## Introduction

The COVID-19 pandemic caused an unprecedented level of disruption to California's Fiscal operations, and I am sure it will become a case study for future generations of higher education leaders. Various delays and taxpayer relief efforts have affected receipt of tax revenues both locally and at the state level. This, in turn, has prevented Community Colleges from acquiring the accurate revenue data needed for preparing their budgets. Consequently, our fiscal teams at the Colleges and District Office have dedicated much more effort than usual to closing the fiscal year 2019-2020 and projecting the budget for fiscal year 2020-2021.

After thoughtful consideration and consultation with our auditors, in order to provide the most current, accurate, and complete data in both budget and actuals, we adhered to the Executive Order 2020-06 issued by State Chancellor Eloy Oakley. This order grants systemwide time extensions for the filing of the budget and annual statements, including the annual external audit. The time extensions helped the Colleges and District teams to make adjustments and forecast a robust budget to allow us to operate, protect our employees, and fulfill our mission. Although many assumptions could change throughout the year, we believe that with the adoption of this budget, we should have a very stable FY2020-2021.

Following board ends policies and direction; we continue pursuing fiscal sustainability and excellence while infusing an equity lens to decisions leading to improved outcomes. We plan and make decisions as we develop a forward-thinking vision for our District; one that considers how to be innovative leaders in higher education through the expansion of our reach into areas that have been neglected for many generations and adversely impacted by the current pandemic. Similarly, we will implement the use of advanced technology and top-notch infrastructure to support different instructional modalities. In addition, it is time for us to migrate our systems, storage and
applications to the "cloud" while implementing high-touch student support systems. COVID-19 has made us more aware that our operational environment needs to evolve in order to meet the new demands of our students and employees.

## Fiscal Year 2019-2020 Analysis

Prior to the pandemic creating an emergency, and we had almost completed the third quarter of the fiscal year. In fiscal terms, this allowed the District to maintain the run rate, spending a large portion of the FY2019-2020 adopted budget. At the close of the 3rd quarter, we spent approximately $72 \%$ of the annual budget equivalent to $\$ 94,535,058$ expenses over $\$ 131,733,785$ Adopted Budget.

However, since the Board declared the emergency proclamation on $3 / 16 / 2020$, the operational environment shifted 180 degrees, pressuring the entire organization to make decisions and establish a new leadership approach to serve students and protect our staff. Whereas the Division of Administrative Services had an initial focus to continue with institutional transformation and designing and building an effective and collaborative administrative/fiscal services team, the Covid-19 pandemic demanded even more focus, effort and critical actions. The entire Administrative Services team and I continued the seamless work of ensuring students were served and employees and vendors were paid on time, almost as if there was no national emergency. We migrated the entire Administrative Services team to remote work, including the bond, Maintenance \& Operations, District Police, payroll, warehouse, and procurement team. Although we had the need for certain employees to physically go to the office to work on payroll and cut checks to vendors, most of the excellent work of staff was adapted to be done remotely. This was no easy task as we had to provide office equipment, supplies, PPE, and a modified management environment to enable this remote work. The pandemic also caused us to review, formulate and strengthen our internal processes and procedures related to emergencies. We have made every attempt to apply for additional sources of funding to create relief, including the Cares Act and FEMA.

Yet, in spite of all these challenges, our fiscal planning is sound. We maintain our excellent credit ratings with S\&P and Moody's. The crucial work required by my team and the new initiatives we're engaged in continue to progress as well, including the implementation of the performance review management system, expense management system and process for district-wide e-signatures. We are dedicated to achieving institutional excellence; and our work in searching for new opportunities to support our district values of opportunity, equity and social justice through operational improvements, the East Side Partnership and bond Measures / and J.

Payroll is the single most important item in the budget. In FY2019-2020, we paid $\$ 114.14 \mathrm{M}$ in salaries and benefits (health, welfare, and statutory). STRS/PERS contributions alone required an investment of $\$ 13 \mathrm{M}$. Although the adoption of the budget is focused on our operating budget -General Fund 10, it is important to recognize that the organization sustained efforts this year to support other areas that help our District be in the forefront of education. In spite of the pandemic, the management of the General Obligation bonds and
approximately $\$ 40 \mathrm{M}$ in categorical funds administered by our Colleges in support of student success kept its pace, resulting in high volume of transactions, accounts payable, payroll, and reporting performed by the different fiscal teams.

During the 2019-20 fiscal year, we issued three series of general obligation bonds:

## \$68.945 million 2019 GO Refunding Bonds on October 1, 2019

All-inclusive interest cost: 2.99\%
Taxpayer savings: \$11,007,920 (12.3\% on present value basis)

## \$225 million Election of 2016 GO Bonds, Series B on June 16, 2020

All-inclusive interest cost: $2.41 \%$
Debt service to principal repayment ratio: 1.41 to 1

## \$200 million Election of $\mathbf{2 0 1 6}$ GO Bonds, Series B-1 on June 16, 2020

All-inclusive interest cost: $2.84 \%$
Debt service to principal repayment ratio: 1.49 to 1
The District's credit ratings were one level from the highest possible rating of triple-A. Moody's assigned "Aa1 with a Stable outlook" noting the following strengths: Extremely large and growing Silicon Valley tax base with a strong socioeconomic profile; stable financial position supported by deep entrenchment into basic aid; conservative fiscal practices.

S\&P assigned "AA+ with a Stable outlook" noting the following strengths: location in the heart of Silicon Valley with a very/extremely strong wealth and income profile; revenue structure largely insulated from state funding decisions, as it is a basic-aid district; record of maintaining strong reserves.

During the pandemic, we also completed negotiations leading to a salary increase. It was paid retroactively in record time and accounted before the end of the Fiscal Year, avoiding operational challenges and penalties. The total net investment was $\$ 1.98 \mathrm{M}$, which includes the adjustment to the salary schedules, paid retroactively and related benefits cost, with the following breakdown:

| Employee Group | Total compensation <br> adjustment FY19-20 |  |
| :--- | :--- | ---: |
| a. Faculty | $\$$ | $1,031,792.7$ |
| c. CSEA | $\$$ | $600,754.2$ |
| b. MSC/Executive | $\$$ | $349,253.9$ |
| Total | $\mathbf{\$}$ | $\mathbf{1 , 9 8 1 , 8 0 0 . 8}$ |

Bargaining units have also negotiated Memorandums of Understanding in support of the migration of instruction to Online Modality and remote work. The total amount paid in stipends is $\$ 350 \mathrm{~K}$.

Education is our core mission and our top priorities are student success and the safety and security of our students, employees and visitors. During the pandemic, we have secured Personal Protective Equipment (PPE) from CaIOES; and we have supported a total investment of $\$ 750 \mathrm{~K}$ in emergency related purchases, including those to secure our core infrastructure. We have also procured laptops, tablets, and other expensive equipment using bond funds and instructional equipment sources.

Some less fortunate news relate to some of our third party service providers. The Cafeteria Services remain closed, and we were informed that all employees were laid off early so they were able to apply for unemployment benefits. Similarly, the bookstores have seen a decrease in sales of $50-60 \%$ from last year; and, for the most part, the physical locations remained closed and have gone through staffing challenges as well. We will be working with these providers to review their existing agreements.

