A regular unit member, at the time he/she is hired, is placed on the first step of the appropriate range on the Classified Salary Schedule. The Chancellor may recommend initial placement above the first step, but normally not higher than the second step, if the unit member possesses previous related work experience which exceeds the District's entry level qualification for the position as determined by the Chancellor.

6.4 ANNIVERSARY DATE

A unit member's anniversary date shall be their original date of hire as a regular classified staff member. The anniversary date for regular unit members advanced to the next higher step of the salary range and for unit members promoted to a higher salary range shall be:

- 6.4.3.1** The unit member served 75% of the required working days in the present class and range within the previous 12 months;

6.5.1 Longevity increments are added to the annual salary and paid on a monthly prorated basis. The longevity increment shall not be paid to anyone while on a leave of absence or in unpaid status.

6.5.2 To qualify for a longevity increment, a unit member must have the required number of years of paid, regular classified service. Years of service shall be calculated from the initial date of hire. Time spent on unpaid leave, or in special or hourly employment, shall not be included in calculating years of service. Longevity payments will be paid on the appropriate anniversary date. (See Section 6.4)

6.5.3 The longevity increment shall not be used in calculating night differential premiums. The longevity increment shall be used in calculating unit member retirement, insurance benefits and hourly or overtime rates of pay.

6.6 TEMPORARY OR PERMANENT REASSIGNMENT OF A UNIT MEMBER TO A POSITION WITH A HIGHER SALARY RANGE

When a unit member is permanently reassigned during the school year to a position which clearly represents a promotion over their present position, they shall be placed on the new range at the step which provides a salary increase of at least 7.5%; however, the salary cannot go beyond the “E” step.

6.6.1 Subsequent earned increments shall be granted on each anniversary date providing the unit member has served 75% of the working days in the present class and range within the previous 12 months and until the maximum step of the unit member’s salary range is reached. Anniversary dates will not change when unit members change to a new classification assigned to the same or lower range than the previous classification.

- 6.6.2** A unit member who is required to work in a position at a higher salary range other than the regularly assigned position for more than five (5) working days in any 15-calendar-day period shall be paid on the appropriate salary range for the position temporarily filled at the step which provides a salary increase of at least 7.5%; however, the salary cannot go beyond the “E” step.
- 6.6.3** When a unit member is temporarily reassigned to a regular position of an equal or lower salary range, they shall be permitted to retain the range and step held in the former position and shall retain permanent status with the District in the classification to which he/she was formerly assigned.

6.7 SHIFT DIFFERENTIAL

The District shall provide a shift differential equal to two-and-a-half percent (2-1/2%) on the salary schedule for unit members who work four (4) or more hours after 5:00 p.m. and equal to five percent (5%) for unit members who work four (4) or more hours between the hours of 11:00 p.m. and 6:00 a.m.

- 6.7.2** Unit members who work less than the required fifty (50%) percent shall be paid the differential for the days actually worked.
- 6.7.3** A unit member receiving shift differential on the basis of their shift shall not lose such compensation if they are temporarily, for twenty (20) working days, or less, assigned to a shift not entitled to such compensation.

6.8 OVERTIME/COMPENSATORY TIME

Work performed in excess of eight (8) hours in one (1) day or forty (40) hours in a week shall be classified as overtime and shall be compensated in accordance with applicable law.

- 6.8.1** The supervisor shall determine, after consultation with the unit member, whether the unit member shall take compensatory time off at one-and-one-half (1-1/2) times the approved overtime hours (up to a maximum of 240 overtime hours) or be paid at one-and-one-half (1-1/2) times the unit member’s regular hourly rate.
- 6.8.2** Any unit member required to work on the sixth (6) or seventh (7) day during the week and whose average work day consists of four (4) hours or more during the work week shall be compensated at the time and one half rate. Those unit members working less than the average of four hours per day during the work week shall be compensated as above on the seventh day only.

- 6.8.3** The maximum 240 overtime hours of compensatory time off, as authorized, shall be taken within twelve calendar months following the month in which the overtime was worked.
- 6.8.4** Unit members may use accrued compensatory overtime within a reasonable time after request so long as it does not unduly disrupt the employer's operation. Cash payment shall be made for hours in excess of the 240 compensatory overtime hours or upon termination of employment.
- 6.8.5** All overtime work must be approved by the unit member's supervisor prior to the assignment.

6.9 DIFFERENTIAL SUBSTITUTE PAY

Differential substitute Pay is the unit member's rate of pay minus the amount paid to an hourly substitute. The salary actually paid to an hourly substitute shall not exceed the unit member's rate of pay. If no hourly substitute is required or if the substitute utilized is a permanent unit member of the District, the unit member's differential substitute pay shall be their full pay.

No Differential substitute pay will be made during any period of the fiscal year during which the unit member would not be employed.

6.10 OFFER OF ADDITIONAL HOURS

Prior to offering work to substitute or short-term employees, overtime work or extra hours must be offered in the following order: qualified regular unit members working within the department, qualified unit members working within the college/worksites, qualified unit members working within the District.

However, the following situations shall be exempt from the above provision: a unit member whose work extends into overtime may be allowed to continue the assignment with the approval of the supervisor; a supervisor with an overtime assignment that requires specialized skill or ability may offer the opportunity to a unit member qualified to do the work.

- Once a unit member has accepted an overtime assignment, all regular work performance standards for conduct and behavior apply.

6.10.1 Overtime is voluntary. Unit members shall not be disciplined, formally or informally, should they be unable to accept an overtime work assignment.

6.11 OVERTIME FOR POLICE OFFICERS WORKING SPECIAL EVENTS

District unit police officers who work special events will receive compensation at the same rate as San Jose Reserve Officers or be paid their regular rate of overtime pay, whichever is greater.

ARTICLE 8

WORK SCHEDULE

8.1 LENGTH OF WORK YEAR

The normal work year shall begin on July 1 and ends twelve (12) months later on June 30.

8.2 WORK WEEK AND HOURS PER WORK DAY

The normal workweek for all classified unit members will be Monday through Friday for eight hours per day. The normal workday for classified unit members will be from 8:00 am to 5:00 pm. The normal operating hours of the District include evening and weekends. When duties and responsibilities of newly posted positions can be accommodated by an 8 through 5, Monday through Friday schedule, the District will post the positions as such. However, individual hours and days within a department may vary according to the needs of programs and services resulting in alternative work schedules. Such special schedules will be explained in job announcements and shall follow a set schedule. Changes to that schedule shall only be made in accordance with 8.3 and 8.8 of this Article.

8.2.1 It is the intent of this provision to ensure that unit members work only one weekend day/shift and thus not to establish positions that require both Saturday and Sunday work. If such a position is needed, it can only be established after negotiating a signed agreement with CSEA. Before the District establishes a position that is less than full-time, it shall inform CSEA about the need for the position.

8.2.2 These provisions do not restrict the extension of a regular schedule to an overtime basis when it is necessary to carry on the business of the District. No unit member shall be required to work two (2) consecutive eight (8) hour shifts or more unless mutually agreed otherwise. These provisions exclude police and traffic officers.

8.3 DISTRICT INITIATED WORK SCHEDULE CHANGE

8.3.1 Short-Term Schedule Adjustment

The supervisor may temporarily revise the working schedule of a unit member in a particular classification for a maximum of forty-five (45) working days, within the fiscal year, by four hours either immediately prior to or immediately after the normal work schedule provided the supervisor gives the unit member and Union five (5) days prior notice and meets with the unit member and the Union to explain the reason for the change. Revision of the unit member's work schedule beyond forty-five (45) days shall be subject to negotiation with the Union. Present shift practices affecting Police Officers and other unit members shall not be changed as a result of this clause.

8.3.1.1 It is the intent of the parties to this agreement that changes in the work schedule of 45 days or less are temporary changes.

8.3.1.2 It is also the intent of the parties; that such changes in the work schedule would not be made for the purposes of avoiding overtime or extra time that regular unit members would otherwise be available to work.

8.3.2 Temporary, Long-Term Schedule Adjustment (up to Six Months)

The supervisor may revise the working schedule of a unit member in a particular classification provided the supervisor gives the unit member and the Union 45 days prior notice.

8.3.2.1 Within five (5) working days of the notice, the supervisor shall schedule a meeting with the unit member and the Union to discuss the reason(s) for the change and to allow an opportunity for the employee to express any concerns regarding the impact and effect of the change. As a result of the meeting, the supervisor may reconsider the schedule adjustment.

8.3.2.2 The proposed schedule adjustment is limited to four hours either immediately prior to or immediately after the normal work schedule. The adjusted schedule is to be regular and set. Split shifts are not permissible.

8.3.2.3 The schedule adjustment for the unit member is not to exceed six months. The schedule adjustment must have a specific begin and end date. Upon completion, the unit member shall be exempt from a long-term schedule adjustment for a period no less than twelve months from the end date of the altered work schedule. However, revision of the unit member's work schedule beyond six months may be done by mutual agreement *between (1) the supervisor and (2) the unit member and the Union* for a designated period of time.

8.3.2.4 A unit member subject to a long-term work schedule adjustment shall be entitled to a 7.5% differential for the period of the schedule adjustment, which will not exceed six months unless mutually agreed per Section 8.3.2.3.

8.3.2.5 It is also the intent of the parties; that such changes in the work schedule would not be made for the purposes of avoiding overtime or extra time that regular unit members would otherwise be available to work.

8.3.2.6 Present shift practices affecting Police Officers and other unit members shall not be changed as a result of this clause.

8.3.3 Permanent Schedule Change

Any permanent work schedule change shall be subject to negotiation with the Union.

8.4 REST PERIOD

A single rest period of fifteen (15) minutes is granted during each four (4) hour period of a working day. Rest periods, if not taken, cannot be used to increase the length of the lunch period nor to shorten the assigned work hours of the work day. Appropriate times for rest periods for unit members shall be arranged by the immediate supervisor after consultation with the unit member.

8.5 TIME OFF FOR MEALS

All unit members working the normal work week set forth in this Article shall be entitled to an unpaid, duty-free meal break of no more than sixty (60) minutes, scheduled approximately near the middle of the work shift, unless otherwise mutually agreed with the unit member(s) involved.

Unit members whose assigned daily work schedule is five (5) hours or less may elect to work their total shift without a lunch period with the prior approval of the supervisor.

8.6 CALL BACK AND ON- CALL TIME

8.6.1 Call Back Requiring Return to District Worksite.

When a unit member is required by a manager or supervisor to return to the District worksite after the regular work day has been completed, or on a day when the employee is not scheduled to work, the unit member shall be paid a minimum of three (3) hours, with the minimum call back time and any additional hours worked to be paid at overtime rate of at least 1.5 times the hourly rate (or higher overtime rate, if applicable), irrespective of the number of hours worked in that day or week.

