move to SISC, Self- Insured Schools of California, our projected Tentative Budget premium increases are $6.10 \%$ for Blue Cross and $6.10 \%$ for Kaiser, as beginning in FY2019-20 we benefit from the larger purchasing power of SISC. Out-year projections will be based on the recent Self-Insured Schools of California premium increase history, which is likely attributed to the extensive purchasing power of this large Joint Powers Authority. These factors, included with the health care premium increases, consume a major share of annual property tax expansion.

Furthermore, in the out-years, the District is facing another significant cost increase with the ACA Cadillac Tax burden beginning in January 2022, estimated at $\$ 1.65 \mathrm{M}$, then annualizing in FY2022-2023 to approximately $\$ 3.3 \mathrm{M}$. These increased costs must be addressed with future revenue increases.

For planning purposes, as based on the Board Budget Principles, the District will maintain its long-term conservative posture and budget planning with property tax estimates growing at a rate of $3.5 \%$. This serves as a way to protect jobs, college programs, student success opportunities; to avoid potential significant unplanned reductions; and to remain prudent and responsible with spending commitments. This conservative revenue methodology functions as a budget stabilizer for this Basic Aid or Community-Supported District and helps offset the unrestricted general fund reserve until such time as the District Stabilization Fund, as designated by the Board of Trustees, is fully funded.

The fiscal outlook remains stable in the out-years. The out-year projections factor in a series of assumed revenue changes and expenditure changes including costs associated with step and column advancement, increased premium costs for health and welfare
benefits, statutory benefit cost changes and adjustments for the increased cost of the operating budget. With the transition to the SISC JPA for Health Care in FY 2018-2019 our health and welfare benefit premiums have begun to stabilize.

## Summary

The proposed FY2019-2020 Adopted Budget has been carefully reviewed by the District Budget Committee, projects an ending fund balance of $17.33 \%$, and is being presented to the Board of Trustees for approval.

As we continue to proactively plan for the district's financial sustainability, we must establish a connection of policy and outcomes to budgets. We also remain vigilant of key indicators and initiatives that have significant fiscal impact:

- Property Tax receipts (mix of residential and commercial roll)
- Resource Allocation Model implications of implementation
- State unfunded mandates and Vision for Success metrics
- Collective Bargaining efforts
- Health and Welfare premiums
- Strategic staffing needs
- The total cost of ownership linked to the construction of new facilities
- Strategic needs to upgrade infrastructure and digital transformation
- STRS and PERS pension employer rate increases - and OPEB
- The future impact of the ACA Cadillac Tax

In addition to these elements that are the major factors that will influence this budget and the District's financial future, we have to be strategic and take into consideration the new demands derived out of the total cost of ownership linked to the construction of new facilities, which will mainly result in increased staffing, ongoing maintenance, and preventive maintenance agreements.

7. Establish and maintain an employee salary and compensation structure that is competitive among the Bay 10 Community College Districts.
8. Maintain a minimum 7\% Unrestricted General Fund reserve consistent with board policy.
9. District Stabilization Fund

- Board authority required to access.
- Access during economic downturn.
- Access to avoid or delay staffing reductions for non-grant funded positions.
- Replenish in healthy fiscal times.
- Allocate $\$ 250,000$ in any given year when property taxes are above $6 \%$ and an additional $\$ 250,000$ in any given year when property taxes are above $7 \%$.
- Cap Stabilization Fund at $\$ 2.5 \mathrm{M}$.

10. Establish and maintain a balanced funding model that is centered on our mission, vision, values, Board Ends Policies, and strategic plan.

## General Funds

## GENERAL FUNDS

## Unrestricted General Fund 10

The Unrestricted General fund provides the resources necessary to sustain the day-to-day activities of the colleges and the district and pays for most operating expenditures district-wide.

## Revenues

The FY2019-2020 Adopted Budget assumes an increase in revenues of \$3,420,787 from the FY2019-2020 Tentative Budget attributed to an increase of $\$ 1,601,451$ in anticipated state revenues [primarily due to increases in STRS and PERS On-Behalf Contributions, which are a pass-through); an increase of $\$ 1,276,145$ in anticipated local revenues (primarily associated with property taxes), and an increase of $\$ 417,350$ in anticipated other financing sources (primarily associated with transfers-in from other funds to support indirect costs).