We continue to benefit from our location and our status as a community-funded district that allowed us to plan and execute tactics to provide stability and business continuity. Additionally, we applied and received valuable funds though the Cares Act. It is also important to highlight that since the Cadillac tax was repealed, the future year's liability of approx. \$1.67M was eliminated.

As of August, the property tax projection for FY2019-2020 was updated based on the latest County Assessor's estimate now representing a $9.21 \%$ increase over the prior-year property tax receipts. This includes one-time funds from the Redevelopment Agency. Due to the total property tax result, the Stabilization Fund 12 funding was increased by $\$ 500 \mathrm{~K}$ based on the "what if" assumptions defined during the establishment of this fund.

The property tax revenues allocated to the Unrestricted General Fund 10 are now projected to be $\$ 109,711,110$ in FY2020-2021, and $\$ 113,550,999$ in FY2021-2022. At the close of FY2019-2020 the ending fund balance is estimated to be $\$ 25,623,053$.

## Fiscal Year 2020-2021 Forecast

Enclosed is the Adopted Budget for the Fiscal Year 2020-2021. The enclosed document is a detailed summary of the District's Unrestricted General Fund 10 for FY2020-2021 through FY2022-2023. The report was produced in collaboration with our Business Services staff at Evergreen Valley College, San Jose City College, the Center for Economic Mobility and District Fiscal Services. The board's approval will allow us to post a balanced budget for the year.

On September 24, 2020, the District Budget Committee (DBC) reviewed this document at length, including assumptions and revisions based on information provided by each of the entities' fiscal leaders. Each campus made adjustments to the details provided during the Tentative Budget to tighten assumptions and expense projections and the reality of extended online instruction and remote work through the duration of the academic year.

As reported by the Institutional Effectiveness and Student Success team, after census, we see a net enrollment decline of 1552 headcount reflected in 759 FTES less than Fall 2019 and a net reduction of 4,105 seat count. We also see a decline in non-resident enrollments. Both colleges are working hard in following up and promoting the value of our educational services through strong and engaging communication efforts. Title 5 , section 58146 provides the criteria for funding allowances due to the emergency conditions. This is to assist districts not to lose apportionment due to FTES declines as a result of emergency conditions. Although this does not apply to our district, we are glad different measures are taken to ensure the fiscal sustainability of other districts.

Many districts across the State are planning to apply to the new California School Finance Authority's (CSFA) statewide-pooled Tax and Revenue Anticipation Note (TRAN) financing program for K-12 school districts, county offices of education, and community college districts. Our cash flow review indicated that we will not require liquidity; therefore, we will not be applying in the near future.

## Sources (Revenue):

As I complete this summary, we are presenting to you for approval a balanced Adopted Budget for FY20-21. Based on the information we have available, the revenues for this Adopted Budget are projected to be $\$ 131,892,647$ of which $\$ 109,711,110$ is attributable to being a Community-funded District. Following the Board's budgeting principles, we use a growth factor of $3.5 \%$ for new property tax revenue.

We'll continue to monitor how the State and the Chancellor's Office plan for budget adjustments. Some assumptions of additional revenue for the State includes Federal aid through the Health and Economic Recovery Omnibus Emergency Solutions (HEROES) Act, which is a follow-up COVID-19 relief package to the $\$ 2.2$ trillion Coronavirus Aid, Relief, and Economic Security (CARES) Act. If the additional
funding were not available to the State, it would trigger a series of reductions in addition to cash deferrals. This year we received funds for Covid-19 block grant, which have been distributed $\$ 239 \mathrm{~K}$ per college and $\$ 119 \mathrm{k}$ for District Office.

Our Basic Aid or Community-Supported College District status continues since student enrollment fees, Education Projection Account funds, and property tax dollars exceed the Total Computational Revenue (State general apportionment guarantee). The District receives no FTES general apportionment dollars from the State; therefore, our District's general operating revenues are now based substantially on local property taxes.

## Uses (Expenses):

The total expense requests for the Unrestricted General Fund 10 are $\$ 138,789,651$ for FY 2020-2021 Adopted Budget. The primary line item in the budget is total compensation that includes employee health and welfare costs and all statutory benefit costs. The FY20202021 Adopted Budget, as presented, anticipates total Fund 10 revenue of $\$ 131,892.647$ and total expenditures of $\$ 138,789,651$ with a projected end balance of $\$ 21,847,817$ :

As part of proactive adjustments, we are fully funding the Parking Fund and including this as a cost of doing business so it does not show a negative balance due to the staffing cost. Parking revenue will be zero, which required a General Fund inter-fund of $\$ 650$ K. We also renewed the VTA agreement, will renegotiate agreements with Follett for bookstore services, and will review food services.

Expense projections account for 10 FTF approved for sabbaticals. Colleges received a backfill cost the amount of $\$ 818,769$ for FY20202021.

We will continue to review and evaluate open positions with college Presidents and Chancellor Breland to fill jobs in the areas of highest need and impact. Our focus continues in ensuring the colleges have the appropriate resources to deliver quality education and the safety of our students and staff. The Emergency planning efforts will continue as we make plans for maintaining our operations in place and as we plan for partial reopening following country guidelines.

## Summary

While at this time the District's fiscal outlook remains relatively strong, the District must continue to be cautious in its commitments and make long-term stabilization set-asides, while staying prudently and carefully managed. The District is now heavily, almost exclusively,
property tax dependent. On the expenditure side, retirement costs for STRS and PERS continue to change with a $0.95 \%$ rate decrease in STRS and $0.98 \%$ rate increase in PERS this fiscal year. This trend continues in the out-years with projected rate increases at different levels through at least FY2022-2023. The District will continue monitoring premium rates from Blue Cross and Kaiser medical. With the move to SISC, Self-Insured Schools of California, we benefit from the larger purchasing power. Out-year projections will be based on the recent SISC premium increase history, which is likely attributed to the extensive purchasing power of this large Joint Powers Authority. These factors, included with the health care premium increases, consume a major share of annual property tax expansion.

For planning purposes, as based on the Board Budget Principles, the District will maintain its long-term conservative posture and budget planning with property tax estimates growing at a rate of $3.5 \%$. This serves as a way to protect jobs, college programs, and student success opportunities; to avoid potential significant unplanned reductions; and to remain prudent and responsible with spending commitments. This conservative revenue methodology functions as a budget stabilizer for this Basic Aid or Community-Supported District and helps offset the unrestricted general fund reserve until such time as the District Stabilization Fund, as designated by the Board of Trustees, is fully funded.

The proposed FY2020-2021 Adopted Budget is balanced and projects an ending fund balance of $\$ 21,848,817$ or $16.10 \%$. The ending fund balance remains strong and stable. In the succeeding budget years, based on current assumptions, the ending fund balance is estimated to finish at 17.20\%, and 19.40\% for FY2021-2022 and FY2022-2023, subject to revenue and other expense adjustments.

As we proactively plan for the district's financial sustainability, we must establish a connection of policy and outcomes to budgets. We also remain vigilant of the following key indicators that have significant fiscal impact:

- Property Tax receipts and the State revenue
- Any changes to stimulus funding through CARES act and potential FEMA reimbursements
- Any agreement to implementing the Health and Economic Recovery Omnibus Emergency Solutions (HEROES) Act
- Operational costs during and after COVID-19
- Resource Allocation Model implementation rules for FY2021-2022
- Changes to State unfunded mandates and Vision for Success metrics
- Collective Bargaining efforts
- Health and Welfare premiums
- STRS and PERS pension employer rate changes - and OPEB trust performance

Our District has enjoyed a unique position with strong financials derived from a prosperous tax base, and we are in the heart of Silicon Valley. Although it's too early to determine and too uncertain to predict how the economy will behave, our District has the resources
and has a unique opportunity to "build out" capacity, brand and reputation. The challenge is in making effective, forward thinking and innovative investments that will stand the test of time. As part of our fiscal planning for the years ahead, we need to aim for a higherlevel vision.