8.6.1.1 While on call back time, a unit member shall be financially compensated at the IRS rate for mileage to and from the District site.

8.6.2 **After-Hours Contacts Requiring Response but Not Return to District Worksite**

8.6.2.1 On Call: At the District's sole discretion, unit members may be invited to volunteer to serve in an "on call" status by carrying a District-authorized cellular phone for the specific, management-designated purpose of serving in on call status, outside of their normal working hours. If a unit member agrees to serve in an on-call status, the unit member shall be paid a minimum of two (2) hours at their regular rate of pay, unless the additional time warrants pay at the applicable overtime rate under state or federal law. The unit member receives this two-hour minimum compensation for the responsibility of responding to work-related telephone calls, texts, or emails during the on-call period, and the related responsibility to remain able to reach a computer or travel to a District work site if the situation requires.

Multiple calls do not add additional hours – the minimum of two hours means all calls, emails, or texts that require up to two hours of time will be compensated for two hours at the appropriate rate. Time worked in excess of two hours responding to calls, emails, or texts will be compensated at the unit member’s regular rate of pay, unless the additional time warrants pay at the applicable overtime rate under state or federal law.

This section does not apply to unit members who are provided a District-issued cell phone, unless the unit member is specifically designated by a supervisor or manager to serve in “on call” status.

8.6.2.2 While carrying a District authorized cell phone, if the unit member is called back to work, they shall be entitled to a minimum of three hours pay, with the minimum call back time and any additional hours worked to be paid at the overtime rate of at least 1.5 times the hourly rate (or higher overtime rate, if applicable), irrespective of hours worked that day or week in addition to the two hours paid for carrying the cell phone in on-call status.

8.7 ADJUSTMENT OF ASSIGNED TIME

A unit member who is required to work a minimum of thirty (30) minutes or more per day in excess of their regular part-time assignment for a period of twenty (20) consecutive working days or more shall have their regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.

8.8 UNIT MEMBER INITIATED ALTERED WORK SCHEDULE CHANGE

A unit member may request an altered work schedule that does not result in an increase or decrease in the number of hours worked in a normal work week. Such a request is to be made to the supervisor/manager for approval. The request is to include the proposed work schedule and a start and end date for the schedule to be in effect.

The work schedule may be altered for a designated time period, not to exceed twelve (12) months, by mutual consent of the unit member, the immediate supervisor/manager, the CSEA Chapter President or designee, and the Vice Chancellor of Human Resources or designee (Form).

SUMMER RECESS PERIOD: Unit members may voluntarily request a summer alternate work schedule of 4 days at 10 hours per work day, or may choose to maintain a regular work schedule. Supervisors and unit members shall work collaboratively to plan for appropriate coverage for the effective months when summer work schedules are adjusted. Summer alternate work schedules shall begin the first full work week of June through the second full work week of August, excluding the full workweek of June 19th and July 4th. Any time worked exceeding 8 hours in one day shall not be subject to overtime pay. Any time worked over the Alternate Work Schedule shall be subject to overtime pay. For any work week that includes a District holiday(s), unit members are to either return to a regular work schedule for the applicable work week to account for the holiday pay or schedule the

use of an appropriate amount of vacation leave or compensatory time to ensure there is no increase or decrease in the number of required work hours for the work week. A unit member will not be eligible to participate in both the summer alternate work schedule and a remote work program at the same time.

8.8.1 The form is to be routed by the unit member as follows:

1. Supervisor – return to unit member
2. CSEA President or designee – return to unit member
3. Human Resources

A regular unit member in a paid status for less than full-time shall receive the same rate of vacation accrued; however, the rate of paid leave will be applied to the total hours employed. (Example; a unit member earns .03846 hours of vacation for each hour worked.) Regular unit members upon completion of one (1) year of employment with the District shall be granted a maximum of fifteen days or 120 hours per year. (The hourly equivalent rate for 15 days a year would be .05769 hours of vacation for each hour worked. Further increases in vacation earning based on the number of years completed in employment with the District would be as follows:

<u>Years</u>	<u>Per Hours Worked</u>	<u>Vacation hours</u> <u>Maximum</u>
0 – 1	.03846	80 hrs (10 days)
2 – 4	.05769	120 hrs (15 days)
5 – 7	.06923	144 hrs (18 days)
8 – 10	.07692	160 hrs (20 days)
11 & up	.08461	176 hrs (22 days)

Earned vacation shall be accrued effective immediately upon commencement of employment, but shall not become a vested right nor may it be taken until the completion of six months of employment in paid status.

12.3 ACCRUAL

12.3.1 Vacation accrual may not at any time exceed a total of 336 hours. Unit members will cease to earn further vacation until their accrual decreases below the total of 336 hours.

12.4.3.3 Supervisors are responsible for providing every reasonable opportunity for unit members to take vacations each year. Unit members shall make specific vacation requests in writing to their supervisors within a reasonable amount of time prior to the requested time-off. The policy and practice of the District is to grant unit members the opportunity to use accrued vacation so long as the scheduling of vacation does not interfere with the operational needs of the department. With the exception of Section 12.4.3.2 supervisors must approve the time off before it is taken.

12.4.3.4 Vacation requests shall not be approved for unit members who do not have sufficient accrued vacation time.

12.4.3.5 Once the vacation request has been granted, it may not be rescinded, unless under circumstances agreed to by HR and CSEA.

The District will grant paid and unpaid leaves of absence for the purposes outlined and subject to the conditions set forth in this Article, and consistent with state and federal law.

13.1.2 During unpaid leaves of absence, the unit member will not accrue vacation, sick leave, holidays or other leaves, or length of service credit, or medical benefits, unless required by state or federal law.

13.1.3 The approval of the immediate supervisor shall be obtained in advance of any absence from work unless the necessity for such absence cannot be reasonably anticipated in advance.

13.1.4 In situations where the necessity for such absence cannot be reasonably anticipated in advance, the unit member shall report the absence to the supervisor prior to the normal starting time. If the unit member is unable to report the absence, the unit member may designate someone to provide the report.

13.1.4.1 Failure to report the absence within an hour of the starting time of the unit member's shift may result in ineligibility for paid leave and may be considered to be an unauthorized leave. Such absence shall be recorded on the attendance report as unauthorized leave which signifies no pay.

For example if the unit member's starting time is 8:00am the unit member must report the absence no later than 9:00am or it may be considered unauthorized leave.

13.1.5 The unit member shall not be absent from work during their assigned working hours except as otherwise provided in this Section. Any other absence shall constitute an unauthorized absence. If a unit member is absent for three consecutive working days without authorized leave, or without notifying their supervisor, the absence will constitute an automatic resignation. The unit member may request reinstatement from such a resignation within ten (10) days of the effective date of the resignation. Reinstatement may be granted only if the unit member makes a satisfactory explanation of the cause of the absences and/or the failure to notify their supervisor.

- 13.1.6 The supervisor may, with reasonable cause, require a unit member to submit evidence of the reason for and the continued necessity for the absence.

13.2 SICK LEAVE

- 13.2.1 Sick Leave – Earned. "Earned" sick leave is the number of hours the unit member shall be entitled to earn each month at their full rate of pay for the employee's own illness or injury or for the purpose established in California Labor Code sections 230 and 233.

Regular unit members scheduled to work less than forty (40) hours per week and/or less than twelve (12) months per full fiscal year are entitled to that proportion of ninety-six (96) hours of "earned" sick leave per fiscal year as the unit member's number of scheduled work hours relates to a full time work schedule.

Probationary unit members who are scheduled to work forty (40) hours per week, twelve (12) months per fiscal year, shall not be eligible to use more than forty-eight (48) hours of sick leave during the first six (6) months of their employment. When it is impossible for a unit member to schedule a medical or dental appointment at a time other than working hours, he/she may use earned illness absence time. The unit member shall notify the supervisor of the pending absence in advance of the medical or dental appointment. When the need for

absence cannot be anticipated, the unit member shall notify the supervisor at the earliest reasonable opportunity.

13.2.2 Sick Leave – Accumulated. Accumulated sick leave is the unused sick leave which was earned but not used from the previous year(s).

13.2.2.1 Carry-over. Accumulated sick leave carries over to the new fiscal year at the unit member's full rate of pay for illness or injury. There is no maximum to the number of "accumulated" sick leave hours at full pay which a unit member may accrue.

13.2.2.2 Transfer of Sick Leave Credit. Any unit member who served in the classified services of another California school district immediately preceding their employment with San Jose • Evergreen Community College District may have transferred to San Jose • Evergreen Community College District the unused portion of any accumulated sick leave. Any transfer must be completed within one year of the unit member's hire date to San Jose • Evergreen Community College District.

13.2.2.3 Separation From District. If a unit member is separated from the District prior to rendering a complete fiscal year of service, the leave of absence entitlement for the partial year shall be that proportion of twelve (12) days' leave as the number of months in the fiscal year he/she is employed bears to twelve (12). In the event a unit member terminates employment with the District after having used more illness absence hours than the number which they have earned, the unearned portion shall be deducted from the unit member's final warrant. If no salary is due the unit member who has used more illness absence hours than the number earned, the unit member shall be billed by the District for the amount which the District has overpaid.

Unit members must provide their supervisor with a medical certificate whenever they are absent for five (5) consecutive working days.

The medical certificate must state that the unit member is receiving medical care and the inclusive dates when the unit member is unable to work because of a medical condition and the date the unit member is to return to work.

13.2.5 Whenever the unit member has used all illness absence credit to which they are entitled, the absence shall be charged against accrued vacation, if any. When both allowable illness absence and vacation time have been exhausted, deductions for time loss shall be made from the unit member's salary. A regular unit member who is on an unpaid leave of absence granted by the Governing Board shall retain all illness absence credit earned prior to the leave of absence, but shall earn no credit for illness absence during the leave.

13.2.6 Differential Sick Leave. A unit member who is absent from their duties on account of illness or accident, whether or not the absence arose out of or in the course of employment, shall be provided Differential Sick Leave of a maximum of one hundred-ten (110) work days. - 13.2.6.3.6** The Differential substitute pay is cumulative and does not begin anew when broken by active service within the fiscal year. The Differential substitute pay does not begin anew for the same accident or illness if an absence bridges two (2) fiscal years.
- 13.2.6.4** The unit member's absence has been certified by their doctor.
- 13.2.6.5** After Differential Sick Leave has been exhausted, the unit member may resign, retire, or apply for an unpaid leave of absence of up to one hundred-ten (110) working days. If the unit member fails to resign, retire or apply for an unpaid leave of absence, or the leave is denied, the unit member shall be placed on a 39-month re-employment list (Article 13.14).