## Expenditures

The FY2019-2020 Adopted Budget reflects an overall 6\% increase (or $\$ 6,943,344$ ) in expenditures from the FY2019-2020 Tentative Budget. The assumptions include the following:

- A $21 \%$ increase (or $\$ 3,150,457$ ) in District-Wide expenditures to reflect primarily the following:
- Increases to:
- PERS and STRS "On-Behalf" Expenses
- Non-Instructional Supplies and Software
- Contract Services \& License Renewals
- Memberships \& Legal Expenses
- High Impact Programs (Promise)
- Reductions in:
- Bad Debt
- A $6 \%$ increase (or $\$ 1,023,279$ ) in District Services expenditures to reflect primarily the following:
- Increases to:
- Salaries \& Benefits
- Contract Services
- Training
- Other Services
- Contingencies
- Reductions in:
- Non-Instructional Supplies
- A $3 \%$ increase (or $\$ 1,304,392$ ) in San Jose City College expenditures to reflect primarily the following:
- Increases to:
- Salary \& Benefits
- Contingencies
- Reductions in:
- Contract Services
- Undistributed
- A 3\% increase (or $\$ 1,449,760$ ) in Evergreen Valley College expenditures to reflect primarily the following:
- Increases to:
- Salary \& Benefits
- Contingencies
- Reductions in:
- Conferences
- Undistributed
- Other Operating
- A $2 \%$ increase (or $\$ 15,455$ ) in San Jose Evergreen Community College Extension (Milpitas) to reflect primarily the following:
- Increases to:
- Salary \& Benefits
- Contingencies
- Reductions in:
- Utilities

## Reserve

The unaudited ending fund balance for FY2018-2019 was $18.09 \%$, which was an increase to the fund balance of $\$ 7,465,470$. The ending fund balance for FY2019-2020 is projected to be $17.33 \%$, which is a decrease of $\$ 284,118$, which is primarily attributable to one-time money (asset liquidation from the former San Jose Redevelopment Agency). Note that the FY2019-2020 projection does not include an assumption for a FY2019-2020 retroactive COLA.

## Education Protection Account (Propositions 30 \& 55)

The voters of California approved Proposition 30, the Schools and Local Public Safety Act of 2012, which created the Education Protection Account (EPA). This proposition expired in December 2018 and is succeeded by Proposition 55, which sustains the Education Protection Account through December 2030. Funds received from the EPA cannot be spent on administrative salaries and benefits or any other
administrative costs. The District estimates to receive $\$ 1,224,474$ from the EPA in FY2019-2020, which is included in the FY2019-2020 Adopted Budget.

The Board of Trustees is required to make a spending determination in open session of a public meeting. Accordingly, the Board of Trustees by way of approving the FY2019-2020 Adopted Budget, determines that the funds received from the Education Protection Account be offset by instructional expenditures included in the FY2019-2020 Adopted Budget.

## Parking Fund 11

The Parking Fund was augmented by the Unrestricted General Fund 10 to support operations by $\$ 103,483$ in FY2011-2012. On April 10, 2012, the Board of Trustees authorized an increase to parking permits and daily parking fees to mitigate the reliance of the Unrestricted General Fund 10. As a result of this action coupled with vacancies, the Parking Fund had a positive ending fund balance in the subsequent fiscal years; however, the fund is once again running a deficit and required an augmentation from the Unrestricted General Fund 10 to support operations in FY2015-2016 in the amount of $\$ 99,647$, in FY2016-2017 in the amount of $\$ 411,692$, in FY2017-2018 in the amount of $\$ 579,687$, and in FY2018-2019 in the amount of $\$ 615,178$. The projection for $\mathrm{FY} 2019-2020$ is $\$ 757,924$ and will be updated as revenues and expenses are recognized throughout the year.