As such, we need to be intentional, study and execute on initiatives and opportunities such as:

- Deploying state-of-the-art technology infrastructure
- Updating technologies, especially as it relates to delivering on-line instruction and services to students
- Maintaining Energy efficiency and sustainability
- Developing Industry partnerships; developing Industry Relevant Curriculum and expanding Apprenticeships
- Strengthening K-12 through baccalaureate ecosystem in low income communities
- Addressing Student housing and food insecurities
- Retaining and attracting talent

At the same time that we explore taking the District to a new high, we must remain conscious of the need to prepare for any downturn of the markets and real property valuations. We should project with a cautiously optimistic perspective, only making commitments that we can keep as well as seeking to reduce long-term liabilities with one-time funds or new sources of revenue.

Thank you for the opportunity to continue serving our great district and assisting you in accomplishing a higher-level vision for improving education in the Silicon Valley.

## Board of Trustees Budget Principles Adopted February 13, 2018

1. Trustees to provide the Chancellor and staff with policy framework for managing an "appropriate" fund balance \& structural balance.
2. Affirm a "student centered" approach that ensures our values of opportunity, equity, and social justice.
3. Compliance with accreditation standards.
4. Distinguish between on-going vs. one-time resources and expenses.
5. Manage all resource allocations or funding reductions systematically to maximize student equity and success.
6. Seek efficiencies and revenue opportunities.
7. Establish and maintain an employee salary and compensation structure that is competitive among the Bay 10 Community College Districts.
8. Maintain a minimum 7\% Unrestricted General Fund reserve consistent with board policy.
9. District Stabilization Fund

- Board authority required to access.
- Access during economic downturn.
- Access to avoid or delay staffing reductions for non-grant funded positions.
- Replenish in healthy fiscal times.
- Allocate $\$ 250,000$ in any given year when property taxes are above $6 \%$ and an additional $\$ 250,000$ in any given year when property taxes are above $7 \%$.
- Cap Stabilization Fund at $\$ 2.5 \mathrm{M}$.

10. Establish and maintain a balanced funding model that is centered on our mission, vision, values, Board Ends Policies, and strategic plan.
11. Property Tax projections will be based on $3.5 \%$ growth and will be adjusted each period based on County Tax Collector updates.
12. Adopted Budgets and Quarterly Reports will include long-term revenue and expenditure forecasts, enrollment trends, and financial risk analysis.
13. Use data to inform decision making.
14. Seed Student Opportunity and Access Revenue/Promise from current land-lease proceeds.
15. Financially plan and budget for total cost of ownership, including building-related expenses, and program-related expenses.

## General Funds

## GENERAL FUNDS - UNRESTRICTED

## Unrestricted General Fund 10

The Unrestricted General Fund 10 provides the resources necessary to sustain the day-to-day activities of the colleges and the district, and pays for most administrative and operating expenditures district-wide.

## Revenues

The FY 2020-2021 Adopted Budget assumes an overall reduction in revenues of \$2,112,190 from the FY 2019-2020 Estimated Actual. The decrease due to reduction in property tax revenues of $\$ 2,684,163$.

## Expenditures

The FY 2020-2021 Adopted Budget reflects an overall $0.0184 \%$ (or $\$ 2,556,493$ ) increase in expenditures from the FY $2019-2020$ Revised Budget. It is important to note that both of these budgets have been augmented to account for salary negotiations.

## Reserve

The anticipated reserve for FY 2019-2020 is projected to be $19.56 \%$; which increases the fund balance by $\$ 3,017,929$. The reserve for FY 2020-2021 is estimated at $16.10 \%$, a decrease of $\$ 3,774,236$, which is primarily attributable to one-time money (asset liquidation from the former San Jose Redevelopment Agency).

## Financial Stability Fund 12

On February 24, 2015, the Board of Trustees authorized the creation of this fund. On February 13, 2018, the Board of Trustees established parameters on providing resources to this fund and further refined parameters on fund utilization, which were originally established on February 23, 2016. There is currently a balance of $\$ 1,750,000$ in this fund as a result of inter-fund transfers from the Unrestricted General Fund 10. In FY 2019-2020 there was an interfund transfer of $\$ 500,000$ from Fund 10 as property taxes were above $7 \%$, per Budget Principle \#9.

## Student Success Enhancement Fund 14

Established in FY 2015-2016, the Student Success Enhancement Fund receives partial revenues (\$25,000 annually) from the land lease payments from the Evergreen Marketplace II Retail Development and future revenues associated with the land development project of some of the vacant parcels located adjacent to Evergreen Valley College. The objective of these revenues is to provide a funding source for innovative projects focused on closing achievement gaps aligned with the Board of Trustees' end policies.

The increase in revenue for FY 2017-2018 and FY 2018-2019 are a result of the exclusive negotiation agreement between the District and Republic Urban Properties. In FY 2019-2020 both SJCC and EVC were awarded \$125,000 each to help support the San Jose Promise program at their respective campuses, which was supported by Fund 14. Of the $\$ 250,000$ budgeted to the campuses, there were expenditures of $\$ 194,550$ in $\mathrm{FY} 2019-2020$. The FY 2019-20 estimated ending fund balance is budgeted in other outgo should it need to be deployed to support additional projects.

## Facility Rental Fund 15

The Facilities Rental Auxiliary Fund was established in FY 2010-2011 to track facilities rental fees received pursuant to the Civic Center Act and to track corresponding costs associated with these activities. Activity within these funds is limited to facility rental activates; however, fund balances may be transferred to other funds to support shortfalls or other expenditures.

The revenues and expenditures within this fund associated with District Services represent the activities associated with the tenant at the District Office. District Services is anticipating transferring $\$ 188,340$ to the Unrestricted General Fund 10 in FY 2020-2021 to offset the costs associated with parking costs in Downtown San Jose. There are no estimated revenue for FY 2020-2021 as there are no more tenants at the District Office.

San Jose City College is anticipating transferring \$550,000 to the unrestricted General Fund 10 to supplement their general operating expenses by June 30, 2021.

## GENERAL FUNDS - RESTRICTED

## Parking Fund 11

The Parking Fund was augmented by the Unrestricted General Fund to support operations by $\$ 101,484$ in FY 2011-2012. On April 10, 2012, the Board of Trustees authorized an increase to parking permits and daily parking fees to mitigate the reliance of the Unrestricted General Fund 10. As a result of this action coupled with vacancies, the Parking Fund had a positive ending fund balance in the subsequent fiscal years. The fund required an augmentation by the Unrestricted General Fund 10 to support operations again in FY 2015-2016 and subsequent years due to declining revenues and increased costs. Beginning in FY 2016-2017, the Transportation Fee (EcoPass) is accounted for in the Parking Fund, which, too, began to run a deficit in FY 2017-2018.
Due to COVID-19 and the physical closure of the campuses, there will be no anticipated parking revenue in FY 2020-2021. Also, the interfund transfer from Fund 10 will be increased in order to offset the expenditures.