13.3 PERSONAL NECESSITY LEAVE

Upon prior written approval unless otherwise required by law, Sick Leave may be used by the unit member in case of personal necessity. Personal Necessity Leave shall be limited to circumstances that are serious in nature and that the unit member cannot reasonably be expected to disregard, but that necessitate immediate attention, and cannot be taken care of after work hours or on weekends. Emergency circumstances may prevent a unit member from requesting prior written approval. In such cases, the unit member shall telephone the District at the earliest reasonable opportunity

It must be scheduled in advance with the appropriate administrator or supervisor whenever possible. When advance scheduling is not possible because the leave is required to meet an emergency, the supervising manager must be promptly notified that the employee is requesting personal business leave time.

Personal Business Leave shall be deducted from unit member’s sick leave. Personal Business Leave shall not accumulate or carry over into the next fiscal year.

- 13.6.5** The Industrial Accident and Illness Leave of Absence is to be used in lieu of entitlement acquired under the Education Code. When entitlement to Industrial Accident and Illness Leave has been exhausted, entitlement to other Sick Leave shall then be used; but if a unit member is receiving Workers' Compensation they shall be entitled to use only so much of their accumulated or available Sick Leave, Vacation or other available leave which, when added to the Workers' Compensation award, provides for a full day's wage or salary.

In this case, the District shall then cause the unit member to receive their normal wage or salary less appropriate deductions, including, but not limited to, unit member retirement contributions, and an amount equivalent to the face amount of the temporary disability check, which the unit member has been permitted to retain.

13.6.7 Unit member benefits are to be computed on the basis of the unit member's regular wage or salary while in a paid status, prior to the deduction of any amounts for temporary disability payments. Reduction of entitlement to leave shall be made only in accordance with Section 88192 of the California Education Code.

13.12 FAMILY MEDICAL LEAVE (FAMILY MEDICAL LEAVE ACT AND CALIFORNIA FAMILY RIGHTS ACT)

In compliance with the Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), eligible District unit members may take unpaid leave of up to 12 weeks for qualified medical and family reasons unless otherwise specified. While on qualifying Family Medical Leave, unit members are entitled to District paid benefits as outlined in this section.

13.12.1 Family Medical Leave is not an additional leave. This means that the leave is granted only to ensure a total of 12 weeks of leave with benefits. For example, if a unit member has taken personal necessity leave of one week, for a reason that qualifies for FMLA/CFRA. The Family Medical Leave will run concurrently with the FMLA/CFRA leave. Upon approval of the FMLA/CFRA if the leave was originally taken from their personal necessity accrual, the personal necessity leave shall be restored and the time will instead be deducted from the employee's general sick leave while also drawing down the employee's accrued FMLA/CFRA for the qualifying time period.

13.12.2 Eligibility: Unless otherwise specified. Unit members who have been employed for at least twelve (12) months of continuous service and have worked for the District for 1250 hours within the preceding twelve (12) months are eligible for this leave; continuous service consists of full-time or part-time employment for the number of months customarily worked by unit members in that job classification. If a unit member separates from service after attaining more than one year of continuous service and is subsequently re-employed by the District, the unit member is not eligible for Family Medical Leave until they complete another year of service. Qualifying events for purposes of the Family Medical Leave include:

13.12.2.1 The birth or placement of the child with the Unit member for the purpose of adoption or foster care, within one year of such birth or placement; or

13.12.2.2 The unit member's own serious health condition that makes the employee unable to perform the functions of the position; or

13.12.2.3 A serious health condition of a unit member's qualifying relative (as defined by the FMLA and CFRA) which requires the unit member to care for the family member. A qualifying relative for Section 13.12 is the member's spouse or registered domestic partner, or the member's child, parent, grandparent, grandchild or sibling; or

13.12.2.4 Qualifying exigency leave due to military service as defined by the Family Medical Leave Act; or

13.12.2.5 Military caregiver leave as defined by the Family Medical Leave Act, unit members eligible for military caregiver leave are entitled to up to twenty-six (26) weeks of unpaid leave.

13.12.3 Application for Leave

A request for Family Medical Leave must be made in writing by completing the Family Medical Leave application form and submitting it to the unit member's administrator which will be forwarded to the Office of Human Resources. The

unit member must request FMLA/CFRA leave at least thirty days before the requested start of the leave if the need is foreseeable. If it is not foreseeable within thirty days' notice the unit member must request the leave as soon as practicable. The completed application must state the reason for the leave and the beginning and ending dates of the leave. The District is entitled to request information regarding the basis for the request in order to determine whether the leave qualifies under the FMLA/CFRA.

13.12.4 Conditions of Family Medical Leave

- 13.12.4.1** A unit member who requests Family Medical Leave for the member's own serious health condition is required to use all available paid time: accrued sick leave, all available comp. time, vacation and differential pay of up to five months total leave. A unit member who requests Family Medical Leave to care for a qualifying relative or member of the immediate household for a FMLA/CFRA qualifying reason may choose to use sick leave to cover the requested Family Leave period. However, they must first use all available comp and excess vacation, then personal necessity followed by sick leave. The unit member may also choose to use vacation time before using unpaid leave. At the exhaustion of all above paid leaves, the remainder of the leave - up to a maximum of twelve weeks - will be unpaid. District paid benefits, if applicable, will continue through the duration of the leave on the condition that the unit member returns to work after the leave.
- 13.12.4.2** Only one Family Medical Leave may be taken in each twelve month period. This twelve month period is a forward rolling leave calculated from the date on which the last Family Medical Leave started, or in the case of the first leave, the first date on which the unit member becomes eligible and has a qualifying reason.
- 13.12.4.3** The District may require the unit member to obtain a second medical opinion at District expense. If the two medical opinions conflict; the opinion of a third medical provider, approved jointly by the unit member and the District, may be required at District expense, and the third opinion will be final and binding.
- 13.12.4.4** Leave taken because of the serious health condition of a unit member, or qualifying family member as defined by the FMLA or CFRA, or member of the immediate household may be taken intermittently or on a reduced schedule when medically necessary. Leave may be counted in full or partial days or full or partial weeks. However, leave taken because of the birth or placement of a child may be taken intermittently as follows: in two-week minimum increments and/or two instances of leave of less than two weeks within the 12-week leave

period. Any other intermittent must be expressly approved by the Director of Human Resources or designee.

13.12.4.5 While in unpaid status under Family Medical Leave, a unit member will not accrue additional benefits such as sick leave, vacation, or seniority. However, Family Medical leave is counted as active work status for the purposes of pension vesting or eligibility in pension plans.

13.12.4.6 If both parents work for the District, their leave is limited to a combination of twelve weeks for the bonding leave for the qualifying event of a birth, adoption, or foster care placement. A unit member's pregnancy disability leave is not deducted from their twelve weeks of CFRA eligibility.

13.12.4.7 For the California Family Rights Act (CFRA), only, eligible employees may also take leave to care for individuals who are not family members.

13.12.5 Medical Certification Statement. An application for leave based on the serious health condition of the unit member or the unit member's qualifying relative as identified in Section 13.12.2.4 must be accompanied by a Medical Certification Statement completed by a health care provider. The certification must state the date of which the health condition commenced, the probable duration of the condition, and the appropriate medical facts allowed by the law regarding the condition. If leave is for the care of a qualifying relative, it should also estimate the amount of time that the unit member will be needed to care for the patient. If leave is for the unit member's own health condition, certification should also state that the unit member is unable to perform the functions of his or her own position. If additional leave is requested beyond the period stated in the certification, the District may require re-certification in accordance with these procedures.

13.12.6 For purposes of CFRA leave only, a serious health condition of a person designated by the unit member. A unit member may designate one "designated person" per 12-month period who is any individual related by blood or whose association with the unit member is equivalent of a family member.

13.12.7 Return from or Failure to Return from Leave. The unit member is expected to return to work on the date stated in the application for leave. If the unit member wishes to return earlier, both the unit member's administrator and the Office of Human Resources should be notified at least 5 days before the unit member's planned return. Failure to return from leave without notification may be constructed as an abandonment of the unit member's position. The District will require a certification that the unit member is physically able to return from leave due to the unit member's own serious health condition. However, if a unit

member returning from Family Medical Leave due to the member's own serious medical condition is unable to perform the essential functions of their job because of a physical or mental condition, the District's obligations to that unit member may be governed by the Americans with Disabilities Act and Fair Employment and Housing Act.

- 13.12.8** Reinstatement Rights. A unit member on Family Medical Leave is entitled to be returned to the same position held prior to the leave, if still available, or to a position with equivalent pay, benefits, if applicable, and other terms and conditions of employment, subject to provisions of the Contract. A unit member on Family Medical Leave will not suffer the loss of any other employment benefits that the unit member earned or was entitled to before using the leave.
- 13.12.9** Health Care Benefits (if applicable). District paid benefits will continue during the period of Family Medical Leave. If the unit member does not return from leave and employment is terminated, District paid benefits shall terminate at the end of the month in which they were last in paid status.
- 13.12.10** Coordination with Pregnancy Disability Leave. Family Medical leave is separate and distinct from disability leave for pregnant unit members. Pregnant unit members may be entitled to a disability leave in addition to the Family Medical Leave. An eligible unit member may be entitled to take a pregnancy disability leave of up to four months and a Family Medical Leave of up to twelve weeks for a combination of approximately seven months.

13.13.1 Definitions:

- 13.13.1.1** Catastrophic Illness or Injury means an illness or injury that is expected to incapacitate the unit member or a member of the unit member's family and which incapacity requires the unit member to take time off from work for an extended period of time and creates a financial hardship for the unit member because the unit member has exhausted all of their sick leave and other paid time off. Catastrophic Illness or Injury includes but is not limited to, heart attack, stroke, kidney failure, cancer, major surgery and/or treatment for life threatening illness or hospitalization as a result of a severe automobile or other accident. Mental stress related to illness, normal pregnancy, and normal illness such as colds, flu, allergies, are excluded.

13.13.2 Basic Provisions:

13.13.2.1 Any unit member may donate a maximum of 25 days of accrued sick leave credits to the Catastrophic Illness Leave (CIL) Bank in full day (8-Hour) increments. The donor must retain a 40 day balance of sick leave credits after the donation, except that terminating unit members may donate up to the balance of their sick leave. All donations are voluntary and all donated leave becomes the property of the CIL Bank and under no circumstances will be returned to the donor.