## Financial Stabilization Fund 12

On February 24, 2015, the Board of Trustees authorized the creation of this fund. On February 13, 2018, the Board of Trustees established parameters on providing resources to this fund and further refined parameters on fund utilization, which were originally established on February 23, 2016. Based upon these parameters, there was no additional transfer into Fund 12 from the Unrestricted General Fund 10 in FY2018-2019 bringing the fund balance to $\$ 1,250,000$.

## Student Success Enhancement Fund 14

Established in FY2015-2016, the Student Success Enhancement Fund receives partial revenues ( $\$ 25,000$ annually) from the land lease payments from the Evergreen Marketplace II retail development and future revenues associated with the land development project of some of the vacant parcels located adjacent to Evergreen Valley College. The objective of these revenues are to provide a funding source for innovative projects focused on closing the achievement gaps aligned with the Board of Trustees' End Policies. The increase in revenues for FY2017-2018 and FY2018-2019 are a result of the exclusive negotiated agreement between the District and Republic Urban Properties.

## Facility Rental Auxiliary Fund 15

The Facilities Rental Auxiliary Fund was established in FY2010-2011 to track facilities rental fees received and to track corresponding costs associated with rental activities. Activity within this fund is limited to facilities rental activities; however, fund balances may be transferred to other funds to support shortfalls or other expenditures.

The revenues and expenditures within this fund associated with District Services represent the activities associated with the tenants at the District Office. District Services transferred $\$ 109,961$ to the Unrestricted General Fund 10 in FY2018-2019 leaving an ending fund balance of $\$ 191,470$. District Services is anticipating transferring $\$ 197,000$ in FY2019-2020 to cover the costs associated with parking at District Services.

San Jose City College did not make a transfer to the Unrestricted General Fund 10 in FY2018-2019 leaving an ending fund balance of $\$ 738,138$. San Jose City College is anticipating transferring $\$ 550,000$ in FY2019-2020 to augment their general operating budget.

Evergreen Valley College did not make a transfer to the Unrestricted General Fund 10 in FY2018-2019 leaving an ending fund balance of $\$ 741,860$. Evergreen Valley College is not anticipating a transfer in FY2018-2019 to augment their general operating budget.

## Community College Center for Economic Mobility (CEM) 16

The Community College Center for Economic Mobility (formerly known as the Workforce Institute) made a contribution of \$275,000 to the Unrestricted General Fund 10 in FY2009-2010 and $\$ 411,000$ in FY2010-2011. Beginning in FY2011-2012, the District and the CEM agreed that the CEM would annually transfer $15 \%$ of its operating profit (defined as annual revenues in excess of annual expenditures) to the District, which was $\$ 70,788$ in FY2011-2012. The CEM ran a deficit in FY2012-2013 through FY2014-2015. In FY2015-2016 transfers begin again with $\$ 6,383$. In FY2016-2017 the CEM once again ran a deficit. In FY2017-2018 the CEM transferred $\$ 16,104$ and in FY2018-2019 the CEM transferred $\$ 65,079$ to the Unrestricted General Fund 10 to offset centralized service costs (e.g., payroll, utilities, etc.). It is currently projected that $\$ 0$ will be transferred in FY2018-2019 but will be re-evaluated as revenues and expenses are booked throughout the year.

## Categorical and Grant Fund 17

The District continues to see an increase in restricted resources. The FY2019-2020 Adopted Budget estimates the following resources, some of which are unspent carry forwards from prior year(s):

- District Services $=\$ 1,007,180$
- San Jose City College = \$15,433,783
- Evergreen Valley College $=\$ 18,009,766$
- Community College Center for Economic Mobility $=\$ 1,628,366$

The State has consolidated Basic Skills, Student Success \& Support Program, and Student Equity effective July 1, 2018. This new categorical is titled Student Equity and Achievement.

## Categorical Flexibility

For categorical programs in the flexibility category, funding allocations for each district are set at the same amount received by the District in FY2008-2009, less the FY2009-2010 reduction. This allocation methodology, as well as the flexibility, was locked in through FY2012-2013. As part of the FY2011-2012 State Budget, the Governor extended this flexibility for an additional two years through June 2015.