## Community College Center for Economic Mobility Fund 16

Beginning in FY 2011-2012, the District and the Community College Center for Economic Mobility (previously known as the Workforce Institute) agreed that CEM would annually transfer $15 \%$ of its operating profit (defined as annual revenues in excess of annual expenditures) to the District. In FY 2011-

2012, this resulted in a transfer of $\$ 70,788$. CEM finished the subsequent fiscal years with an operating deficit so there was no transfer to the Unrestricted General Fund 10. The trend reversed in FY 2015-2016 with a modest transfer of $\$ 6,383$; however, the CEM once again ran a deficit in FY 2016-2017. In FY 2017-2018, there was another modest transfer of \$16,104. There was no transfer for FY 2019-2020 and no anticipated transfer for FY 2020-2021.

## Categorical and Grant Fund 17

The District continues to see an increase in restricted resources. The FY 2020-2021 Adopted Budget estimates the following resources, some of which are unspent carry forwards from prior year(s):

```
District Services =$ 480,332
San Jose City College = $ 15,377,325
Evergreen Valley College =$ 18,050,401
Community College Center for Economic Mobility =$1,537,924
```

## Categorical Flexibility

For categorical programs in the flexibility category, funding allocations for each District are set at the same amount received by the District in FY 20082009, less the FY 2009-2010 reduction. This allocation methodology, as well as the flexibility, was locked in through FY 2012-2013. As part of the FY 2011-2012 State Budget, the Governor extended this flexibility for an additional two years through June 2015.

San Jose City College elected to exercise this flexibility by transferring $\$ 34,308$ since FY 2011-2012 from the Childcare Tax Bailout Program to supplement the Disabled Student Program (DSPS). San Jose City College also elected in FY 2012-2013 to transfer $\$ 17,394$ from the Apprenticeship Program to supplement the Student Success and Support Program (previously known as the Matriculation Program).

Evergreen Valley College elected to exercise this flexibility by transferring \$56,624 in FY 2012-2013 from the Student Success and Support Program to supplement the Extended Opportunities Programs and Services (EOPS).

The District has in the past elected to transfer $\$ 30,000$ from the PT Faculty Parity Pay Categorical Program and move $\$ 15,000$ to EOPS and $\$ 15,000$ to DSPS. Total PT Parity Pay was not affected by this change. These transfers trigger overall categorical flexibility per ABX4.2.

Currently, categorical flexibility is disallowed.

## Student Health Fees Fund 18

The Student Health Fee Fund was augmented by the Unrestricted General Fund 10 to support operations at Evergreen Valley College by $\$ 14,830$ in FY 2010-2011 and was augmented by MAA Funds to support operations at San Jose City College by $\$ 25,082$ in FY 2010-2011. Both campuses responded by reducing the expenditure budget for FY 2011-2012. On February 14, 2012, the Board of Trustees authorized an increase to the student health fee by $\$ 1$ (from $\$ 17$ to $\$ 18$ per semester) based upon the Implicit Price Deflator Index. As a result of these actions, the Student Health Fee was structurally balanced in FY 2011-2012.

However, in FY 2012-2013 the Unrestricted General Fund 10 once again augmented the Student Health Fee Fund in the amount of $\$ 37,125$ ( $\$ 32,006$ to support operations at San Jose City College and $\$ 5,119$ at Evergreen Valley College). On January 4, 2014, the Board of Trustees authorized an additional increase to the student health fee by $\$ 1$ (from $\$ 18$ to $\$ 19$ per semester) based upon the Implicit Price Deflator Index effective with the 2014 Fall Semester. Despite this action, San Jose City College required an augmentation of $\$ 29,041$ in FY 2013-2014 and an augmentation of $\$ 9,472$ in FY 20142015 from the Unrestricted General Fund 10. Evergreen Valley College ran a slight surplus of $\$ 43,806$.

On April 4, 2017, the Board of Trustees authorized an increase to the student health fee by another $\$ 1$ (from $\$ 19$ to $\$ 20$ per semester) based upon the Implicit Price Deflator Index, effective Fall 2017. Both colleges ended FY 2015-2016 through FY 2017-2018 with a modest ending fund balance. On May 14, 2019, the Board of Trustees authorized an additional increase to the student health fee by another $\$ 1$ (from $\$ 20$ to $\$ 21$ per semester) effective Fall 2019.

On May 14, 2019, the Board of Trustees authorized an additional increase to the student health fee by another $\$ 1$ (from $\$ 20$ to $\$ 21$ per semester) effective Fall 2019. Both colleges are projecting a balanced budget in FY2020-2021.

## Capital/Bond <br> Project Funds

## CAPITAL / BOND PROJECT FUNDS

## Funds 36, 40, 42, 44, 45, 46,47 and 49

The revenues in the Capital Outlay Fund 36 are received from redevelopment agency pass-through funds and capital outlay fees (local revenues) and are to be spent on minor capital projects. Beginning in FY 2013-2014, the District began to receive funding as a result of Proposition 39 - the Clean Energy Act. These funds were to be spent on energy-efficiency projects designed to reduce the District's carbon footprint. Recognized as State revenues, these funds were completely spent-out in FY 2018-2019.

In November 2010, the voters reaffirmed their commitment to the District with the passage of an additional local general obligation bond authorization known as Measure G-2010 in the amount of $\$ 269$ million. Then again, in November 2016, the voters expressed their generosity and commitment to the District with the passage of Measure $X$, which provided an additional funding authorization of $\$ 748$ million.

The aforementioned local general obligation bond programs are governed by Proposition 39, which requires a $55 \%$ voter approval threshold and carries the requirement of a citizens' bond oversight committee, which provides review described by law and delivers annual reports to the Board of Trustees.

Fund 42 has been established to track expenditures related to the Measure G-2010 Series B bond program (otherwise known as the technology and scheduled maintenance [or small capital repairs] endowment). Fund 44 was established to track revenues and expenditures related to the sale of the Series $D$ for the Measure G-2010 bond program, which is the final series of the program. In FY2019-2020, Fund 44 was completely spent down to a \$0 balance; thus completing the Measure G-2010 Series D bond program.

Fund 45 has been established to track expenditures related to Measure $X$ Series A and Fund 46 has been established to track expenditures related to Measure $X$ Series A-1 (which are taxable bonds.) Fund 47 illustrated the remaining authorization of $\$ 663$ million in bonds yet to be sold. In FY $2019-2020$ the $\$ 663$ million in Fund 47 was distributed accordingly: Fund 47 (Measure X Series B) - $\$ 225 \mathrm{M}$ new bond sale June 2020; Fund 49 (Measure X Series B-1) - $\$ 200 \mathrm{M}$ new bond sale June 2020; and Fund 40-\$238 million remaining for future bond sale.

## Special Revenue Funds

## SPECIAL REVENUE FUNDS

## Cafeteria Fund 70

The Cafeteria Fund includes commission from food service vendors and costs associated with support of the food service operations at the colleges. The anticipated ending fund balance of $\$ 0$ in FY 2019-2020 due to the Shelter In Place order which resulted in decreased revenue. In addition, an interfund tranfer from Fund 10 was made to cover the deficit of $\$ 16,212$. For FY 2020-2021 revenues are budgeted at $50 \%$ of the prior year projection and another interfund transfer from Fund 10 is expected.