13.13.2.2 An eligible unit member may receive a maximum of 40 days of donated sick leave from the CIL Bank for each catastrophic illness or injury. In order to be eligible to receive leave from the CIL Bank:

- (ii) the unit member must exhaust all paid leave;
- (iii) the unit member must not be eligible for worker's compensation benefits or long-term disability benefits.

13.13.2.3 CIL runs concurrently with Family Medical Leave or any leave granted under Section 13.9.

13.13.3.1 CSEA and the Human Resources Office will conduct an annual solicitation each September 1 through September 30. In addition, CSEA and Human Resources may solicit donations at other times as needed to maintain a sufficient balance.

Any unit member may donate sick leave by submitting a signed donation form irrevocably donating the designated leave to the CIL Bank as per Article 13.13.2.1 as follows:

- a. During an annual solicitation each September 1 through September 30 of each year.
- b. Any time a unit member wishes to donate sick leave to the CIL bank

13.13.3.2 Upon a request by the CSEA President, the Vice Chancellor of Human Resources will provide the balance of the CIL bank to the CSEA Chapter President.

13.13.4 Procedure for Requesting:

- 13.13.4.1** An applicant shall submit an Application for Leave request to the Vice Chancellor of Human Resources. All requests must be accompanied by a physician's statement verifying the Catastrophic Illness or Injury.
- 13.13.4.2** The Vice Chancellor of Human Resources and the CSEA President shall review the application and determine if the applicant is eligible for CIL.
- 13.13.4.3** The identity of a unit member receiving CIL will be kept confidential unless the unit member authorizes release of their identity. Other information related to the circumstances of the Catastrophic Illness or Injury will remain confidential.

13.13.5 Ineligibility to receive CIL:

A unit member is ineligible to receive CIL in the following circumstances:

13.14 REEMPLOYMENT LIST

When all available leaves of absence, paid or unpaid, have been exhausted, and if the unit member is not medically able to assume the duties of their position, the unit member shall, if not placed in another position, be placed on a re-employment list for a period of thirty-nine (39) months.

When available during the thirty-nine month period, the unit member shall be employed in a vacant position in the class of their previous assignment over all other available candidates except for a re-employment list established because of lack of work or lack of funds, in which case the unit member shall be listed in accordance with appropriate seniority regulations.

Any unit member who has been placed on a re-employment list, as provide herein, who has been medically released for return to duty and who fails to accept an appropriate assignment shall be dismissed.

ARTICLE 14

INTRA-DISTRICT TRANSFER POLICY

14.1 STATEMENT OF POLICY

The Intra-District Transfer Policy shall be applicable when, by consensus of the Presidents, in consultation with Human Resources and the appropriate supervisor, a vacancy exists at any college, satellite location or in the District offices, in a lateral position. A lateral position is a position with the same title/classification, and the same number of work hours in the work year that provides no change in the regular rate of pay to the classified unit member.

14.1.1 Transfers may be initiated by individual classified unit members, by the college, and/or District administration when staffing and/or fiscal and/or enrollment conditions necessitate an increased need or a reduction of personnel at a College or in the District offices, and if openings exist at another College or in the District offices for which the staff members involved are classified and qualified. Reasons for transfer under this provision may include, but are not limited to:

desire of individual classified unit member; the physical well-being of the person involved or of other staff members; balance of quality of support services to be rendered at the Colleges; problems of staff morale; and for reasons deemed to be in the best interests of the District.

14.1.2 Voluntary Lateral Transfer (unit member Initiated)

Any classified unit member of the District may apply for a transfer to a vacant position at any District location.

14.1.2.1 A lateral position is a position with the same title/classification, and the same number of work hours in the work year that provides no change in the regular rate of pay to the classified unit member. The same work shift (start and stop times) shall not be a requirement in establishing a lateral position for purposes of a voluntary lateral transfer.

14.1.2.2 All appropriately qualified and classified voluntary applicants for transfer shall be considered to be in competition for the position.

14.1.2.3 All requests for transfer must be submitted on a District Classified Application and must be submitted to the Human Resources Office prior to the posted deadline.

14.1.2.4 All qualified unit members shall receive an interview by the screening committee for the vacant position.

14.1.2.5 Unit members who are applicants for transfer, if not selected, shall upon request be given a written statement listing the reasons(s) for their non-selection.

14.1.3 Involuntary Transfers (Administration Initiated)

The Chancellor shall have the authority to reassign classified unit members. Such assignments shall be made in accordance with the unit member's qualifications and the needs and best interests of the District in providing an effective and balanced educational program.

14.1.3.1 Whenever possible, a person selected for involuntary transfers shall be given fifteen (15) working days prior written notification and shall be provided, upon request, an opportunity to meet with the College President and Human Resources to discuss the proposed transfer.

14.1.3.2 The actual transfer date of the transferee shall be determined by Human Resources after consultation with the appropriate supervisors.

14.1.3.3 In the event that more than one (1) unit member is found to be equally qualified, the most recently employed person shall be transferred.

14.1.4 Concurrent Assignment (Serving at More Than One College)

When concurrent assignment is made, the implementation of such assignment shall be according to the criterion of best meeting the needs of the District and Colleges as determined by concurrence of the Presidents and District Human Resources, after conferring with the appropriate supervisors. The assignment shall be effective upon approval by the Chancellor. Concurrent assignments will be made only after reasonable efforts to meet staffing needs by the reassignment of personnel currently employed at the respective work locations.

14.1.4.1 Mileage reimbursement at District approved current rate for the round trip distance between the two colleges shall be paid when concurrent assignment requires the inter-college/district travel on the same day.

ARTICLE 15

HIRING AND ADVANCEMENT

15.1 ADVANCEMENT

The District is committed to providing advancement opportunities for its unit members. This will give unit members an opportunity to gain work experience in a higher level classification.

15.2 INTERNAL HIGHER LEVEL OUT OF CLASS OPPORTUNITIES

When a new bargaining unit position is established or an existing bargaining unit position is to be filled temporarily for a minimum of two (2) months and a maximum of one (1) year, it will be posted internally.

15.2.1 Internal Higher Level Out of Class Opportunities are to be offered according to the following guidelines:

15.2.1.1 Offer to permanent, non-probationary unit members within the department. When more than one member within a department meets the needs of the position, notice of the opportunity shall be distributed within the department. A three (3) business day response window shall be provided.

15.2.1.2 Offer to permanent, non-probationary unit members outside the department. Notice of the opportunity shall be distributed to current unit members. A three (3) business day response window shall be provided.

15.2.1.3 When a permanent, non-probationary unit member is not available to perform the necessary assignment, notice shall be listed externally.

15.2.2 The selection process shall include the following guidelines:

15.2.2.1 Notice shall generally mean email notification.

15.2.2.2 Interested unit members are to submit a resume and letter of interest to the appropriate supervisor as indicated on the notice.

15.2.2.3 Upon receipt, the supervisor shall interview qualified internal candidates.

15.2.2.3.1 Interview shall include supervisor and an appropriate unit member designee. Supervisor may make a recommendation as to the designee.

15.2.2.3.2 Upon completing an Internal Higher Level Out of Class assignment, a unit member will be ineligible for another Internal Higher Level Out of Class (“HLOOC”) Opportunity (as defined in this section) for a period of one year.

15.2.2.3.3 Each unit member may accept a maximum of three (3) Internal Higher Level Out of Class Opportunities (as defined in this section) during a five-year period.

15.2.2 A unit member selected for the position will accrue seniority in their regular classification, not the temporary classification in which the member is serving an HLOOC assignment. The unit member shall be placed on the new salary range at the step which provides a salary increase of at least 7.5%; however the salary cannot go beyond the “E” step of the new salary range. At the end of the HLOOC assignment, the unit member will return to their regular position (at the same campus, department, classification, and pay rate to which they were originally assigned before serving the HLOOC assignment). If the unit member would have been entitled to a step increase during the period of time in the HLOOC position, the unit member will be reinstated back to their regular position at that step which they would have been due.

15.2.3 Unit members will apply for HLOOC opportunities by submitting a resume and letter of interest which will outline how the unit member is able to meet the job key duties and responsibilities based on their knowledge and experience by the deadline. Unit members who demonstrate a nexus between their experiences in their resume and letter of interests with the job key duties and responsibilities of the relevant job description will be interviewed automatically. The hiring administrator will make the final selection.

15.2.4 Nothing contained herein shall prevent the District from assigning or reassigning a bargaining unit member to a different position within the District. Article 14 establishes procedures for intra-District transfers. Serving in a HLOOC assignment does not guarantee a unit member’s fulfillment of any required minimum qualifications in order to fill a position on a permanent basis.

15.3 PROMOTIONS

15.3.1 Permanent Promotional Position: A permanent unit member may be selected to fill a vacant permanent position or a new permanent bargaining unit position in a higher classification within the bargaining unit as a result of an open competitive process.

A permanent position is a position intended to exist for more than one year. The unit member's new position will be known as the promotional position.

- 15.3.2 Interview:** All permanent unit members who meet the minimum qualifications for the job will be granted an interview along with those qualified external candidates selected for interviews. Being interviewed does not guarantee that a unit member will be selected for the position.
- 15.3.3 Promotional Probationary Period:** unit members promoted to a higher classification shall serve a promotional probationary period of six (6) months in the promotional position beginning with the first day of service in the position. Time off for holidays, fully-paid sick leave, bereavement, family illness or jury leave shall not extend the promotional probationary period. However, periods of absence for other purposes, such as vacation, shall not be counted in satisfaction of the six (6) month service requirement.
- 15.3.4 Return:** A unit member serving a promotional probationary period shall be entitled to return to their prior position within ninety (90) days of the beginning of the promotional probationary period without loss of seniority in the prior position.
- 15.3.5 Evaluation of Probationary Promotional unit members.**
- 15.3.5.1 Timing of Evaluations:** A unit member serving a promotional probationary period shall be evaluated at the end of the second and fifth months of service. Special evaluation reports may be made at other than the specified times when such are deemed necessary by the supervisor or designated manager.
- 15.3.5.2 Satisfactory Performance:** The written performance evaluation report completed at the end of the fifth month of service must indicate satisfactory job performance in order for the unit member to successfully complete the probationary period and to achieve permanent status in the position.
- 15.3.5.3 Effect of Unsatisfactory Performance:** Should the rating at the end of the fifth month of service be less than satisfactory, the unit member may be terminated from their promotional position and shall be reinstated to the unit member's prior position.

ARTICLE 16

16.3 PERFORMANCE EVALUATION REVIEW

16.3.1 Evaluation Meeting: Each unit member shall be given a copy of the performance evaluation and the supervisor who completed the evaluation shall meet with the unit member to review the unit member's performance during the recorded evaluation period. The purpose of the evaluation is to provide an opportunity for the employee and supervisor to have an open discussion concerning the employee's performance and to set goals, performing at an acceptable performance level or improving performance as warranted. The performance evaluation also serves to document the employee's performance over the previous period specified.