San Jose City College elected to exercise this flexibility by transferring $\$ 34,308$ since FY2011-2012 from the Childcare Tax Bailout Program to supplement the Disabled Student Program (DSPS). San Jose City College also elected in FY2012-2013 to transfer\$17,394 from the Apprenticeship program to supplement the Student Success and Support program (previously known as the Matriculation program).

Evergreen Valley College elected to exercise this flexibility by transferring $\$ 56,624$ in FY2012-2013 from the Student Success and Support Program to supplement the Extended Opportunities Programs and Services program (EOPS).

The District has in the past elected to transfer $\$ 30,000$ from the PT Faculty Parity Pay Categorical Program and move $\$ 15,000$ to EOPS and $\$ 15,000$ to DSPS. Total PT Parity Pay was not affected by this change. These transfers trigger overall categorical flexibility per ABX4.2.

Currently categorical flexibility is disallowed.

## Student Health Fees Fund 18

The Student Health Fee Fund was augmented by the Unrestricted General Fund 10 to support operations at Evergreen Valley College by $\$ 14,830$ in FY2010-2011 and was augmented by MAA Funds to support operations at San Jose City College by $\$ 25,082$ in FY2010-2011. Both campuses responded by reducing the expenditure budget for FY2011-2012. On February 14, 2012, the Board of Trustees authorized an increase to the student health fee by $\$ 1$ (from $\$ 17$ to $\$ 18$ per semester) based upon the Implicit Price Deflator Index. As a result of these actions, the Student Health Fee fund was structurally balanced in FY2011-2012.

However, in FY2012-2013 the Unrestricted General Fund 10 once again augmented the Student Health Fee Fund in the amount of $\$ 37,125$ ( $\$ 32,006$ to support operations at San Jose City College and $\$ 5,119$ at Evergreen Valley College). On January 4, 2014, the Board of Trustees authorized an additional increase to the Student Health Fee by $\$ 1$ (from $\$ 18$ per semester to $\$ 19$ per semester) based upon the Implicit Price Deflator Index. Despite this action, San Jose City College required an augmentation of \$29,041 in FY2013-2014 and an augmentation of \$9,472 in FY2014-2015 from the Unrestricted General Fund 10.

On April 4, 2017, the board of Trustees authorized an increase to the student health fee by another $\$ 1$ (from $\$ 19$ per semester to $\$ 20$ per semester) based upon the Implicit Price Deflator Index. Both campuses ended FY2015-2016, FY2016-2017 and FY2017-2018 with a surplus (San Jose City College $=\$ 39,261, \$ 6,792$ and $\$ 49,615$ respectively. Evergreen Valley College $=\$ 65,839, \$ 29,265$ and $\$ 24,180$ respectively).

Both campuses ended FY2018-2019 with a positive ending fund balance (San Jose City College $=\$ 118,966$ and Evergreen Valley College $=\$ 50,997$ ) and both colleges are projecting a balanced budget for FY2019-2020.

## Capital/Bond <br> Project Funds

## CAPITAL / BOND PROJECT FUNDS

## Funds 36, 42, 43, 44, 45, 46, and 47

In November 2010, the voters reaffirmed their commitment to the District with the passage of Measure G (known as Measure G-2010), a local general obligation bond, in the amount of $\$ 268$ million.

Once again, in November 2016, the voters expressed their support and commitment to the District with the passage of Measure X , which provided an additional authorization of $\$ 748$ million in local general obligation bonds

Both measures are governed by Proposition 39 which requires a $55 \%$ voter approval threshold and carries the requirement of a citizens' bond oversight committee, which provides review described by law and delivers annual reports to the Board of Trustees.

The revenues in the Capital Outlay Fund 36, which is not a general obligation bond fund, are received from redevelopment agency passthrough funds, capital outlay fees, and Proposition 39 - Clean Energy Act funds and are to be spent on beautification, minor capital projects and clean-energy projects in an effort to reduce the District's carbon footprint.

Fund 42 has been established to track expenditures related to the Measure G-2010 Series B bond program (also referred to as the Technology and Small Capital Projects Endowment); and Fund 44 has been established to track revenues and expenditures related to the June 2016 sale of the remaining authorization for Measure G-2010 bonds (Series D). Measure G-2010 Series C has been fully expended so there is not an adopted budget for FY2019-2020.