## Child Development Fund 72

The Child Development Fund represents the operation of the San Jose City College's Child Development Center which was closed beginning FY 2011-2012. The Child Development Fund was augmented by the Unrestricted General Fund 10 to support operations in FY 2010-2011 by \$211,902. Begining in FY 2012-2013, revenues and expenditures primarily represented a pass-thrugh to a third-party to continue to provide services after the center's closure. The program was suspended in FY 2016-2017 pending SJCC's ability to partner with a third-party or to reestablish a center on campus to provide these crucial services.

## Internal Service Fund

INTERNAL SERVICE FUND

## Self-Insurance Fund 61

The Self-Insurance Fund allows the District to pay the costs associated with dental and vision benefits for active employees and retirees. For active employees the fund is reimbursed on a monthly basis from other funds as payroll is posted to the general ledger. For retirees, the fund is reimbursed quarterly by the retirees.

## Fiduciary Funds

## FIDUCIARY FUNDS

## Financial Aid Fund 48

The Financial Aid Fund tracks the District's disbursement associated with financial aid. The fund is reimbursed by the Federal and State governments as disbursements are made. The FY 2020-2021 Adopted Budget anticipates disbursements totaling $\$ 11.1$ million for students attending San Jose City College and disbursements totaling $\$ 15.3$ million for students attending Evergreen Valley College.

Programs associated with this fund are as follows:
Federal
Pell
SEOG
Direct Loans
CARES ACT HigherEd Emgy RIf
State
Cal Grants

## Scholarship Fund 96

The Scholarship Fund tracks the disbursements associated with student scholarships. The FY 2020-2021 Adopted Budget anticipates awarding \$220,000 to students attending San Jose City College and $\$ 166,000$ to students attending Evergreen Valley College.

## OPEB-Related Funds

The OPEB Trust Fund was established after the sale of OPEB Bonds to fund the GASB $43 / 45$ Actuarial Valuation of Post-retirement Employee Benefits estimated at $\$ 47,719,500$ at June 30, 2007. The closing of the District's OPEB Bond was May 14, 2009, with an expense rate fixed at $4.62 \%$ with a swap rate at the end of the third quarter at $4.239 \%$. In May 2012, the District refinanced the OPEB bonds locking in an "all-in interest" rate of $5.239 \%$ for 15 years.

The "other operating Expenditures and services" budgeted for FY 2020-2021 represent fees associated with Benefit Trust as the Discretionary Trustee for asset and fiduciary management and investment policy development, and to Keenan as Program Coordinator for the District. Annual earnings fluctuate due to market conditions. See below for annualized earnings (losses):

| FY 2009-2010 | $\$ 6,314,649$ |
| :--- | ---: |
| FY 2010-2011 | $\$ 9,123,789$ |
| FY 2011-2012 | $(\$ 1,200,297)$ |

## Retiree Benefit Fund 81

The Retiree Benefit Fund was established to record land lease payments from the Evergreen Marketplace II Retail Development and to begin accumulating resources to offset the long-term retiree medical benefit liability. Once the OPEB Bonds were sold and the Trust Fund was established, this fund was used to accept the transfer in from the OPEB Trust Fund 75 to pay retiree medical benefits, which are anticipated to increase from the estimated $\$ 3,165,226$ in $\mathrm{FY} 2019-2020$ to $\$ 3,358,305$ in FY 2020-2021. Fund 81 is also currently used to help fund the debt service payments for the OPEB Bonds from the accumulated fund balance.

## Long-Term OPEB Debt Fund 85

The Long-Term OPEB Debt Fund pays the debt service to the OPEB bondholders. The Unrestricted General Fund 10 started making significant transfers into this fund beginning in FY 2012-2013 to support this on-going debt service. On March 13,2012, the Board of Trustees authorized the remarketing of the OPEB bonds, which decrease the anticipated debt service obligation from the Unrestricted General Fund 10 by $\$ 325,400$ in FY 2012-2013 from $\$ 1,108,580$ to $\$ 783,180$. The debt service obligation from the Unrestricted General Fund 10 increased to $\$ 1,958,052$ in FY 2013-2014 and $\$ 1,953,150$ in $\mathrm{FY} 20154-2015$ as the fund balance in Fund 81 was depleted. The debt service obligation from the Unrestricted General Fund 10 was $\$ 1,884,758$, and $\$ 1,883,760$ in FY 2015-2016, FY 2016-2017, and FY 2017-2018 respectively, and was $\$ 1,881,571$ in FY 2018-2019. In FY 2019-2020 the estimated amount is $\$ 1,873,306$, with a slight estimated increase in FY 2020-2021 to $\$ 1,879,216$. This transfer will begin to increase significantly in FY 2022-2023.

OPEB BOND FLOW CHART

## Flow Chart Illustrating Relationships Between Funds

## Fund 75 - OPEB Trust Fund

- Sell Bonds in May 2009 and deposit Bond proceeds generating long-term debt over 35 years.
- Receive monthly interest income from Bond.
- Receive monthly dividend income from Bond.
- Pay monthly bank fees
- Pay consultant fees associated with Bond Administration as needed.
-Interfund transfer out to Fund 81 to reimburse District for the cost of retiree medical benefits.

```
Fund 81-Retiree Benefit Fund
-Interfund transfer in from Fund 75 to pay the
    monthly retiree medical benefits.
-Record land lease income from the retai
    center (less $25k for Student Success
    Enhancement Program).
    -Interfund transfer out to Fund 85 for debt
    service payment
```

## Fund 10-General Fund

-Interfund transfer out to Fund 85 for debt service payment beginning March 2013

## Fund 85 - Long Term Debt - OPEB

-Pays debt service.
-Interfund transfer in from Fund 10 and 81 to cover debt service payment.

## Long Term Debt Funds

## LONG-TERM DEBT FUNDS

## funds 83, 84, 86 and 87

The Long-Term Debt Funds track the debt-service associated with the Measure I, Measure G-2004, Measure G-2010, and Measure X general obligation bonds. Revenues are derived from interest earnings and real property tax assessments and are used exclusively for the retirement of the debt associated with the bonds.

## PART IX. AB 540 Headcount, Special Admit FTES and Inmates in Correctional Facilities FTES

## AB 540 Headcount Report

In the space provided below, for the District as a whole, please provide the total number of students who received the Nonresident tuition fee exemption under AB 540 for the Fiscal Year. This total should include any student that was considered to be an AB 540 student during any part of a term/session and should be an unduplicated student headcount (e.g. please count each student only once, regardless of how many terms/sessions they attended). This data collection will be considered to be a limited survey instrument and not tied or associated with FTES counts. Supporting documentation does not need to be submitted with this report.

| Headcount | 816 |
| :--- | ---: |

## Special Admit (Full-Time and Part-Time) P.E. Credit FTES Report

In the spaces provided below, please provide the requested districtwide Fiscal Year FTES information of special "admit" part-time and fulltime students eligible to attend the Colleges of the District pursuant to Education Code Section 48800 or 48800.5 . Please refer to Legal Advisory 05-01 and the Contracted District Audit Manual for the Fiscal Year, State Compliance Item No. 427.