16.3.2 Request for Review: A permanent unit member may request a review of their evaluation by the evaluator's supervisor within ten (10) working days after receiving the evaluation if the unit member identifies a concern with their evaluation. A probationary unit member may not request a review.

16.4 PERFORMANCE IMPROVEMENT PLAN

If a unit member's performance does not meet standards at any point in the evaluation cycle their immediate supervisor may establish a performance improvement plan. A performance improvement plan will identify specific areas for the unit member to improve, the manner in which the improvement will be measured, resources and support available to the unit member to improve, a schedule for the unit member and supervisor to meet to assess the unit member's progress, and a fixed time frame by which the performance improvement plan will end.

ARTICLE 17

PERSONNEL FILES

- 17.1** Personnel files of unit members shall be maintained at District Human Resources. Such files shall be available for inspection as set forth below.
- 17.2** Every classified unit member shall have the right to inspect their personnel file upon request provided the request is made at a time when the unit member is not actually required to render service to the District. Personnel files which may be inspected shall not include ratings, reports, or records which were obtained prior to the employment of the unit member.
- 17.3** Information of a derogatory nature except materials mentioned in Article 17, Section 17.2 above shall not be entered or filed unless the unit member is given written notice and the opportunity to review and comment thereon within a ten (10) day period. A unit member shall have the right to enter, and have attached to any such derogatory statement, their own comments thereon. If the District fails to provide appropriate notice as set forth in this Section, the unit member may petition the District to remove the derogatory materials. Furthermore, derogatory information may not be entered into a personnel file more than one (1) year after an event occurred unless the supervisor was unaware of the occurrence of the event.
- 17.4** All classified unit members who want to inspect their personnel files shall make an advance appointment. Personnel files shall be available for inspection during regular office hours each day the office is open for business.
- 17.5** Personnel files shall be confidential and shall be available for inspection only by the unit member, their supervisor or the Union, under the provisions of Article 3, Section 3.4.

The notice shall include a copy of the original grievance and Level IV appeal, all the decisions rendered, and all other relevant information.

18.6.3 Selection of Arbitrator: If the Union and the District cannot agree on an individual to act as the arbitrator, they shall request an odd numbered list of experienced individuals from the California State Conciliation Service or the American Arbitration Union. ARTICLE 19

Disciplinary action primarily relies on actions that are progressive which includes employee conferencing/oral warnings, written warnings, written reprimands, suspensions, involuntary demotions and dismissals. When the incident giving rise to discipline is significant in nature, the resulting disciplinary action may warrant combining or skipping steps in the process. The provisions of this Article apply to permanent, non-probationary workers only.

19.2 CAUSES FOR DISCIPLINE

The continued employment of any permanent unit member is contingent upon proper performance of assigned duties, proper conduct, and personal fitness. Causes for discipline shall include, but not be confined to one or more of the following, which shall be grounds for suspension, demotion or dismissal of any permanent unit member:

- 19.2.1 Abandonment of position. A position shall be deemed abandoned if a unit member fails to report for work without notifying the supervisor for three (3) consecutive days.
- 19.2.2 Abuse or misuse of sick leave or any other authorized leave privileges.
- 19.2.3 Carelessness, willful misconduct, or negligence in the performance of duty, including sleeping while on duty.
- 19.2.4 Conviction of a serious crime by a court of law. A serious crime includes the conviction of a felony, any crime involving moral turpitude, or any crime bringing discredit upon the District. A plea or verdict of guilty or a conviction following a plea of nolo contendere to a charge or a serious crime shall be deemed to be a conviction within the meaning of this section.
- 19.2.5 Displaying discourteous, offensive, or abusive conduct or language toward supervisors, other unit members, students, or the public while in the performance of District employment.

- 19.2.11** For unit members who drive a vehicle in the regular course of their employment: Failure to satisfy the insurability requirements of the District's insurance carrier under the District's regular insurance policies. The District's ability to obtain insurance for the unit member under a high risk or any policy other than the regular insurance policies does not mitigate this failure.

- 19.2.13** Insubordination (including, but not limited to, refusal to do assigned work).
- 19.2.14** Offering of anything of value or any service in exchange for special treatment in connection with employment, or accepting anything of value or any service in exchange for granting any special treatment to another unit member or to any member of the District staff or the public.

19.3 PROGRESSIVE DISCIPLINE

Progressive discipline upholds the value of the unit member. By understanding the importance of appropriate feedback and specific information from the supervisor, a unit member has the opportunity to correct deficiencies.

When the unit member fails to self-correct, the discipline regarding poor performance/unacceptable conduct may become more severe. At each step, the cause(s) for discipline and the specific acts of inadequate performance/misconduct giving rise to the discipline shall be clearly identified. Whenever, a unit member meets with a supervisor or manager to discuss performance/conduct issues that may lead to discipline the unit member has the right to be represented.

Progressive discipline shall generally include these steps:

- 19.3.1 Oral Warning/Conference. An informal meeting with unit member and supervisor to discuss performance/conduct concerns and identify the appropriate actions for improvement. This is the lowest level of discipline. A supervisor shall follow-up with a memo that clearly states the cause(s) for discipline, the specific acts of inadequate performance/misconduct giving rise to the discipline, and the expectations for improvement. This memo is not placed in the personnel file.
- 19.3.2 Written Warning. A document issued to the unit member that identifies the cause for discipline, the specific acts of inadequate performance/misconduct giving rise to the discipline, the expected remedies and a reasonable and specific time frame by which improvement is expected. This is the next level of discipline. The written warning is a form of communication between the supervisor and the unit member. This warning is not placed in the personnel file.
- 19.3.3 Written Reprimand. A written document is prepared that identifies the reasons for the reprimand that shall include the causes for discipline, the specific acts of inadequate performance/misconduct giving rise to the discipline, and the previous disciplinary notifications to the unit member. The written reprimand shall be presented to the unit member and a CSEA Steward, if requested, in a meeting with the supervisor at minimum. A copy of the reprimand shall be placed in the unit member's personnel file. The supervisor shall give the unit member in writing the expectations for improvement, and a reasonable and specific period of time to permit the unit member time to correct the deficiency without incurring further disciplinary action. The unit member shall receive notification from Human Resources that they have ten days to attach a statement/response to the reprimand.
- 19.3.4 Suspension. This action identifies a specific number of days and a certain time period for an employee to be relieved of their duties without pay. The employee shall receive a written notice of charges executed by the Chancellor or designee. Upon return from a suspension, the unit member shall meet with their supervisor.

The unit member may request CSEA representation at this meeting. The supervisor shall reiterate the reason for the suspension and the behavior or corrective action needed to prevent further disciplinary action.

19.3.5 Involuntary Demotion. Placement of a unit member into a lower classification, may be an option if appropriate.

19.3.6 Termination. Employment with the District ceases and unit member is dismissed.

19.4 DISCIPLINARY PROCEEDINGS

19.4.1 Notice:

19.4.1.1 A recommended disciplinary action shall be initiated and shall be effective for all purposes, except as hereinafter described, when a written notice of said action, executed by the Chancellor or designee, is served upon the permanent unit member to be disciplined.

19.4.1.2 Such written notice shall contain the following:

- (a) The specific charges against said unit member in terms of the acts of misconduct with which they are charged and the relation thereof to the specific causes for disciplinary action listed above.
- (b) A statement of a said unit member's right to appeal for a hearing on such charges and enclosed form to be used to request such a hearing.
- (c) The time within which such hearing shall be requested.
- (d) If the recommended disciplinary action is termination or a suspension of more than five (5) days, a statement that the unit member may request a *Skelly* conference or may submit a written response prior to any disciplinary action being taken.

19.4.2 The discipline recommended by the notice shall commence on the work day immediately following the day of service of said notice unless the District is required to offer the unit member the opportunity for a pre-disciplinary conference pursuant to *Skelly vs. State Personnel Board*.

19.4.2.1 A suspension of five (5) days or less does not require the District to offer the opportunity for a *Skelly* conference; however, the immediate supervisor shall meet with the unit member and the Union to explain the reason for the suspension.

19.4.2.2 If the recommended disciplinary action is termination or a suspension of more than five (5) days, the unit member may request a *Skelly* conference

or may submit a written response prior to any disciplinary action being taken.

- 19.4.2.3** If, after receiving and evaluating the unit member's response, the *Skelly* Officer believes modifications to the notice are necessary; they shall make any recommendations to the Chancellor that are appropriate. Unless the *Skelly* Officer informs the unit member to the contrary, however, the discipline shall become effective on the date specified in the notice.

19.5 HEARING

A unit member served with a notice of disciplinary action as described above shall be entitled to appeal said action to the Governing Board of the District.

19.5.1 Request for Hearing

- 19.5.1.1** The request for hearing must be filed on the form provided within five (5) working days of the service of the notice of disciplinary action. Such service is deemed completed at the time of deposit in the U.S. Mail. Should said fifth (5th) day fall on a day on which the offices of the District are not open for business, the time within which said notice of appeal may be filed shall be extended until 5:00 p.m. of the next following day when the offices of the District are open for business.
- 19.5.1.2** Failure to request a hearing within five (5) working days of the date of the notice shall be a waiver of a right to a hearing unless special circumstances are present which justify extension of the time period.

19.5.2 Scheduling of the Hearing

A hearing shall be conducted by either the Governing Board of the District or by a hearing officer.

- 19.5.2.1** If the Governing Board will not be conducting the hearing, within (30) days after the date of the filing of the appeal, unless otherwise agreed to by CSEA and the District, the District and CSEA shall attempt to agree mutually on a hearing officer. If the parties are unable to reach mutual agreement, the District shall, as soon as possible, either:

Obtain a panel list of hearing officers from the State of California Mediation/Conciliation Service and conduct alternative strikes to narrow the list to one hearing officer

OR

Refer the hearing to the California Office of Administrative Hearings for the appointment of an administrative law judge as the hearing officer.

19.5.2.2 The appellant unit member shall be given not less than ten (10) days written notice of the date, time, and place of said hearing of the Governing Board or hearing officer. Said notice of the date, time, and place of hearing shall be effective upon its deposit and addressed to the last known address of the appellant unit member as set forth in the unit member's personnel file.