Funds 45 and 46 have been established to track expenditures related to the Measure $X$ Series $A$ bond program (non-taxable bonds) and Measure X Series A-1 bond program (taxable bonds), respectively. Fund 47 illustrates the remaining authorization of $\$ 663$ million of yet-to-be-sold bonds.

## Special Revenue Funds

## SPECIAL REVENUE FUNDS

## Cafeteria Fund 70

The Cafeteria Fund includes commission from food services vendors and costs associated with support of the food services operations at the colleges. The ending fund balance for FY2018-2019 ( $\$ 56,847$ ) is mostly budgeted in contingency to remedy any unforeseen expenditures during the fiscal year.

## Child Development Fund 72

The Child Development Fund represents the operation of the SJCC Child Development Center, which was closed beginning FY2011-2012. The Child Development Fund was augmented by the Unrestricted General Fund 10 to support operations in FY2010-2011 by \$211,902. There was no activity in FY2017-2018 or FY2018-2019; however, it is anticipated that the $\$ 483,434$ revenues and expenditures budgeted in FY2019-2020 represent a pass-through to a third-party vendor to provide services during the center's closure.

In FY2011-2012 through FY2014-2015, San Jose City College elected to exercise the ability to transfer funding from one categorical program to another (known as flexibility) by transferring $\$ 34,308$ from the Childcare Tax Bailout Program to supplement the Disabled Student Program (DSPS).

## Retiree Benefit Fund 81

The Retiree Benefit Fund was established to record land lease payments from the Evergreen Marketplace II retail development and to begin accumulating resources to offset the long-term retiree medical benefit liability. Once the OPEB Bonds were sold and the Trust Fund was established, this fund was used to accept the transfer in from the OPEB Trust Fund 75 to pay retiree medical benefits, which were $\$ 3,381,455$ in FY2018-2019 and are anticipated to be \$3,587,724 in FY2019-2020.

## Long-Term OPEB Debt Fund 85

The Long-Term OPEB Debt Fund pays the debt service to the OPEB bondholders. The Unrestricted General Fund 10 started making significant transfers in to this fund beginning in FY2012-2013 to support this on-going debt service. On March 13, 2012, the Board of Trustees authorized the remarketing of the OPEB bonds, which decreased the anticipated debt service obligation from the Unrestricted General Fund 10 by $\$ 325,400$ in FY2012-2013 from $\$ 1,108,580$ to $\$ 783,180$. The debt service obligation from the Unrestricted General Fund 10 increased from $\$ 783,180$ in FY2012-2013 to $\$ 1,958,052$ in FY2013-2014 and $\$ 1,953,150$ in FY2014-2015 as the fund balance in Fund 81 was depleted. ## 50 Percent Law

Section 84362 of the Education Code, commonly known as the Fifty Percent Law, requires that a minimum of $50 \%$ of the District's current expense of education be expended during each fiscal year for "salaries of classroom instructors." Salaries include benefits and the salaries of instructional aides.

## Abatements

The cancellation of part or all of a receipt or expense previously recorded.

## Accounts Payable

Amounts due and owing to persons, business firms, governmental units or others for goods and services purchased and received but unpaid on June 30.

## Accounts Receivable

Amounts due and owing from persons, business firms, governmental units or others for goods and services provided but uncollected prior to June 30.

## Apportionments

Allocation of state or federal aid, local taxes or other moneys among school districts or other governmental units.

## Appropriations

Funds set aside or budgeted by the state or community college for a specific time period and specific purpose.

## Appropriation for Contingency

funds. Expenditures are not to be made from this category. Rather, transfers are made as required to the appropriate expenditure categories.

## Appropriation Limit

See Gann Limitation

## Assessed Valuation

A value of land, residential or business property, set by the County Assessor for property tax purposes. The value is the cost of any newly build or purchased property, or the value on March 1, 1975, or continuously owned property plus an annual increase of up to $2 \%$. (See Proposition 13) The assessed value is not equivalent to the market value, due to limitations of annual increase.

## Associated Students Funds

These funds are designated to account for moneys held in trust by the District for organized student body associations established pursuant to Chapter 1, Division 7, Part 47, of the Education Code (commencing with Section 76060).