# PROOF OF PUBLICATION IN THE CITY OF SAN JOSE IN THE STATE OF CALIFORNIA COUNTY OF SANTA CLARA 

## FILE NO. J. Pace

In the matter of

## San Jose Mercury News

The undersigned, being first duly sworn, deposes and says: That at all times hereinafter mentioned affiant was and still is a citizen of the United States, over the age of eighteen years, and not a party to or interested in the above entitled proceedings; and was at and during all said times and still is the principal clerk of the printer and publisher of the San Jose Mercury News, a newspaper of general circulation printed and published daily in the City of San Jose, County of Santa Clara, State of California as determined by the court's decree dated June 27, 1952, Case Numbers 84096 and 84097, and that said San Jose Mercury News is and was at all times herein mentioned a newspaper of general circulation as that term is defined by Sections 6000; that at all times said newspaper has been established, printed and published in the said County and State at regular intervals for more than one year preceding the first publication of the notice herein mentioned. Said decree has not been revoked, vacated or set aside.

I declare that the notice, of which the annexed is a true printed copy, has been published in each regular or entire issue of said newspaper and not in any supplement thereof on the following dates, to wit:

09/26/2020

Dated at San Jose, California
September 26, 2020
I declare under penalty of perjury that the foregoing is true and correct.

Principal clerk of the printer and publisher of the San Jose Mercury News

## SAN JOSE-EVERGREEN COMMUNITY COLLEGE DISTRICT RESOLUTION 101320-5

WHEREAS, the California Government Code requires each community college district to report to the Chancellor of the California Community Colleges and to the Director of Finance at least annually its appropriations limit, its appropriations subject to limitation, the amount of its state aid apportionments and subventions included within the proceeds of taxes of the district, and amounts excluded from the appropriations limit, at a time and in a manner prescribed by the Chancellor of the California Community Colleges and approved by the Director of Finance; therefore be it

RESOLVED, that at its meeting on October 13, 2020, the Board of Trustees of the San Jose /Evergreen Community College District, in compliance with Article XIIIB of the California State Constitution and California Government Code, Section 7900-7913, establishes its 202021 fiscal appropriation limit at $\$ 176,622,535$; and be it further

RESOLVED, that the actual appropriation for the 2020-21 fiscal year will not exceed this limit; and be it further

RESOLVED, that any action to set aside or annul this action, pursuant to Government Code Section 7910, shall be filed with the Chancellor of the District within 45 days of the adoption of this resolution.

PASSED AND ADOPTED by the Governing Board of San Jose/Evergreen Community College District this 13th day of October 2020 by the following vote:

AYES:
NOES:

#### Abstract

ABSENT: I, Byron Breland, Secretary of the Governing Board of San Jose/Evergreen Community College District of Santa Clara County, California, do hereby certify the foregoing is a full, true and correct copy of a resolution adopted by the Board at a regularly scheduled meeting thereof held at its regular place of meeting on the date shown above and by the vote stated above, which resolution is on file in the office of said Board.

## Glossary of Accounting Terminology

## 50 Percent Law

Section 84362 of the Education Code, commonly known as the Fifty Percent Law, requires that a minimum of $50 \%$ of the District's current expense of education be expended during each fiscal year for "salaries of classroom instructors." Salaries include benefits and the salaries of instructional aides.

## Abatements

The cancellation of part or all of a receipt or expense previously recorded.

## Accounts Payable

Amounts due and owing to persons, business firms, governmental units or others for goods and services purchased and received but unpaid on June 30.

## Accounts Receivable

Amounts due and owing from persons, business firms, governmental units or others for goods and services provided but uncollected prior to June 30.

## Allocation of Costs

Districts regularly incur costs that are not exclusively for one program. These costs generally must be assigned to the programs incurring such costs, using an acceptable allocation method.

## Apportionments

Allocation of state or federal aid, local taxes or other moneys among school districts or other governmental units.

## Appropriations

Funds set aside or budgeted by the state or community college for a specific time period and specific purpose.

## Appropriation for Contingency

An official budget category established by the State for schools to budget contingency
funds. Expenditures are not to be made from this category. Rather, transfers are made as required to the appropriate expenditure categories.

## Appropriation Limit

See Gann Limitation

## Assessed Valuation

A value of land, residential or business property, set by the County Assessor for property tax purposes. The value is the cost of any newly build or purchased property, or the value on March 1, 1975, or continuously owned property plus an annual increase of up to $2 \%$. (See Proposition 13) The assessed value is not equivalent to the market value, due to limitations of annual increase.

## Associated Students Funds

These funds are designated to account for moneys held in trust by the District for organized student body associations established pursuant to Chapter 1, Division 7, Part 47, of the Education Code (commencing with Section 76060).

The governing board must provide for the supervision of all moneys raised by any student body or student organization using the name of the college (ECS 76065).

## Audit

An examination of documents, records, and accounts for the purpose of determining (1) that all present fairly the financial position of the District; (2) that they are in conformity with prescribed accounting procedures; and (3) that they are consistent with the preceding year.

## Balance Sheet

A statement that shows assets, liabilities, reserves and fund balance of the community college district as of a specified date. It

## Glossary of Accounting Terminology

exhibits the financial condition of a district. Balance sheets are provided in the CCFS311 report and in the District's external auditor's report.

## Basic Skills

The program provides funding for precollegiate courses to correct skills deficiencies.

## Board Financial Assistance Program (BFAP)

The purpose of BFAP is to offset the impact of the mandatory community college enrollment fee on low-income students who cannot afford to pay.

AB1XX (Chapter 1, Statutes of 1984, Second Extraordinary Session) imposed a mandatory fee for community college credit courses.

## Bonded Indebtedness

A district's debt obligation incurred by the sale of bonds.

## Bookstore Fund

This fund is an enterprise fund designated to receive the proceeds derived from the District's operation of the colleges' bookstores. All necessary expenses, including salaries, wages and cost of capital improvement, for the bookstore may be paid from generated revenue.

## Budget Document

A written statement translating the educational plan or programs into costs, usually for one future fiscal year, and estimating income by sources to meet these costs.

## Capital Outlay

Capital outlay expenditures are those which result in the acquisition of or addition to fixed assets. They are expenditures for land
or existing buildings, additions to buildings, remodeling of buildings, or initial or additional equipment. Construction-related salaries and expenses are included.

## CARE

Cooperative Agencies Resources for Education, established in 1982 to provide educational support services to Extended Opportunity Programs and Services (EOPS) students who are welfare-dependent single parents with preschool-aged children. CARE provides academically high-risk students with educational support services, including supplemental counseling and advisement, peer support and networking with other single parents, and special classes and activities designed to enhance their personal development, self-esteem, parenting skills, and employability.

## Categorical Funds

Money from the state or federal government granted to qualifying districts for special programs, such as Matriculation or Vocational Education. Expenditure of categorical funds is restricted to the fund's particular purpose. The funds are granted to districts in addition to their general apportionment.

## Child Development Fund

The fund designated to account for all revenues for or from the operation of child care and development services under Chapter 2, Division 1, Part 5, of the Education Code (commencing with Section 8200).

## Capital Projects Funds

The fund accounts for financial resources to be used for the acquisition or construction of capital outlay items.

Collective Bargaining - SB 160 (1975)
A law passed by the California legislature

## Glossary of Accounting Terminology

which sets the manner and scope of negotiations between school districts and employee organizations. The law also mandates a regulations board. (See PERB)

## Consumer Price Index (CPI)

A measure of change in the costs of living compiled by the United States Bureau of Labor Statistics. Consumer price indices are calculated regularly for the United States, California, some regions within California and selected cities. (See Gann Limit)

## COP (Certificates of Participation)

COPs are used to finance the lease/purchase of capital projects. Essentially, they are the issuance of shares in the lease for a specified term.