19.5.3 Conduct of Hearing

At the time and place designated, the Governing Board or hearing officer shall hold a hearing for the purpose of determining the validity of the charges brought against the appellant unit member and of the reasonableness of the discipline imposed pursuant to said charges. Such hearing shall be closed to the public unless otherwise requested by the appellant unit member. The appellant unit member may be present and have the right to be represented by counsel. The hearing may be continued from time to time and at the end of such presentation the Governing Board or hearing officer may take the evidence under consideration for a reasonable period of time before announcing its decision in the matter.

19.5.4 The Chancellor shall carry the burden of proof in support of the disciplinary action. The Chancellor and the appellant unit member may call witnesses, shall have the right of cross-examination, and may present documentary and demonstrative evidence.

19.5.5 Recommendation of the Hearing Officer

If a hearing officer is appointed by the Governing Board, a non-binding advisory opinion or recommendation shall be presented in writing to the Governing Board no later than fifteen (15) days after the hearing is completed unless otherwise agreed to by CSEA and the District.

19.5.6 Decision of the Governing Board

The decision of the Governing Board shall designate express findings of the charges upon which the disciplinary action was based and may wholly reverse or affirm the disciplinary action imposed by the Chancellor or modify the severity of same.

19.5.7 Loss of Salary

If the disciplinary action of the Chancellor is wholly reversed by the Governing Board, or the severity of discipline imposed is partially reversed, the unit member may be entitled, upon the decision of the Governing Board or hearing officer, to complete or partial reinstatement as the case may be, and shall be entitled to

reimbursement from District funds of that salary forfeited by virtue of that portion of the disciplinary action which was overruled by the Governing Board.

19.5.8 Finality of Decision

The findings and decision of the Governing Board shall be final and conclusive on all parties, and not subject to the grievance procedures provided for in this contract.

ARTICLE 22

CLASSIFIED LAYOFFS

- 22.1** The following procedures will be utilized for layoffs of classified staff.
- 22.1.1** For purposes of this Article, a “class” is any group of positions sufficiently similar in duties, responsibilities and minimum qualifications required that they have the same job title and salary range in the adopted Classification Plan. A class may consist of a single position.
- 22.1.2** Unit members may be laid off, or given the opportunity for voluntary demotion, or exercise bumping rights in accordance with the requirements of Education Code Section 88017 for the following reasons:
- 22.1.2.1** Reduction or elimination of services
 - 22.1.2.2** Lack of work
 - 22.1.2.3** Actual and existing financial inability to pay salaries
 - 22.1.2.4** The expiration of a specially funded program
 - 22.1.2.5** Lack of funds
- 22.1.3** Procedures for layoff notice and rights to a hearing, if applicable to the unit member, are set forth in the California Education Code Section 88017. The District will notify the union leadership of impending layoffs as far in advance as possible and shall meet with the union to bargain any negotiable impacts and effects of impending layoffs not covered by this agreement.
- 22.1.4** Unit members in classified positions eliminated as a result of the expiration of a specially funded program are not entitled to all of the notice provisions of California Education Code Section 88017 or a hearing. Classified employees laid off due to the expiration of a specially funded program shall be given written notice of not less than 60 days prior to the effective date of their layoff. This layoff notice must contain the effective date of the unit member’s layoff and inform the unit member of their displacement rights and reemployment rights.
- 22.1.5** Education Code Section 88017 does not interfere with the District’s right to release probationary employees who never become permanent without notice or hearing.

22.1.6 Displacement Rights

- 22.1.6.1** Unit members whose positions are eliminated maintain the right to displace other unit members with less seniority in the same classification.
- 22.1.6.2** In lieu of layoff, senior unit members have the right to bump a unit member with less seniority in a lower class or equal class in which the senior unit member has previously served, in paid status. No bumping is allowed if the senior unit member had not previously been granted regular status in the District. In the event that the classification for the previously served-in position has changed due to reclassification, the senior unit member has the right to bump into the changed classification provided the unit member meets the minimum qualifications as determined by the District, and consistent with Education Code.
- 22.1.6.3** The senior unit member exercising their bumping rights shall move into the position of the least senior unit member when there are no positions vacant in the classification, provided the length of work day and work year are the same for both positions. If there is a vacant position in the classification, the displaced unit member shall move into the vacant position provided the length of work day and work year are the same for both positions. In the event the hours and work year of the vacant position, or the least senior unit member's position, are less than the hours of the displaced unit member's previous position, they shall have the right to bump the least senior unit member in the equal or lower classification (in which paid service has been performed and regular assignment status has been achieved) which most nearly approximates the annual wages and benefits of the position in which the person currently serves, in order to maintain their hours and length of work year. The unit member shall retain the highest salary step earned in service to the District in either of these two positions.
- 22.1.6.4** Displacement rights must be exercised by the unit member within seven (7) calendar days of notice of layoff.
- 22.1.6.5** If two (2) unit members subject to layoff have equal seniority in a class the determination as to who will be laid off will be made on the basis of the earlier hire date in the District; if that be equal, the determination shall be made by lot.

22.2 EMPLOYMENT RIGHTS

Persons laid off are eligible for reemployment to their previous position for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants.

22.2.1 If the District reemploys a unit member as a permanent unit member under the provisions of this section, it shall disregard the break in service of the unit member and classify them as, and restore them to all the rights, benefits and burdens of a permanent unit member in the class to which they are reinstated or employed.

22.2.2 Persons laid off shall have the right to participate in promotional opportunities within the District for a period of thirty-nine (39) months.

22.2.3 Unit members may take a voluntary demotion in lieu of layoff. Unit members who do not have seniority rights to a lower classification may take a voluntary demotion to a vacancy in a lower classification for which they meet the minimum qualifications. The unit member may choose any vacant position below their current range, for which they qualify. If more than one unit member is eligible for a position, the highest in seniority shall choose first and the rest in descending order.

22.2.4 Unit members who take voluntary demotions in lieu of layoff shall maintain reappointment rights to the classification held before demotion for sixty-three (63) months, provided that the job description qualifications for that classification remain the same or less.

22.3 NOTIFICATION OF REEMPLOYMENT OPENING

Any unit member who is laid off or who accepts a voluntary demotion in lieu of layoff and is subsequently eligible for reemployment (reappointment in the case of voluntary demotion) shall be notified in writing by the District as to the date of the opening at their last known address. The unit member shall be responsible for notifying the District of any changes in address. A recalled unit member shall notify the District of their intent to accept or refuse employment within 48 hours following receipt of the reemployment (or reappointment) notice. If the unit member accepts reemployment (or reappointment); the unit member must report to work within ten (10) working days following receipt of the notice. A unit member given notice of reemployment (or reappointment) must accept reemployment (or reappointment) to maintain eligibility on the reemployment (or reappointment) list. If a unit member is given notice of reemployment (or reappointment) and chooses not to accept the offer, they shall be removed from the reemployment (reappointment) list.

22.4 SUBSTITUTE WORK

Unit members who are laid off shall be permitted, at the option of the unit member, to serve in classifications from which they were laid off as substitutes in the absence of a qualified incumbent, provided the laid off unit member notifies the District of their desire to be placed on a substitute list.

22.5 EXTENSION OF BENEFITS

The District shall continue its contribution rate for medical benefits for sixty (60) calendar days subsequent to the effective date of layoff as provided for in Article 7, in Section 7.7 of this Contract.

22.6 NO CONTRACTING OUT

The District shall abide by the requirements of law and of the Education Code in contracting out work. In the event of a classified layoff, the District will not contract out that work normally and customarily performed by the laid off classified unit members during the term of the existing Contract.

ARTICLE 23

RECLASSIFICATION

23.1 DEFINITION OF RECLASSIFICATION

- i. A position may be considered for reclassification once a unit member has completed two (2) years in the specific position that is the subject of the reclassification application, and it can be shown that responsibilities or additional duties at a higher level have been added to the position, which is not reflected in the job description.
- ii. Job positions are reclassified not the employee holding the particular position.
- iii. An increase in the workload at the same level does not qualify for reclassification.
- iv. For a new unit member the two year waiting period is made up of the six month or 130 days of paid service, whichever is longer, probationary period and the first year and a half of regular permanent employment.
- v. For all existing employees, the two-year waiting period is two full years in the job classification for which the reclassification is being requested. Time the unit member spends working out of class in a position does not count towards the two (2) year time period for reclassification of the position.
- vi. A unit member who has submitted for a reclassification request may not apply for another reclassification for at least two years from the date the reclassification was approved or denied through the full Reclassification Review Process (outlined in Article 23.2).

23.2 RECLASSIFICATION REVIEW PROCESS

A “window period” will be opened from September 1 to September 30 each year to provide unit members the opportunity to submit reclassification review requests. Reclassification request packets must be submitted by the unit member no later than 5pm on or before September 30 of each year only to the Office of Human Resources. No late reclassification request packets will be accepted. It is the responsibility of the unit member to ensure their reclassification request packet is complete, contains all necessary documents and is submitted within the window period.

The unit member's immediate supervisor/manager will have time after September 30 to complete their portion of the reclassification form. In the event that the unit member's immediate supervisor/manager fail(s) to complete their portion of the reclassification process, this failure will not affect the unit member's right to have their request for reclassification process completed.

The reclassification process shall be completed by March 1 of the year following the reclassification request.

23.2.1 The full Reclassification Request Packet consists of and must include all of the following documents:

- 1) a completed reclassification request form, which should focus on what has changed about the position (what new duties is the unit member engaging in that were not stated in the current job description and which are at a higher level job classification),
- 2) a copy of the unit member's current job description, if available on the district website,
- 3) a copy of the job description for the proposed classification, if the proposed job classification is a current SJECCD job classification, and available on the district website, or if the proposed reclassification would be a new job classification for SJECCD, then a proposed draft job description listing only core job duties,
- 4) and (if applicable) any additional supporting documentation.

All applicable reclassification application and attachments must be submitted as one complete packet, in a hard copy format. The outside consultant is unable to consider evidence/documentation where the unit member solely makes reference in documentation to material located on websites.

The Request for Reclassification Form must be signed by the unit member. The Reclassification Request form is attached as Appendix J.

23.2.2 The reclassification consultant will prepare an analysis of the reclassification request based on the following: the completed reclassification request form; a desk audit, if deemed necessary; internal and external audits of similar or related positions as necessary; interviews with the unit member and unit member's immediate supervisor and/or manager; any other relevant information requested by the Vice Chancellor of Human Resources.

23.2.3 The reclassification consultant will issue written recommendations for classification and salary range allocation based on the data provided, and forward these recommendations to the Vice Chancellor of Human Resources, who will

provide them to the Union's negotiations team no less than seven (7) business days prior to a scheduled review meeting.

23.2.4 The Vice Chancellor of Human Resources or designee will review these recommendations and, if necessary meet with the consultant, appropriate College administrators, or the Chancellor or schedule subsequent meetings with the unit member.