The governing board must provide for the supervision of all moneys raised by any student body or student organization using the name of the college (ECS 76065).

## Audit

## Balance Sheet

A statement that shows assets, liabilities, reserves and fund balance of the community college district as of a specified date. It

## Glossary of Accounting Terminology

exhibits the financial condition of a district. Balance sheets are provided in the CCFS311 report and in the District's external auditor's report.

## Basic Skills

The program provides funding for precollegiate courses to correct skills deficiencies.

## Board Financial Assistance Program (BFAP)

The purpose of BFAP is to offset the impact of the mandatory community college enrollment fee on low-income students who cannot afford to pay.

## Bonded Indebtedness

A district's debt obligation incurred by the sale of bonds.

## Bookstore Fund

This fund is an enterprise fund designated to receive the proceeds derived from the District's operation of the colleges' bookstores. All necessary expenses, including salaries, wages and cost of capital improvement, for the bookstore may be paid from generated revenue.

## Budget Document

A written statement translating the educational plan or programs into costs, usually for one future fiscal year, and estimating income by sources to meet these costs.

## Capital Outlay

Capital outlay expenditures are those which result in the acquisition of or addition to fixed assets. They are expenditures for land
or existing buildings, additions to buildings, remodeling of buildings, or initial or additional equipment. Construction-related salaries and expenses are included.

## CARE

Cooperative Agencies Resources for Education, established in 1982 to provide educational support services to Extended Opportunity Programs and Services (EOPS) students who are welfare-dependent single parents with preschool-aged children. CARE provides academically high-risk students with educational support services, including supplemental counseling and advisement, peer support and networking with other single parents, and special classes and activities designed to enhance their personal development, self-esteem, parenting skills, and employability.

## Categorical Funds

Money from the state or federal government granted to qualifying districts for special programs, such as Matriculation or Vocational Education. Expenditure of categorical funds is restricted to the fund's particular purpose. The funds are granted to districts in addition to their general apportionment.

## Child Development Fund

Collective Bargaining - SB 160 (1975)

## Glossary of Accounting Terminology

which sets the manner and scope of negotiations between school districts and employee organizations. The law also mandates a regulations board. (See PERB)

## Consumer Price Index (CPI)

A measure of change in the costs of living compiled by the United States Bureau of Labor Statistics. Consumer price indices are calculated regularly for the United States, California, some regions within California and selected cities. (See Gann Limit)

## COP (Certificates of Participation)

COPs are used to finance the lease/purchase of capital projects. Essentially, they are the issuance of shares in the lease for a specified term.

## Costs

The California Community College Accounting Manual gives specific guidelines as to what costs shall be considered direct, direct support or indirect support, and how they shall be accounted for.

## Costs, Direct

Costs charged to a program most clearly identified with the program.

## Costs, Direct Support

Charges which constitute a reallocation of portions of the direct costs accumulated in support programs for services rendered directly to other programs. Examples might be for maintenance or printing services costs charged back to a college or department.

## Costs Indirect Support

Those costs of support programs remaining after the direct and direct support costs have been identified.

## Current Assets

Assets that are available to meet the cost of operations or to pay current liabilities.

## Current Expense of Education

Usually regarded as expenses other than capital outlay, community services, student transportation and categorical funds.

## Current Liabilities

Amounts due and payable for goods and services received prior to the end of the fiscal year.

## Debt Service Funds

Funds used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

## Deferred Maintenance

Major repairs of buildings and sites which have been postponed by districts, usually due to a shortage of funds. For several years, the State has provided special funding to community colleges for approved projects. The State provides for half the cost and the District provides the other half. In instances of financial hardship, some districts may qualify for $90 \%$ State funding.

## Defunding (or BA Defunding)

This is the term applied to the proposal to eliminate all apportionment support for students who already have earned baccalaureate or graduate degrees and are taking community college courses for credit.

## Disabled Student Programs and Services (DSP\&S)

## Glossary of Accounting Terminology

federal agency must certify that they will provide a drug-free workplace.