## Costs

The California Community College Accounting Manual gives specific guidelines as to what costs shall be considered direct, direct support or indirect support, and how they shall be accounted for.

## Costs, Direct

Costs charged to a program most clearly identified with the program.

## Costs, Direct Support

Charges which constitute a reallocation of portions of the direct costs accumulated in support programs for services rendered directly to other programs. Examples might be for maintenance or printing services costs charged back to a college or department.

## Costs Indirect Support

Those costs of support programs remaining after the direct and direct support costs have been identified.

## Current Assets

Assets that are available to meet the cost of operations or to pay current liabilities.

## Current Expense of Education

Usually regarded as expenses other than capital outlay, community services, student transportation and categorical funds.

## Current Liabilities

Amounts due and payable for goods and services received prior to the end of the fiscal year.

## Debt Service Funds

Funds used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

## Deferred Maintenance

Major repairs of buildings and sites which have been postponed by districts, usually due to a shortage of funds. For several years, the State has provided special funding to community colleges for approved projects. The State provides for half the cost and the District provides the other half. In instances of financial hardship, some districts may qualify for $90 \%$ State funding.

## Defunding (or BA Defunding)

This is the term applied to the proposal to eliminate all apportionment support for students who already have earned baccalaureate or graduate degrees and are taking community college courses for credit.

## Disabled Student Programs and Services (DSP\&S)

The purpose of these special programs and services is to integrate the disabled student into the general college program; to provide educational intervention leading to vocational preparation, transfer or general education; and to increase independence or to refer students to the community resources most appropriate to their needs.

## Drug-free Workplace

All institutions receiving grants from any

## Glossary of Accounting Terminology

federal agency must certify that they will provide a drug-free workplace.

## Employee Benefits

Amounts paid by the community college district on behalf of employees. These amounts are not included in the gross salary, but are over and above. They are fringe benefit payments and, while not paid directly to employees, they are nevertheless a part of the employee costs. Examples are group health or life insurance payments; contributions to employee retirement systems (STRS or PERS); OASDI (Social Security) and Medicare taxes; workers' compensation; and unemployment insurance.

## Encumbrances

Obligations in the form of purchase orders, contracts, salaries and other commitments that have been made but not yet paid.

## EOPS

Extended Opportunity Programs and Services. Amounts apportioned for the purpose of providing allowable supplemental services through EOPS to encourage enrollment of students handicapped by language, social and/or economic disadvantages.

## Equalization Aid

State funds, included in the General Apportionment, to help bring up a District's fund to the statewide average.

## Excess Tax Revenue

Tax revenues which are greater that a governmental entity's allowable Gann Appropriation limitation. The State had excess revenues a few years ago, and had to return money to the taxpayers. Proposition 98 revised the formula, and it is unlikely that excess revenues will be realized during the 1990's.

## Faculty and Staff Diversity

Funding is provided to local districts to assist them in meeting the costs related to affirmative action. The goal is to achieve, by the year 2005, a work force that will reflect proportionately the adult population of the state.

## Fiscal Year

Twelve calendar months; in California, it is the period beginning July 1 and ending June 30. Some special projects use a fiscal year beginning October 1 and ending September 30 , which is consistent with the federal government's fiscal year.

## Fixed Assets

Property of a permanent nature having continuing value; i.e., land, buildings and equipment.

## Full-time Equivalent Student (FTES)

The number of students in attendance as determined by actual count for each class hour of attendance or by prescribed census periods. Every 525 hours of actual attendance counts as one ADA. The number 525 is derived from the fact that 175 days of instruction are required each year, and students attending classes 3 hours per day for 175 days will be in attendance 525 hours. That is, 3 times 175 equals 525 . FTES has replaced ADA.

Districts complete Apportionment Attendance Reports (CCFS-320) and Apprenticeship Attendance Reports (CCFS321) to report attendance. These are carefully reviewed by auditors. The importance of these review lies in the fact that the two reports serve as the basis for allocation State General Apportionment to community college districts.

## Funds, Restricted

Those moneys designated by law or a donor

## Glossary of Accounting Terminology

agency for specific purposes, such as Matriculation, Vocational Education or Heath Services. Some restricted fund moneys which are unspent may be carried over to the next fiscal year. The use of carryover moneys is usually limited by law to the specified purpose(s) for which the moneys were originally collected.

## Funds, Unrestricted

Generally, those moneys of the General Fund that are not designated by law or a donor agency for a specific purpose. Unrestricted funds may need to be accounted for separately or may have been designated by the Board for a specific purpose, but they are still legally regarded as unrestricted since the designation may be changed at the Board's discretion.

## GAIN

Greater Avenues for Independence (GAIN) is a comprehensive effort by the State of California to provide education, job and support services to eligible welfare recipients. The California Community Colleges is one of the major systems that provides GAIN services to welfare clients, in cooperation with county welfare departments.

## Gann Amendment

An initiative passed in November 1979 adding Article XIIIB to the California Constitution. It establishes limits on annual appropriations from the proceeds of taxes by the State, cities, counties, school districts and most special districts. Implementing legislation, SB 1352 (Marks), was passed in 1980. Proposition 98, approved by the voters in November 1988, made modifications to the Gann Amendment.

## Gann Limitation

A ceiling on each year's appropriations supported by tax dollars. The limit applies
to all governmental entities, including school districts. The base year was 1978-79. The amount is adjusted each year, based on a price index and the growth of the student population.

## General Ledger

A basic group of accounts in which all transactions of a fund are recorded.

## General Purpose Tax Rate

The District's tax rate, determined by statute as interpreted by the County Controller. The base rate was established in 1978, after the passage of Proposition 13, and changes have occurred based on a complex formula using tax rate areas.

## Governmental Funds

These are accounting segregations of financial resources for attaining institutional objectives. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used.

Governmental accounting measurements focus on determining financial flow of operating revenues and expenditures, rather than net income.

## Income

Includes both revenue and non-revenue receipts. Revenue receipts are derived from taxation. Non-revenue receipts come from the sale of an asset, product or service. The General Apportionment is revenue; money from community education registration is income.

## Inflation Factor

Adjustments for inflation which are prescribed by law for school district apportionments. The factor is more commonly referred to as the COLA (cost of living adjustment).

# Glossary of Accounting Terminology 

LEA
Local Education Agency.

## Leveling Down

Decreasing the level of per-student expenditure statewide toward that of the lower spending districts.

## Leveling Up

Increasing the level of per-student expenditure statewide toward that of the higher spending districts.

## Low Expenditure Districts

Districts whose General Apportionment per student is less than the state average for similar size districts. Low expenditure districts are allowed a larger inflation adjustment to their General Apportionment than high expenditure districts. Most low expenditure districts were formerly called "low wealth" because of their low assessed valuation per ADA. Neither "high" not "low" refers to the income of district residents.

## Mandated Costs

School district expenses which occur because of federal or state laws, decisions of state or federal courts, federal or state administrative regulations, or initiative measures. (See SB 90, 1977.)

## Matriculation

The Seymour-Campbell Matriculation Act of 1986 was enacted through Chapter 1467 of the California Statutes of 1986. The purpose of matriculation is to promote and sustain the effort of students to reach their educational goals through a program of support services tailored to the needs of the individual students. Students are obligated to express at least a broad educational intent at entrance, and to declare a specific
educational objective within a reasonable time after enrolling.