23.2.5 The decision of the Vice Chancellor of Human Resources will be communicated in writing to the unit member, the supervisor and the Union with a copy of the new job description, if any, on or before the March 1 date for completion of the process.

23.3 EFFECTIVE DATE

Reclassifications will become effective July 1 (the new fiscal year) of the year following the date the reclassification request was received.

23.4 APPEALS

If the unit member disagrees with the reclassification decision, they may appeal. Such an appeal must be based upon errors or omissions in the reclassification review process and filed in Human Resources within 30 days of the date of the unit member received notice of the reclassification decision. The District shall provide all appeal submissions received to the Appeal Panel by no later than April 30.

The Appeal will be reviewed by an Appeal Panel composed of two Union representatives, the Labor Relations Representative and the Chapter President or designee, College/District manager appointed by the President/Chancellor and the Vice Chancellor of Human Resources, with the Consultant serving as a resource. The unit member applicant shall be recused from membership on the Appeal Panel. The Appeal Panel will review the appeal within one month of the close of the 30 day appeal period. The determination of the Appeal Panel will be communicated to the unit member, the supervising administrator and the President/Chancellor in writing by the Vice Chancellor of Human Resources on behalf of the Appeal Panel. The determination shall be final. The reclassification determination shall not be subject to Article 18, Grievance Procedures.

“Immediate supervisor” shall mean the person designated by the Chancellor and/or President to supervise the activities and affairs of the staff of any department and to carry out such duties in respect thereof as may from time to time be required by the Governing Board or its agents. Such supervision is that which takes place on a day to day basis in contrast to general supervision which operates on a periodic basis. Immediate supervisors assign tasks, evaluate work performed, and direct work of subordinate staff.

23.6 SALARY AND ANNIVERSARY DATE

Effective July 1, 2024, any unit member who is reclassified will be placed at the lowest classification step which provides an increase of at least seven and one half (7.5) percent. The unit member's evaluation and anniversary date, for purposes of step increases and longevity, shall not change. When the unit member's anniversary date and the effective date of the reclassification coincide, the anniversary increment shall be applied before the reclassification computation is made.

23.7 CLASSIFICATION OF NEW POSITIONS

All newly created positions shall be processed and reviewed by the CSEA Negotiations team with Human Resources to recommend a job description and salary placement. When recommending salary placement, consideration shall be given to the newly created position with similar positions in the department and District.

23.8 NEGOTIATIONS

If negotiations are requested under this Article, the parties will meet within twenty (20) working days. Both parties agree to meet expeditiously and with such frequency as to complete negotiations within thirty (30) days. If no agreement is reached within the thirty (30) day period, an impasse will be declared by both the District and Union and the dispute will be referred to mediation. If the dispute is not resolved in mediation within thirty (30) days, the District and Union will request the mediator's referral to fact finding. Both parties will observe the requirements of law in the selection of a fact finder and in implementing the fact-finding process.

ARTICLE 24

STAFF DEVELOPMENT LEAVE EDUCATIONAL SABBATICAL LEAVE

24.1 EDUCATIONAL LEAVE

Educational Sabbatical Leave will be provided for engagement in full-time (12 semester units or equivalent) study through participation in approved courses. Courses shall be taken at a fully accredited institution. Course work meeting the minimum qualifications of the applicant's present position shall not qualify for this leave.

Educational Sabbatical Leaves may be granted to full-time unit members for the purpose of carrying out an approved program which will have significant relevance to the unit member's specific assignment and/or other activities approved by the Committee, the Chancellor, and the Board.

24.2 ELIGIBILITY

Unit members who have rendered at least six consecutive years of full-time service (1,733 hours per annum) in paid status to the District shall be eligible for Educational Sabbatical Leave. The period of leave shall not be included as service in computing the six (6) consecutive years of service required for subsequent Educational Sabbatical Leave.

The number of full-time unit members on Educational Sabbatical Leave during a fiscal year shall not exceed three (3) of the eligible full-time unit. The three (3) eligible full-time unit members selected for an Educational Sabbatical Leave may not be from the same department.

24.2.1 Leaves of absence granted under this article shall not be deemed a break in service.

24.3 APPLICATION PROCESS

Application for Educational Sabbatical Leave shall be on forms provided by Human Resources and shall be filed no later than November 1 of the year preceding the fiscal year for which the Educational Sabbatical Leave is to become effective.

Board actions on applications are to be taken no later than the second regular Board meeting in February. In the event that a Board approved leave cannot be taken, alternate requests may be granted within the maximum percentage authorized, up to April 1 of the year preceding the fiscal year in which the Educational Sabbatical Leave is to be taken.

A detailed plan shall first be submitted by the applicant to their supervisor/manager. The manager shall submit written comments to Human Resources.

24.4 RECOMMENDATION

Human Resources shall forward a written report of approved applications to the Chancellor who shall review the report and shall forward their recommendation to the Governing Board for action.

24.5 COMPENSATION

Educational Sabbatical Leaves may be arranged for a maximum of two (2) semesters with a grant equal to 75% of the unit member's compensation had the unit member been in regular service.

24.6 CREDIT ON SALARY SCHEDULE

Time spent on Educational Sabbatical Leave shall be credited for salary increment and for District benefits, including longevity requirements, and shall not be considered a break in service. Units earned on Educational Sabbatical Leave may not be credited towards Professional Growth.

24.7 SERVICE OBLIGATION

Recipients of an Educational Sabbatical Leave shall contract to serve the District for twice the period of the total leave taken after completion of the leave. The grantee shall indemnify the District against loss in event of failure to render service at twice the period of the total leave taken after return from Educational Sabbatical Leave by furnishing suitable bond, or by executing a contract in a form approved by the Governing Board binding the unit member to return for twice the period of the total leave granted. Such service obligation on the part of the recipient does not bind the District to retain the recipient. The District may terminate the unit member for cause or layoff due to lack of work or lack of funds, in which case no repayment of salary shall be required.

24.8 ILLNESS-INJURY-DEATH

In the event of injury to, or illness of, the unit member during the Educational Sabbatical Leave which prevents completion of the purpose of the leave, the Educational Sabbatical Leave will be terminated and provisions for sick leave shall apply. If upon return to service and prior to completion of the two obligatory years of service, should there be an illness or injury qualifying the unit member for disability retirement, such illness or injury shall exempt him/her from further obligations relative to that Educational Sabbatical Leave. If death prevents the unit member from fulfilling their agreement to return service in the District, no repayment of salary shall be required.

24.9 REINSTATEMENT

Upon return to service after Educational Sabbatical Leave, a unit member shall be reinstated in the position held at the time leave was granted or a comparable position, subject to provisions of law; i.e., seniority, layoff procedures.

24.10 INTERIM REPORT

The District shall require an interim report at the midpoint of each member's leave stating the progress in fulfilling his/her obligation. Any changes in the leave must be submitted to Human Resources for approval prior to implementation. Failure to submit the report to Human Resources may result in loss of the leave and cessation of salary payment.

24.11 WRITTEN REPORT UPON COMPLETION

Unit members returning from Educational Sabbatical Leave shall be required to submit a written report to Human Resources by the end of the first six months after returning. The written report shall describe the activities undertaken while on leave; how these activities fully satisfy the terms, conditions, and agreed upon activities of the leave; and the benefit to the District of the leave.

Human Resources shall review the written report and shall forward a recommendation to the Chancellor on the acceptance or rejection of the report and whether the terms and conditions of the leave were fully met.

If Human Resources rejects the report; they shall set forth the reasons, in writing, together with specific recommendations for satisfactory completion of the Educational Sabbatical Leave obligation. If the unit member's report is rejected, they shall, no later than thirty (30) days, submit a revised report to Human Resources. Human Resources shall review the revised report and shall communicate their acceptance or rejection to the unit member and forward its recommendation to the Chancellor.

24.12 GRADES

Successful completion of an academic activity during an Educational Sabbatical Leave shall be demonstrated by a "C" grade or better. A unit member who does not achieve a "C" grade or better may repeat the course or courses within the next academic year at no cost to the District or further released time to achieve a "C" grade or better GPA.

24.13 APPEALS

Should Human Resources not approve the application plan or not certify the work completed, the applicant may appeal the decision by progressing through the following steps. An appeal shall not pass on to the next level until a decision is rendered at the previous level.

- Level 1 Ask for reconsideration by the Chancellor, at which time the unit member may be represented by the Union.

- Level 2 Appeal of the Chancellor’s decision to the Governing Board.

ARTICLE 25

SUBSTITUTE/SHORT TERM EMPLOYMENT

25.1 Effective 7/1/94, Classified unit members will become regular unit members upon date of hire unless they fit into the following categories or are otherwise excepted by law.

25.1.1 Substitute

Any person employed for a period of less than 195 working days within one school year to replace any classified unit member who is temporarily absent. In addition, if the District is engaged in a procedure to hire a permanent unit member to fill a vacancy in any classified position, the Governing Board may fill the vacancy through the employment, for not more than ninety (90) working days, of one or more substitute unit members.

25.1.2 Short Term

Any person who is employed to perform a service for the District, upon completion of which, the service required or similar services will not be extended or needed on a continuing basis. Before employing a short-term employee, the Governing Board, at a regularly scheduled board meeting, shall specify the service required to be performed and shall certify the ending date of the service. The ending date may be shortened or extended by the Governing Board, but shall not extend beyond 75 percent of a school year. “Seventy-five percent of a college year” means 195 working days. Short term employees may be hired for peak periods which shall not exceed sixty (60) working days unless mutually agreed upon by the District and CSEA and submitted again for Governing Board approval.

25.1.3 Neither work study students nor work experience students shall be employed so as to replace classified bargaining unit members. In the event of layoff, reduction of hours, or abolishment of bargaining unit positions, no work performed by bargaining unit members shall be transferred to create new positions, or to unlawfully increase any work being performed by work experience, work study or short term unit members.

25.1.4 Disputes arising out of this Article shall be entered at Level I of the Grievance Procedure.

25.1.5 The District will provide a copy of a Request for Election form to CSEA when it is received by Human Resources. This form will contain the short-term unit member’s name, work location, hours and dates to be worked, and specified projects or duties to be performed.

ARTICLE 26

NEW TECHNOLOGY

26.1 Whenever a new technology is introduced into a unit member's work environment which the unit member will be required to use, the District will provide the following:

26.1.1 At District expense the unit member(s) shall be trained by a person qualified to train in the new technology.

26.1.2 The training should occur during the unit member(s) regular work day. If such training is not available during the unit member(s) regular work-day hours, the unit member will be compensated under Article 6, SALARY, regarding overtime and any other applicable section of Article 6.