## Employee Benefits

Amounts paid by the community college district on behalf of employees. These amounts are not included in the gross salary, but are over and above. They are fringe benefit payments and, while not paid directly to employees, they are nevertheless a part of the employee costs. Examples are group health or life insurance payments; contributions to employee retirement systems (STRS or PERS); OASDI (Social Security) and Medicare taxes; workers' compensation; and unemployment insurance.

## Encumbrances

Obligations in the form of purchase orders, contracts, salaries and other commitments that have been made but not yet paid.

## EOPS

Extended Opportunity Programs and Services. Amounts apportioned for the purpose of providing allowable supplemental services through EOPS to encourage enrollment of students handicapped by language, social and/or economic disadvantages.

## Equalization Aid

State funds, included in the General Apportionment, to help bring up a District's fund to the statewide average.

## Excess Tax Revenue

Tax revenues which are greater that a governmental entity's allowable Gann Appropriation limitation. The State had excess revenues a few years ago, and had to return money to the taxpayers. Proposition 98 revised the formula, and it is unlikely that excess revenues will be realized during the 1990's.

## Faculty and Staff Diversity

Funding is provided to local districts to assist them in meeting the costs related to affirmative action. The goal is to achieve, by the year 2005, a work force that will reflect proportionately the adult population of the state.

## Fiscal Year

Twelve calendar months; in California, it is the period beginning July 1 and ending June
30. Some special projects use a fiscal year beginning October 1 and ending September 30 , which is consistent with the federal government's fiscal year.

## Fixed Assets

Property of a permanent nature having continuing value; i.e., land, buildings and equipment.

## Full-time Equivalent Student (FTES)

The number of students in attendance as determined by actual count for each class hour of attendance or by prescribed census periods. Every 525 hours of actual attendance counts as one ADA. The number 525 is derived from the fact that 175 days of instruction are required each year, and students attending classes 3 hours per day for 175 days will be in attendance 525 hours. That is, 3 times 175 equals 525 . FTES has replaced ADA.

Districts complete Apportionment Attendance Reports (CCFS-320) and Apprenticeship Attendance Reports (CCFS321) to report attendance. These are carefully reviewed by auditors. The importance of these review lies in the fact that the two reports serve as the basis for allocation State General Apportionment to community college districts.

## Funds, Restricted

Those moneys designated by law or a donor

## Glossary of Accounting Terminology

agency for specific purposes, such as Matriculation, Vocational Education or Heath Services. Some restricted fund moneys which are unspent may be carried over to the next fiscal year. The use of carryover moneys is usually limited by law to the specified purpose(s) for which the moneys were originally collected.

## Funds, Unrestricted

Generally, those moneys of the General Fund that are not designated by law or a donor agency for a specific purpose. Unrestricted funds may need to be accounted for separately or may have been designated by the Board for a specific purpose, but they are still legally regarded as unrestricted since the designation may be changed at the Board's discretion.

## GAIN

Greater Avenues for Independence (GAIN) is a comprehensive effort by the State of California to provide education, job and support services to eligible welfare recipients. The California Community Colleges is one of the major systems that provides GAIN services to welfare clients, in cooperation with county welfare departments.

## Gann Amendment

An initiative passed in November 1979 adding Article XIIIB to the California Constitution. It establishes limits on annual appropriations from the proceeds of taxes by the State, cities, counties, school districts and most special districts. Implementing legislation, SB 1352 (Marks), was passed in 1980. Proposition 98, approved by the voters in November 1988, made modifications to the Gann Amendment.

## Gann Limitation

A ceiling on each year's appropriations supported by tax dollars. The limit applies
to all governmental entities, including school districts. The base year was 1978-79. The amount is adjusted each year, based on a price index and the growth of the student population.

## General Ledger

A basic group of accounts in which all transactions of a fund are recorded.

## General Purpose Tax Rate

The District's tax rate, determined by statute as interpreted by the County Controller. The base rate was established in 1978, after the passage of Proposition 13, and changes have occurred based on a complex formula using tax rate areas.

## Governmental Funds

These are accounting segregations of financial resources for attaining institutional objectives. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used.

Governmental accounting measurements focus on determining financial flow of operating revenues and expenditures, rather than net income.