## Minimum Qualifications and Hiring Criteria

Chapter 973, Section 28, of the Statutes of 1989, requires a Board of Governors to establish and maintain minimum qualifications for hiring community college faculty. Further, the Board is to establish a process to review, at least every three years, the continued appropriateness of such qualifications and the adequacy of the means by which they are administered.

## Nonresident Tuition

A student who is not a resident of California is required, under the uniform student residency requirements, to pay a tuition fee as prescribed by ECS 76140. The fee shall not be less than the average statewide cost per student.

## Objects of Expenditure

Objects of expenditure are articles purchased or services obtained by a school district, such as:

Certificated Salaries (object series 51000) Includes expenditures for full-time, parttime and prorated portions of salaries for all certificated personnel.

Classified Salaries (object series 52000) Includes expenditures for full-time, parttime and prorated portions of salaries for all classified personnel.

## Employee Benefits (object series 53000)

 Includes all expenditures for employer's contributions to retirement plans, and for health and welfare benefits for employees or their dependents, retired employees and Board members.Books and Supplies (object series 54000) Includes books, supplies, and materials.

# Glossary of Accounting Terminology 

## Other Operating Expenses (object series 55000)

Includes expenditures for consultants, travel, conferences, membership dues, insurance, utilities, rentals, leases, elections, audits, repair and maintenance contracts, and other contracted services.

## Capital Outlay (object series 56000)

Includes expenditures for sites, improvement of buildings, books and media for libraries and new equipment.

Other Outgo (object series 57000)
Includes expenditures for retirement of debt, interfund transfers, other transfers, appropriations for contingencies, and student financial aid.

## PERB

Public Employment Relations Board, established to regulate collective bargaining between school districts and employees. Formerly called EERB.

## PERS

Public Employees' Retirement System. State law requires school district classified employees, school districts and the State to contribute to the fund for full-time classified employees.

## Per Capita Personal Income

Income before taxes for individuals, as estimated by the US Department of Commerce.

## Prior Year Taxes

Amounts provided from tax levies of prior years and adjustments to taxes reported in prior years. These included delinquent secured and unsecured tax receipts, applicable penalties and any tax sale proceeds of prior years.

## Proceeds of Taxes

Defined in the Gann Amendment as
revenues from taxes plus regulatory licenses, user charges and user fees, to the extent that such proceeds exceed the costs reasonably borne in providing the regulation, product or service.

## Program-Based Funding

Under the provisions of AB 1725, beginning in 1991-92 community colleges were no longer funded on the basis of ADA. Rather, the allocation of General Apportionment revenue resources is based upon "workload" measures in the categories of: Instruction, Student Services, Instructional
Administration, Facilities and Instructional Administration.

## Proposition 4 (1979)

See Gann Amendment

## Proposition 13 (1978)

An initiative amendment passed in June 1978 which added Article XIIIA to the California Constitution. Tax rates on secured property are restricted to no more than $1 \%$ of full cash value. The measure also defines assessed value and the voting requirements to levy new taxes.

## Proposition 98 (1988)

An amendment to the California Constitution establishing minimum funding levels for K-14 education and changing some of the provisions of Proposition 4 (Gann limit).

## Proposition 111 (1990)

A Senate Constitutional Amendment which modified Proposition 98 and made numerous changes to the way the appropriations limit is calculated and how the minimum funding guarantee for public schools and community colleges is determined; this includes the appropriations

## Glossary of Accounting Terminology

limit formula, the K-14 education funding guarantee and the allocation of excess revenues.

## Reserves

Funds set aside to provide for estimated future expenditures or deficits, for working capital or other purposes.

## Revenue

Addition to assets not accompanied by an obligation to perform service or deliver products.

## Revolving Fund

The District is authorized (ECS 8540085405) to establish a revolving cash account for the use of the Chief Business Official in securing or purchasing services or materials.

SEA
State Education Agency.

## Secured Property

Property which cannot be moved, such as homes and business buildings (business property that is leased is unsecured property). Secured taxes are assessed against secured property.

Senate Bill 90 (1977), Chapter 1135/77
A law passed by the California legislature in 1977 which allowed districts to submit claims to the State for reimbursement for increased costs resulting from increased services mandated by the State or by executive orders. Mandated cost provisions were added to the California Constitution upon the passage of Proposition 4 in 1979.

## Serrano-Priest Decision

The California Supreme Court decision which holds that a school finance system that relies heavily on local property tax is discriminatory and, therefore, in violation of the California Constitution. The Court said
that the level of spending for a student's education must not be a function of the property wealth of the district in which the student lives. Shortly after this decision (1972), funding for K-14 education changed from a property tax/assessed valuation system to a revenue limit per-student system. The per-student funding system exists basically as it has since then, with the most fundamental change occurring in 199192 when program-based funding was imposed.

## STRS

State Teachers' Retirement System. State law requires that school district employees, school districts, and the State, contribute to the fund for full-time certificated employees.

## Student Financial Aid Funds

Funds designated to account for the deposit and direct payment of government-funded student financial aid. The following are the various types of financial aid:

> Federal Aid:
> Pell Grants (formerly BEOG)
> SEOG (Supplemental Educational Opportunity Grant) Perkins (formerly NDSL)
> State Aid:
> EOPS (Extended Opportunity Programs and Services) CAL Grant

## Subventions

Provision of assistance or financial support, usually from a higher governmental unit, for reimbursement of tax exemptions such as Homeowners' Property Tax Exemptions.

## Tax Rate

The amount of tax stated in terms of a unit of the tax base. The basic rate is $1 \%$ of property assessed valuation. Additional

## Glossary of Accounting Terminology

amounts are added to property tax bills to retire bonded indebtedness.

## Tax Rate Limit

The maximum rate of tax that a governmental unit may levy. (See
Proposition 13.)

## TOP

Taxonomy of Program. This was formerly called Classification of Instructional Disciplines. Districts are required for State purposes to report the expenditures by categories identified in the CCFS-311. The major categories are:

Instructional<br>Instructional Administration<br>Instructional Support Services<br>Admissions and Records<br>Counseling and Guidance<br>Other Student Services<br>Operations and Maintenance<br>Planning and Policy Making<br>General Institutional Support<br>Community Services<br>Ancillary Services<br>Property Acquisitions<br>Long-term Debt<br>Transfers<br>Appropriations for Contingencies

## Trailer Coach Fees

Amounts provided from the county's allocation of trailer coach registration fees.

## TRANs

Tax and Revenue Anticipation Notes. These are issued to finance short-term cash flow needs. The notes are paid off within a 13month period using the proceeds of current fiscal year taxes.

## Transfer Centers

The purpose of the transfer centers is to assist, encourage and facilitate the transfer
of community college students to four-year institutions.

## Unsecured Property

Moveable property such as boats, airplanes, and furniture and equipment in a business. This property is taxed at the previous year's secured property tax rate.

## Vocational Education Funds

Amounts provided through the Vocational and Applied Technology Education Act (VATEA) for special studies, demonstration projects, improvement and expansion of vocational instruction programs, special student service programs, etc.

## Warrant

A written order drawn to pay a specified amount to a designated payee. For example, the District issues payroll warrants to employees each month. Payroll warrants are commonly referred to as "A" warrants, while warrants for goods and services are referred to as "B" warrants.