ARTICLE 27

SAVINGS CLAUSE

- 27.1** If during the term of this Agreement there exists any applicable law or any applicable rule, regulation, or order issued by governmental authority other than the District which shall render invalid or restrain compliance with or enforcement of any provision of this Agreement, such provision shall be immediately suspended and be no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Agreement shall not invalidate any remaining portions which shall continue in full force and effect.
- 27.2** In the event of suspension or invalidation of any article or section thereof, the parties agree to meet and negotiate upon request within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such article or section thereof.

The District agrees not to lock out unit members during the term of this Agreement.
- 28.2** The Union recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all unit members to do so. In the event of a strike, work stoppage, slowdown or other interference with the operations of the District by unit members who are represented by the Union, the Union agrees in good faith to take steps to cause those unit members to cease such action.

ARTICLE 29

SUPPORT OF AGREEMENT

- 29.1** The District and the Union agree that it is to their mutual benefit to encourage the resolution of differences through the meet and negotiation process. Therefore, it is agreed that the Union will support this Agreement for its term and will not appear before any public school employer to seek change or improvement in any matter subject to the meet and negotiation process except by mutual agreement of the District and the Union.

ARTICLE 30

PAST PRACTICES

- 30.1** It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over State laws to the extent permitted by State law. Notification of discontinuation of past practice will be given by either party.

ARTICLE 31

COMPLETION OF MEET AND NEGOTIATION

- 31.1** The parties agree that they have completed negotiations in their entirety for the duration of the term of this agreement from July 1, 2023 through June 30, 2026.

ARTICLE 32

**SIDE LETTER AGREEMENT BETWEEN
CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION CHAPTER #363
AND
SAN JOSE EVERGREEN COMMUNITY COLLEGE DISTRICT**

AGREEMENT

The San Jose Evergreen Community College ("District") and the California School Employees Association and its Chapter 363 ("CSEA"), together referred to as the "Parties", hereby agree to the following to meet the requirements of AB 119 (2017).

1. EMPLOYEE INFORMATION

- a) "Newly hired employee" or "new hire" means any employee, whether permanent, full time, part time, hired by the District, and who is still employed as of the date of the new employee orientation. It also includes all employees who are or have been previously employed by the District and whose current position has placed them in the bargaining unit represented by CSEA. For those latter employees, for purposes of this agreement only, the "date of hire" is the date upon which the employee's employee status changed such that the employee was placed in the CSEA unit.

- b) The District shall provide CSEA with contact information on the new hires. The information will be provided to CSEA electronically via a mutually agreeable secure FTP site or service, on the last working day of the month in which they were hired. This contact information shall include the following items when available, with each field in its own column:
 - i. First Name;
 - ii. Middle initial;
 - iii. Last name;
 - iv. Suffix (e.g. Jr., III)
 - v. Job Title/Classification;
 - vi. Department;
 - vii. Primary worksite name;
 - viii. Work telephone number;
 - ix. Home Street address (incl. apartment #)
 - x. City
 - xi. State
 - xii. ZIP Code (5 or 9 digits)
 - xiii. Home telephone number (10 digits);
 - xiv. Cellular telephone number (10 digits);

- b) The District shall provide CSEA access to its new employee orientations. CSEA shall receive not less than ten (10) days' notice in advance of an orientation, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the District's operations that was not reasonably foreseeable.

The District and CSEA agree to continue the current new employee orientation practice as permitted by section 3.12 of the Collective Bargaining Agreement. The current practice includes but is not limited to the following:

- New employee orientation is mandatory for new hires.
- All new hire attendees remain in paid status during new employee orientation. CSEA representatives receive release time from their positions during their regular work hours while attending new employee orientations.
- CSEA may send a reasonable number of representatives to present during new employee orientation.
- CSEA representatives are given a minimum of thirty (30) minutes to present.
- No release time is deducted from chapter release time for CSEA representatives participating in new employee orientation.

SAN JOSE EVERGREEN COMMUNITY COLLEGE DISTRICT

RE: District Police Department Uniform Allowance

BACKGROUND

The uniform is symbolic of the dignity, honor and the professionalism of the San Jose Evergreen Community College District (District) Police Department. It is essential that it be worn in a manner that will command respect and reflect honor and esteem towards the District Police Department.

The California School Employees Association #363 (CSEA) represents the following classifications within the District Police Department: Police Officer, Traffic & Campus Services Officer (TCSO), Campus Safety Officer (CSO), CSO Lead, Police Dispatcher, Police Dispatcher Lead, and Police Communications & Records Coordinator. Currently, there is not a consistent practice in place to assure that the staff of District Police Department represented by CSEA are provided with an adequate number of uniforms in good repair. CSEA and the District would like to establish a consistent practice moving forward.

AGREEMENT

CSEA and the District agree to the following:

a) **Police Officer:**

- Each Police Officer shall be provided a \$1000.00 uniform allowance annually by July 31st of each year for uniforms only (shirts, pants, jackets, shoes, etc.).
- All leather goods and safety equipment (belts, vests, holsters, etc.) shall continue to be provided by the District and shall not be deducted from the annual uniform stipend. For the purpose of this agreement, footwear shall not be considered leather goods or safety equipment.
-

b) **CSO, CSO Lead, TCSO:**

- Each CSO, CSO Lead and TCSO shall be provided a \$750 uniform allowance annually by July 31st of each year for uniforms only.

- All leather goods and safety equipment shall continue to be provided by the District and shall not be deducted from the annual uniform stipend. For the purpose of this agreement, footwear shall not be considered leather goods or safety equipment.

c) Police Dispatcher, Police Dispatcher Lead, Police Communications & Records Coordinator:

- Each Police Dispatcher shall be provided a \$750 uniform allowance annually by July 31st of each year for uniforms only.
 - All leather goods and safety equipment shall continue to be provided by the District and shall not be deducted from the annual uniform stipend. For the purpose of this agreement, footwear shall not be considered leather goods or safety equipment.
- d) The above mentioned stipends shall only be effective for the 2018-19 school year. The parties mutually agree to revisit uniforms for all CSEA bargaining unit members within the District Police Department during the 2018-19 reopener negotiations.
- e) For the 2018-19 academic year, the annual stipend shall be issued on the pay date in the following month of the ratified Memorandum of Understanding by CSEA Membership.
- f) The District agrees to reimburse all outstanding reimbursement requests still pending and/or denied since July 1, 2018. Any reimbursements shall not be deducted from the 2018-19 uniform allowance.
- g) The District agrees to pay the cost of replacement or repair for uniforms damaged in the ordinary course of performance of regular job duties.
- h) Any alleged violation, misinterpretation, or misapplication of the terms of this agreement shall be subject to the grievance provisions of the Collective Bargaining Agreement.

This agreement shall be effective August 21, 2018 and sunset on June 30, 2019 unless both parties mutually agree to extend for one additional year, 2019-20.

Reclassification Forms

SAN JOSE/EVERGREEN COMMUNITY COLLEGE DISTRICT

UNIT MEMBER'S REQUEST FOR RECLASSIFICATION

This form is to assist in determining if your position should be reclassified. Please answer all questions thoroughly; the more detailed and specific you are, the better the evaluators can understand the reason for your request. You may give examples and attach additional pages. Please note:

- Positions are reclassified – not the employee
- Classification does not consider the capabilities of the individual or his/her efficiency
- Classification does not resolve performance problems
- Classification does not consider the amount of work performed.

In evaluating the information collected, evaluators will use a “whole job analysis” approach. With this approach, current duties and responsibilities are analyzed taking the following factors into consideration:

- Expertise (knowledge, skills, and abilities)
- Decision-making
- Supervision (received and exercised)
- Contacts
- Working conditions.

These factors will be examined to determine whether or not a change in job classification or salary is justified.

In conducting a classification review, potential outcomes include:

- a change in classification to either a new or another existing classification;
- a change in salary with or without a change in job classification (salary realignment);
- a change or revisions to the existing class specification with or without a change in salary;
- or no change in either salary or job classification.

In order to justify a change, it is important that there be a material change in the type of duties assigned and/or the level of difficulty, complexity and responsibility associated with the assigned duties. An increase in the volume of work is not considered a justification, since this is ultimately a staffing issue; nor is individual job performance a consideration, since jobs are classified based on operational needs regardless of who holds the position. Further, jobs may change as a result of reorganization or redistribution of work assignments, or because of changing technology requiring the use of new and/or different tools. However, this does not necessarily mean that a change in classification is justified if the level of difficulty, complexity, and responsibility has not increased.

The Unit Member's Request for Reclassification packet must be received in the Office of Human Resources by **September 30** no later than **5pm**.

IV – RATIONALE FOR RECLASSIFICATION

Please state the rationale for your request for reclassification (specifically, what has changed and how has this increased the level of responsibility of your job).

V - PURPOSE OF YOUR POSITION

Describing your job as you would to someone not familiar with your work, briefly summarize the overall purpose(s) of your position, as you understand it, and the key result that the job is expected to achieve.

VI - IMPORTANT AND ESSENTIAL DUTIES

Listing the most important duties first, describe the major duties performed by your position. A duty is an activity performed to achieve the purpose or objectives of the job. A duty is a significant part of a functional area and consists of the performance of one or more tasks. Start each duty statement with a verb such as prepare, maintain, calculate, collect, compile, clean, repair, or other similar action word. **Respond based on actual job duties and responsibilities.** Describe the job responsibilities/duties as they exist now. In other words, tell us what you are actually doing in the job – this may or may not differ from what your current job description states. **Be objective and accurate.** Try not to understate or inflate the job. Base your responses on the typical duties and responsibilities of the job under normal conditions, not under unusual circumstances or temporary assignments.

In the right hand columns, please identify the following:

Date added or changed: If a duty has not always been part of your position, please identify the date that the duty was added to your position or that the duty significantly changed. You do not have to complete the **Date added or changed** column for duties that have always been part of your position.

Frequency Code: Please code [D (Daily), W (Weekly), M (Monthly), Q (Quarterly), S (Semi-Annually), Y (Yearly)] how often you perform each duty.

% of Total Job: Assuming all duties listed encompass 100% of the total job, give a best estimate of the approximate percentage of total job that each duty (or group of related duties) represents. The total of all duty statements must equal 100%.

1. **Necessary** for the successful performance.
2. **Cannot be learned** in a brief training or orientation session (1 week or less).
3. **Required by the job**, not ones you have acquired on the job.

Please list the knowledge, skills, and abilities that are **essential** for the position being described. The knowledge, skills, and abilities listed under this section should be linked with the essential duty statements.