## Income

Includes both revenue and non-revenue receipts. Revenue receipts are derived from taxation. Non-revenue receipts come from the sale of an asset, product or service. The General Apportionment is revenue; money from community education registration is income.

## Inflation Factor

Adjustments for inflation which are prescribed by law for school district apportionments. The factor is more commonly referred to as the COLA (cost of living adjustment).

# Glossary of Accounting Terminology 

LEA

## Leveling Up

Increasing the level of per-student expenditure statewide toward that of the higher spending districts.

## Low Expenditure Districts

Districts whose General Apportionment per student is less than the state average for similar size districts. Low expenditure districts are allowed a larger inflation adjustment to their General Apportionment than high expenditure districts. Most low expenditure districts were formerly called "low wealth" because of their low assessed valuation per ADA. Neither "high" not "low" refers to the income of district residents.

## Mandated Costs

School district expenses which occur because of federal or state laws, decisions of state or federal courts, federal or state administrative regulations, or initiative measures. (See SB 90, 1977.)

## Matriculation

The Seymour-Campbell Matriculation Act of 1986 was enacted through Chapter 1467 of the California Statutes of 1986. The purpose of matriculation is to promote and sustain the effort of students to reach their educational goals through a program of support services tailored to the needs of the individual students. Students are obligated to express at least a broad educational intent at entrance, and to declare a specific
educational objective within a reasonable time after enrolling.

## Minimum Qualifications and Hiring Criteria

Chapter 973, Section 28, of the Statutes of 1989, requires a Board of Governors to establish and maintain minimum qualifications for hiring community college faculty. Further, the Board is to establish a process to review, at least every three years, the continued appropriateness of such qualifications and the adequacy of the means by which they are administered.

## Nonresident Tuition

A student who is not a resident of California is required, under the uniform student residency requirements, to pay a tuition fee as prescribed by ECS 76140. The fee shall not be less than the average statewide cost per student.

## Objects of Expenditure

Objects of expenditure are articles purchased or services obtained by a school district, such as:

Certificated Salaries (object series 51000) Includes expenditures for full-time, parttime and prorated portions of salaries for all certificated personnel.

Classified Salaries (object series 52000) Includes expenditures for full-time, parttime and prorated portions of salaries for all classified personnel.

## Proceeds of Taxes

Defined in the Gann Amendment as
revenues from taxes plus regulatory licenses, user charges and user fees, to the extent that such proceeds exceed the costs reasonably borne in providing the regulation, product or service.

## Program-Based Funding

Under the provisions of AB 1725, beginning in 1991-92 community colleges were no longer funded on the basis of ADA. Rather, the allocation of General Apportionment revenue resources is based upon "workload" measures in the categories of: Instruction, Student Services, Instructional
Administration, Facilities and Instructional Administration.

## Proposition 4 (1979)

See Gann Amendment

## Proposition 13 (1978)

An initiative amendment passed in June 1978 which added Article XIIIA to the California Constitution. Tax rates on secured property are restricted to no more than $1 \%$ of full cash value. The measure also defines assessed value and the voting requirements to levy new taxes.

Senate Bill 90 (1977), Chapter 1135/77
A law passed by the California legislature in 1977 which allowed districts to submit claims to the State for reimbursement for increased costs resulting from increased services mandated by the State or by executive orders. Mandated cost provisions were added to the California Constitution upon the passage of Proposition 4 in 1979.

## Serrano-Priest Decision

The California Supreme Court decision which holds that a school finance system that relies heavily on local property tax is discriminatory and, therefore, in violation of the California Constitution. The Court said
that the level of spending for a student's education must not be a function of the property wealth of the district in which the student lives. Shortly after this decision (1972), funding for K-14 education changed from a property tax/assessed valuation system to a revenue limit per-student system. The per-student funding system exists basically as it has since then, with the most fundamental change occurring in 199192 when program-based funding was imposed.

## STRS

State Teachers' Retirement System. State law requires that school district employees, school districts, and the State, contribute to the fund for full-time certificated employees.

## Student Financial Aid Funds

## Transfer Centers

The purpose of the transfer centers is to assist, encourage and facilitate the transfer
