Notice of Public Inspection August 27, 2026

Government Code Section 7908(c) requires each community college district to report to the Chancellor of the Community Colleges at least annually its appropriation limit. The Gann Limit is a spending limit that restricts growth of tax funded programs and services. The GANN Limit is adjusted yearly for population growth, inflation, and other factors.. Fifteen days prior to such meeting, documentation used in the determination of the appropriation limit shall be available to the public.

The Chancellor's Office has supplied the districts with the forms for computing the GANN Spending Limit for 2026-27. The "Appropriations Subject to Limit" computation shows San Jose Evergreen Community College District to be within its spending limitation. The appropriations limit for 2026-27 is \$160,112,166 which includes an increase of \$9,215,291 to the GANN Limit pursuant to the provisions of Government Code Section 7902.1.

The District, in compliance with Article XIII B of the State Constitution, will post the appropriation limit for 2026-27 that will be available for public review fifteen days prior to its adoption, scheduled for the October 13 Board meeting.
